COMPLETING A STATUTORY DECLARATION

Statutory Declaration forms can generally be obtained from stationery stores and news-agents. The following pages also contain a blank form that may be copied.

The Declaration must be prepared on behalf of, and signed by, all parties to the claim (eg where money is held on behalf of two or more parties). Where an organisation is the claimant, the Declaration must be signed by the appropriate office holders and bear the relevant seal. Where applicable, a copy of the Business Registration should also be supplied.

The Declaration must state the claimant(s) current name and address. Where the name differs from that gazetted, the claimant(s) must provide supporting documentation (eg a copy of a Marriage Certificate) as proof of ownership.

Moneys held for deceased estates will only be released to the appointed administrator (ie Executor). Beneficiaries must lodge their claims through the Executor of the estate. Executors of deceased estates must provide copies of the Death Certificate, Will and Probate Certificate (if applicable).

In their Declaration, claimant(s) must state their relationship to the provider of the money, explain the basis of their entitlement to the money, quote details of the amount being claimed and provide any other relevant information that may support their claim.

The Declaration must be witnessed by a duly authorised person (eg Justice of the Peace, Commissioner of Declarations) who will need to sight proof of the claimant's identity (eg Birth Certificate, Driver's Licence, Passport). A copy of this document should be submitted with your Statutory Declaration.

Important Note: Under section 170 of the Western Australian Criminal Code a person who knowingly makes a false statement or declaration is guilty of a misdemeanour and is liable to imprisonment for up to three years.
