LG501***BUSH FIRES ACT 1954***Town of East Fremantle/City of Fremantle***METROPOLITAN FIRE DISTRICT**

Notice to All Owners and/or Occupiers of Land in East Fremantle and Fremantle

Pursuant to the powers contained in Section 33 of the above Act, you are hereby required on or before the 30th day of November 2000 or within fourteen days of the date of your becoming owner or occupier should this be after the 30th day of November 2000, and thereafter up to and including the 31st day of March 2001 to have a firebreak clear of all flammable materials, at least three metres wide immediately inside all external boundaries of land and also immediately surrounding all buildings situated on the land.

If it is considered to be impractical for any reason to clear firebreaks as required by this notice, you may apply to the Council or its duly authorised officer not later than the 15th day of November 2000 for permission to provide firebreaks in alternative positions on the land. If permission is not granted by the Council or its duly authorised officer, you shall comply with the requirements of this notice.

The penalty for failing to comply with this notice is a fine of not more than \$1,000 and a person in default is also liable, whether prosecuted or not, to pay the cost of performing the work directed in this notice if it is not carried out by the owner or occupier by the date required by this notice.

NOTE: Burning is prohibited to achieve the requirements of this notice, no permits will be issued.

By Order of Town of East Fremantle,

P. HENDERSON, Chief Bush Fire Control Officer.

By Order of City of Fremantle,

D. WHITE, Chief Bush Fire Control Officer.

LG502***BUSH FIRES ACT 1954***Shire of Trayning*

Notice To Owners and Occupiers of Land within the Shire of Trayning

Pursuant to the powers contained in Section 33 of the Bush Fires Act 1954, you are required on or before the date mentioned in the following Schedule to have a firebreak clear of all flammable matter and maintain the firebreak to at least the width mentioned and in the manner described in the following Schedule of Land owned or occupied by you.

Schedule**1. DATES****(a) RURAL LAND**

1st November 2000 to 30th April 2001

Surrounding Buildings/Haystacks and Fuel Dumps

(b) TOWNSITE LAND

1st November 2000 to 30th April 2001

2. WIDTH AND MANNER DESCRIBED**(a) Rural Land**

At least 3 metres wide and not more than 100 metres from the perimeter of all buildings and/or haystacks or groups of buildings and/or haystacks so as to completely surround the buildings, haystacks and/or fuel dumps or so as to effectively surround the buildings, haystacks and/or fuel dumps which may be combined with strategic breaks e.g. roads, clear ground etc, with an effective cleared width of 3 metres.

(b) Townsite Land

1. If lot is 2024m² (1/2 acre) or less, clear of all flammable material from the whole of the area. Acceptable methods of clearing include grazing, mowing, grading or burning.

2. If lot is larger than 2024m² (1/2 acre), there be a firebreak of either 3 metres inside the boundary or 3 metres outside the boundary. Where there is a road free of flammable material, applications can be made annually to the Chief Fire Control Officer for exemption.

(c) **Fuel Dumps**

In respect of land owned or occupied by you, on which is situated any fuel dump, in addition to the requirements of paragraphs (a) and (b) you shall remove all flammable materials or material likely to become flammable during summer from land occupied by bulk storage tanks and/or drums used for storage of liquid fuel whether the bulk storage tanks and/or drums contain liquid fuel or not. This includes the land on which ramps for holding the drums are constructed. The flammable material free ground must be maintained to a distance of at least 3 metres outside the perimeter of any drum, stack of drums or drum ramp or bulk storage tank.

Flammable material is defined for the purpose of this notice to include vegetation, timber, boxes, cartons, paper and like materials, rubbish and any other combustible matter, but does not include green standing trees, garden plants, growing bushes or maintained lawns, stacked wood heaps or buildings.

- (d) If it is considered to be impracticable for any reason to clear firebreaks on the land in the situations required by this Notice or by the date required by this Notice, you may apply to the Council or its duly Authorised Officer for variations by the Order. An application must be made no later than 14 days prior to the date by which firebreaks are required to be constructed, for permission to provide firebreaks in alternative positions or by an alternative date or to take alternative action to abate fire hazards on the land. If permission is not granted by the Council or its duly Authorised Officer you shall comply with the requirements of this Notice.
- (e) The penalty for failing to comply with this Notice is a fine of \$80 by infringement or not more than \$1,000 if prosecuted, and the person in default is liable, whether prosecuted or not, to pay the cost of performing the work.
- (f) If the requirements of this notice are carried out by burning, such burning must be in accordance with the relevant provisions of the Bush Fires Act 1954.

3. ROAD RESERVES

Owners and occupiers of land are hereby notified that Council has adopted a policy of NO roadside burning. In certain circumstances, Council permission can be granted to burn upon application.

4. PADDOCK BURNS

At any time, where a landholder intends to burn, a three (3) metre firebreak clear of flammable material must be placed within the property alongside the road reserve to prevent the escape of fire from the paddock to the road reserve.

Where a fire escapes through a lack of a suitable firebreak, the landholder will be responsible for the cost of reinstating the lost vegetation in addition to any fine or infringement incurred for not complying with this notice.

By Order of the Council,
20 September 2000.

G. M. PEDDIE, Chief Executive Officer.
