12. Adding a new Clause 5.5 as follows and renumbering the clauses 5.5 and 5.6 to 5.6 and 5.7 respectively;

"Within the area zoned General Industry within the Scheme area the following conditions shall apply:

- (a) The objective of the General Industry Zone is to provide for manufacturing industry, the storage and distribution of goods and associated uses, which by the nature of their operations should be separated from residential areas.
- (b) Site conditions, restrictions and requirements shall be in accordance with provisions specified in Table 4 in the Scheme Text. Where a site restraint, condition or requirement is not specified in Table 4, then the provisions of Council's Town Planning Scheme No. 3 or the uniform by-laws shall apply.

TABLE 4—GENERAL INDUSTRY

Minimum Lot size	Minimum Effect Frontage	Maximum Plot Ratio	Minimum No. of Parking Spaces	Minimum Setbacks		
				Front	Side	Rear
4000m <sup>2</sup>	35	0.5	1 space per 100m <sup>2</sup> of Gross leasable Floor Area	11m	5	10

- (c) Any applications for Industry-General shall have regard to the Industry 2030 Study and the Preston Industrial Park Land Use and Port Access Study (WAPC 2000). Development shall comply with the Development Guidelines by Industry Precinct table in regard to noise limits, risk levels, sulphur dioxide standard limit, particulate standard limit and with particular note to noise limits at residential boundaries.
- (d) Development shall be restricted to dry industry.
- (e) Works Approval from the Department of Environmental Protection (EPA) is required for any Industry-General development prior to Council's determination of an Application for Planning Consent.
- (f) In the determination of any development application in the General Industry zone Council's primary consideration will be to provide for general industry development without adversely impacting on the amenity of the nearby residential lots. Applications for Planning Consent will be required to address the following:
  - That there will be no adverse impacts in terms of dust, noise or odour, on the residential premises in the immediate locality by complying with relevant Environmental Legislation;

- Building bulk, height and appearance to be designed to minimise any adverse impacts on the nearby residential lots;
  - Development to be setback from residential development by a minimum of 200 metres, unless determined otherwise by the Department of Environmental Protection;
  - Traffic movements (amount of and time of) to be managed to minimise any conflicts with the existing industrial estate and in particular the nearby residential lots.
  - Management of any risks associated with the proposed development and containment of these on site.
- (g) Council requires the developer to landscape and/or screen plant 25% of the site to its satisfaction. The Council requires the developer to enter into an agreement ensuring that he will maintain those areas to Council's satisfaction.
13. Modifying Table 2—Site Conditions contained in Section 5.3 to delete the maximum building height.
14. Replacing Paragraph (d) of Clause 5.1 of the Scheme Text with the following:
- (d) Prior to subdivision or development approval on part of Collie Agricultural Area Lot 37 and being Lot 3 Harris Road, the landowner shall prepare a Wetland Management Plan for the wetland on the property.
- The Wetland Management Plan shall be prepared to the requirements of the responsible authority in consultation with the Department of Environmental Protection and the Water and Rivers Commission.**
- Each plan shall include:**
- (i) a description of the wetland including its ecosystem, attributes and values;
  - (ii) management objectives, including the protection of the water regime and water quality that supports the wetland;
  - (iii) management actions to ensure that the management objectives are achieved, including the provision of buffers, control of access through fencing and paths.
  - (iv) a monitoring program, including definition of performance criteria and analysis procedures, to demonstrate whether the management objectives are being met;
  - (v) contingency plans to be implemented in the event that performance criteria are not met; and
  - (vi) identification of responsibilities for implementation of the plan."
15. Inserting into Clause 5.1(b) of the Scheme Text after the word "system" the following:
- "and Potable water quality being to the standard as specified in the National Health and Medical Research Council's document entitled "Guidelines for Drinking Water Quality in Australia";**
16. Inserting into Clause 1.5 of the Scheme Text after the word "Authority" in the interpretation of 'Dry Industry' the following:
- "In addition, development shall be restricted to the type which is predicted to generate wastewater intended for disposal on site at a daily volume not exceeding 540 litres per 2000m<sup>2</sup> lot size."**
17. Modifying the Subdivision Guide Plan shown on the Scheme Map.
18. Modifying the legend on the Scheme Map to delete the description 'Light Industrial (Trades)' and to substitute the term 'Light Industry (Trades)'.

TOWN PLANNING SCHEME No. 3—AMENDMENT No. 26

Ref: 853/5/14/4 Pt 26

It is hereby notified for public information, in accordance with Section 7 of the Town Planning and Development Act 1928 that the Hon Minister for Planning and Infrastructure approved the Shire of Plantagenet Town Planning Scheme Amendment on 7 January 2002 for the purpose of:

