ABOUT THIS REGISTER

This Register contains the details of Unclaimed Moneys held by organisations as at 31 December 1998 and notified to Treasury by 31 January 1999 in accordance with the (Western Australian) Unclaimed Money Act 1990 (the Act). The Act essentially requires all such moneys to be paid to the Treasurer after having been held unclaimed for a period of six years.

The Act does not apply to certain Commonwealth regulated financial institutions and fund managers (eg banks, insurance and superannuation organisations). Nor does it generally apply to unclaimed money held by organisations registered outside of Western Australia.

CLAIM PROCEDURES (please read all instructions carefully)

Check the Register for any money held on your behalf.

Note the 'Source of Money' index number and refer to the Index at the commencement of this Register. The Index provides details of who is holding the money and how to contact them. After 31 July 2000 all claims and enquiries should be directed to the Western Australian Treasury.

Persons wishing to submit a claim should complete a Statutory Declaration and forward it to the relevant Contact. Please note the following instructions on how to complete a Statutory Declaration.

COMPLETING A STATUTORY DECLARATION

(please refer to the following sample)

Statutory Declaration forms can generally be obtained from stationery stores and newsagents. Forms may also be available at police stations and post offices.

The Declaration must be prepared for, and signed by, all parties to the claim (eg where money is held on behalf of two or more persons). Where an organisation is the claimant, the Declaration must be signed by the appropriate office holders and bear the relevant seal. Where applicable, a copy of the Business Registration should also be supplied.

The Declaration must state the claimant(s) current name and address. Where the name differs from that gazetted the claimant(s) must provide supporting documentation (eg a copy of a Marriage Certificate).

Moneys held for deceased estates will only be released to the appointed administrator (ie Executor). Beneficiaries must lodge their claims through the Executor of the estate. Executors of deceased estates must provide copies of the Death Certificate, Will and Probate Certificate (if applicable).

In their Declaration, claimant(s) must state their relationship to the provider of the money, explain the basis of their entitlement to the money, quote details of the amount being claimed and provide any other relevant information that may support their claim.

The Declaration must be witnessed by a duly authorised person (eg Justice of the Peace, Commissioner of Declarations) who will need to sight proof of the claimant's identity (eg Birth Certificate, Driver's Licence, Passport). A copy of this document should be submitted with your Statutory Declaration.

Important Note: Under section 170 of the Western Australian Criminal Code a person who knowingly makes a false statement or declaration is guilty of a misdemeanour and is liable to imprisonment for up to three years.

Persons seeking information about unclaimed moneys (other than that published in this gazette) should first contact the organisation they believe is holding money on their behalf.
