Declaration of Planning Control Area No. 65

North West Corner of Roe Highway &amp; Great Eastern Highway Interchange

*Shire of Mundaring*

File: 835/2/27/3

**General Description**

The Hon Minister for Planning and Infrastructure has granted approval to the declaration of a Planning Control Area over land at the junction of the Roe Highway and Great Eastern Highway in Midvale as shown on Western Australian Planning Commission Plan No. 3.1664.

**Purpose of The Planning Control Area**

The purpose of the Planning Control Area is to protect land until details are finalised for the future carriageway interchange at the intersection of Roe Highway and Great Eastern Highway. The Planning Control Area will ensure that no further development occurs on this land until it may be reserved for the purpose of Primary Regional Roads in the Metropolitan Region Scheme.

**Duration and Effects**

The declaration remains in effect for a period of five years from the date of publication of this notice in the *Government Gazette* or until revoked by the Western Australian Planning Commission with approval by the Minister, whichever is the sooner.

A person shall not commence and carry out development in a Planning Control Area without the prior approval of the Western Australian Planning Commission. The penalty for failure to comply with this requirement is \$2,000 and, in the case of a continuing offence, a further fine of \$200 for each day during which the offence continues.

Compensation is payable in respect of land injuriously affected by this declaration, and land so affected may be acquired by the Western Australian Planning Commission in the same circumstances and in the same manner as if the land had been reserved in the Metropolitan Region Scheme for a public purpose.