- i) Rezoning Portion of Pt Location 4177 Mount Barker Hill Road, Mount Barker from the Rural zone to the Rural Residential zone;
- ii) Incorporating Part Location 4177 into the Mount Barker Hill Rural Residential Area by inserting the property description into the Specified Area of Locality in column (a) of Schedule No. 5 to the Scheme Text;
- iii) Modifying the Special Provisions in Column (b) of Schedule No. 5 to the Scheme Text by:
  1. Deleting existing clause 1 and replace with:
    - 1.0 “Objective of Zone  
The purpose of the Mount Barker Hill rural residential zone is to provide for rural residential living and small scale rural and tourist uses providing they do not impact detrimentally on the environment or the amenity of adjoining property.
  2. Deleting existing “AA” uses “Rural Uses”, “Poultry Farming” and “Horse Stables” from the list of uses that may be permitted and replace with the following:
    - “Horticulture”
    - “Aquaculture”
    - “Bed and Breakfast Accommodation”
    - “Café/Tearooms”
    - “Agistment of Stock”
    - “Other incidental or non defined activities considered appropriate by Council which are consistent with the objective of the zone.”
  3. Insert the following provisions into Clause 4.0 such that they apply to Pt Location 4177 only:
    - 4.0 Building Design, Setbacks, Materials and Colour.
    - 4.1 All building constructed within the zone shall be sympathetic to existing landscape elements (namely landform and vegetation) in terms of their location, scale, height, building materials and colour.
    - 4.2 A building is not to be within 20 metres of any lot boundary unless, where the topography or shape of the lot of flora thereon determine otherwise, the Council approves a lesser distance and if it does, a person shall not construct or erect or commence to construct or erect a building within the distance approved by the Council.
    - 4.3 Buildings shall be sited to allow a “low fuel buffer”, not less than 20 metres wide, which does not encroach into remnant vegetation as designated on the Subdivision Guide Plan.
    - 4.4 All dams require the approval of Council prior to construction. Dams should be sited and designed to avoid visual impact from surrounding roads to the satisfaction of Council.

- 4.5 A dwelling house shall have an internal floor dimension of no less than 80m<sup>2</sup>.
- 4.6 Dwellings and outbuildings shall be designed and constructed of materials which allow them to blend into the landscape of the site. Council will be supportive of walls and roofs with natural tonings in keeping with the amenity of the area, however Council shall refuse to approve walls and roofs constructed of reflective materials such as unpainted Zinalume and off white colour.
- 4.7 All residential buildings shall be single storey, except where it can be proven to Council that a variation to the height restriction would not adversely affect the visual amenity of the locality.
- 4.8 Proposals to vary the height restrictions pursuant to 4.7 above shall be accompanied by such plans, elevations and sketches as Council determines necessary to assess the effect on visual amenity and natural screening effect of vegetation, topography or any proposed landscaping.
- 4.9 Fencing shall be of rural construction to the satisfaction of Council.
4. Deleting clauses 5 and 6 and incorporate the following:
  - 5.0 Keeping of Livestock/Animals
    - 5.1 Intensive agricultural pursuits such as piggeries, feed lotting, poultry farms are not permitted. The keeping of livestock shall be restricted to fenced pastured areas of the lot. The owner shall be responsible for the maintenance of stock proof fencing to protect remnant vegetation and revegetation areas. Animal numbers shall not exceed the stocking rates recommended by Agriculture WA. The keeping of animals shall not result in the removal or damage of vegetation and trees or result in soil degradation and dust nuisance.
    - 5.2 Where, in the opinion of Council, the continued presence of animals on any portion of land is likely to contribute, or is contributing to the dust nuisance or soil degradation, notice may be served on the owner of the land, requiring immediate removal of those animals specified in the notice.
    - 5.3 Where notice has been served on a landowner in accordance with clause 5.2, the Council may also require the land to be rehabilitated to its satisfaction within three (3) months of serving the notice.
    - 5.4 In the event that such action is not undertaken, Council may carry out such works as are deemed necessary, with all costs being borne by the landowner.
  - 6.0 Horticulture
    - 6.1 Applications for approval for horticulture within the area shall be accompanied with a management plan which details the extent of the proposed development, application of fertilisers, use of sprays and ways in which potential impact on adjoining landowners are to be managed. Bird scaring devices such as gas guns/cannons shall not be permitted.
    - 6.2 In exercising its discretion in relation to horticultural uses, Council should be satisfied that the land use does not involve excessive nutrient application or land clearing and does not give rise to potential nuisance to adjoining or nearby residents.
    - 6.3 Council approval is required for dams and they shall be sited and constructed so that they do not represent a threat to housing or development downstream or create an adverse visual impact.
  - 9.0 Bed and Breakfast Accommodation, Café & Tearooms
    - 9.1 In assessing application for bed and breakfast accommodation and café/tearooms, Council may limit the number of such developments within each street in order to ensure associated traffic does not affect the amenity of other residents.
  - 10.0 Effluent Disposal
    - 10.1 On-site effluent disposal shall be the responsibility of the individual landowner.

The disposal of liquid and/or solid wastes shall be carried out with an effluent disposal system approved by Council and the Health Department of WA. Systems shall be designed and located to minimise nutrient export and/or release into any waterway or groundwater.
5. Delete the following words from Clause 7.0:

“notwithstanding the provisions of Clause 3.5 (e)”.
6. Add Clause 11.00, as follows:
  - 11.0 Bushfire Management Control
    - 11.1 The subdivider shall make arrangements to the satisfaction of Council to ensure that prospective purchasers are aware of the fire management guidelines of the Homeowners Bushfire Survival Manual and the Australian Standard 3959 “Construction of Buildings in Bushfire Prone Areas.”
    - 11.2 Council may request the Western Australian Planning Commission to impose a condition at the time of subdivision for the provision of a water supply for fire fighting purposes.

7. Add Clause 12.0, as follows:

12.0 Notification of Prospective Owners

Provision shall be made to Council's satisfaction to ensure prospective purchasers of land within the Mount Barker Hill Rural Residential Zone Area No. 1:

- i) Are given a copy of these Special Provisions prior to entering into an agreement to acquire a property; and
  - ii) Acknowledge that horticultural uses may be permitted in Rural Residential Zone Area No. 1 and that these uses may have adverse impacts on rural residential uses.
- iv) Amending the Scheme Maps accordingly.
