**MEDICAL ACT 1894**

IN THE MATTER OF AN INQUIRY WITH REFERENCE TO THE CONDUCT OF

DR NORMAN VAN DORT

DOB: 18 SEPTEMBER 1952

The Board having held an Inquiry on 19 October 2000 under Section 13(1)(a) whereby it was found that Dr Van Dort was guilty of improper conduct. The Board ordered that—

1. Rather than impose a fine or penalty, Dr Van Dort give a written undertaking to be of good behaviour for a period of 12 months from the date of this order, 19 October 2000, and to comply with the following conditions and restrictions in relation to the practice of medicine and training for that practice;
  - (a) Dr Van Dort to continue to attend his psychiatrist, Dr Darryl Bassett, on at least quarterly intervals for evaluation and treatment of his established depressive illness and to follow any treatment recommended by Dr Bassett,
  - (b) to authorise Dr Bassett or any other psychiatrist approved by the Board to make written reports of progress to the Board on a quarterly basis,
  - (c) to cooperate with a general medical practitioner mentor who will be appointed by the Board to visit Dr Van Dort on a quarterly basis and to examine and view Dr Van Dort's practice generally but in particular with regard to—
    - The maintenance and storage of medical records,
    - The storage of medicines, prescription pads, syringes etcetera.

The mentor is to make a written report to the Board with respect to compliance of standards and practice.

(d) that Dr Van Dort pay the Board such amounts that the Board may fix for the mentor's fees,

(e) and finally the Board orders Dr Van Dort to pay the costs of the inquiry.

By Order of the Medical Board of Western Australia,

SIMON M. HOOD, Registrar.

**MH402****MEDICAL ACT 1894****IN THE MATTER OF AN INQUIRY WITH REFERENCE TO THE CONDUCT OF  
DR CHRISTIAN JOSEPH GARDNER****DOB: 13 MARCH 1972**

The Board having held an Inquiry on 25 October 2000 under Section 13(1)(a) of the Act whereby it was found that Dr Gardner was guilty of infamous conduct in a professional respect. The matter was heard in the absence of Dr Gardner and without any representation at his request. The Board accepted Dr Gardner's plea of guilty and ordered that—

1. The name of Christian Joseph Gardner be removed from the medical register,
2. Mr Gardner be at liberty to apply, on an annual basis, for restoration, and that he would have to prove that he is of good character and that rehabilitation has occurred,
3. The costs of the present inquiry be ordered against Mr Gardner. The costs of previous inquiries will be the subject of correspondence between counsel and the Board and Dr Gardner. The Board will decide whether costs for the previous inquiries will be awarded against Dr Gardner.

By Order of the Medical Board of Western Australia,

SIMON M. HOOD, Registrar.

---

**MH403****MEDICAL ACT 1894****IN THE MATTER OF AN INQUIRY WITH REFERENCE TO THE CONDUCT OF  
DR VELUPILLAI SAKARAPANI****DOB: 1 JANUARY 1937**

The Board having held an Inquiry on 6 November 2000 under Section 13(1)(c) of the Medical Act whereby Dr Sakarapani may be guilty of gross carelessness or incompetence.

The Board has considerable concerns with Dr Sakarapani's conduct in this case. He has admitted he made an error in failing to diagnose a sub-mucous cleft palate and, as a result, carried an inappropriate procedure; namely, adenoidectomy. The fact that the child has some abnormalities in appearance and the speech pathologist had expressed concerns regarding the child's nasal speech should have all raised Dr Sakarapani's suspicions.

The Board considers that he should have taken greater steps to have examined the child after he was anaesthetised and before he commenced surgery.

Having considered the views of various otolaryngologists, the Board is of the view that it is possible the condition may have been difficult to diagnose in this such patient. Therefore the Board does not consider the level of carelessness has been shown to reach the level of gross carelessness. The Board accepts Dr Sakarapani's commitment to take up the offer of further education from Professor Atlas and his colleagues. The Board also advises Dr Sakarapani to maintain ongoing collegiate contact with his professional peers.

The Board wishes to state that it accepts the views and opinion of Professor Atlas, Mr Coates and Mr Bracks and Mr Mark Edwards regarding appropriate standards of care in paediatric otolaryngology. The Board rejects the views of Dr Ian Bernadt.

There will be no order for costs.

By Order of the Medical Board of Western Australia,

SIMON M. HOOD, Registrar.
