### Call for Public Submissions

The Western Australian Planning Commission is considering proposals to amend the Metropolitan Region Scheme for land in the City of Swan and Shire of Mundaring. Public comment is invited.

#### Purpose

The purpose of these proposed amendments would be to give effect to a number of changes to zones and reservations of the Metropolitan Region Scheme. The individual proposals are contained within four Amendments as listed below.

**No. 1043/33—Helena River Parks and Recreation Link, Hazelmere:** The amendment proposes to transfer portions of lots adjacent to the Helena River in Hazelmere from the Rural zone to the Parks and Recreation reservation. This will allow the completion of a Parks and Recreation reservation link from the Swan River to Midland. (City of Swan)

**No. 1044/33—Addition to Urban Zoning, Helena Valley Road, Helena Valley:** The amendment proposes to transfer approximately 70 hectares of land in Helena Valley from the Rural to the Urban zone. The land was identified in the 1992 Foothills Structure Plan as suitable for future urban purposes and adjoins existing residential estates. Transfer to the Urban zone will allow for residential and other compatible uses. (Shire of Mundaring)

**No. 1048/33—Addition to Urban Zoning, West Parade, South Guildford:** The main purpose of the amendment is to transfer approximately 23 hectares of land in South Guildford from the Rural zone to the Urban zone. The land adjoins existing residential estates and has good access to most urban services. The major constraint to development in the past has been the location of a poultry farm on one of the subject lots. There is a proposal to remove the poultry farm on the basis of Urban zoning. (City of Swan)

**No. 1049/33—Disability Services Commission Property, Market Street, Guildford:** The amendment proposes to transfer land in Market Street, Guildford from the Public Purposes (Special Use) reservation to the Urban zone. The Property is surplus to the Disability Services Commission's needs and transfer to the Urban zone would allow the Commission to dispose of the property. (City of Swan)

Full details of each proposal can be found in the Commission's explanatory *Amendment Report*. All four Amendments are published under one cover.

Copies of the plans and the *Amendment Report* will be available for public inspection from Tuesday 12 February 2002 to Friday 17 May 2002 at each of the following places—
