BUSH FIRES ACT 1954

Shire of Greenough
BUSH FIRE CONTROL

Notice to All Owners and/or Occupiers of Land in the Shire of Greenough

Pursuant to the powers contained in Section 33 of the above Act, you are required on or before the sixth (6th) day of October 2002 and thereafter up to and including the first (1st) day of May the following year for ALL land within the Shire of Greenough; or within fourteen (14) days of the date of your becoming an owner or occupier of land, to install a firebreak clear of all flammable material in accordance with the following—

- 1. Where the area of land is 0.4 ha or less, all flammable material on the land shall be removed from the whole of the land or slashed to a height not exceeding 7.5 centimetres. The blocks must not be ploughed or rotary hoed.
- 2. Where the area of land is greater than 0.4ha and less than 5ha mineral earth firebreaks are to be installed as close to the external boundaries of the land as practicable.
- 3. Where the area of land is over 5ha mineral earth firebreaks are to be installed within 20 metres inside and along the whole of the external boundaries of the land.
- 4. In SPECIAL RURAL areas where the size of a block is greater than 0.4ha and less than 5ha slashing of the entire block to height not exceeding 7.5 centimetres may be accepted as sufficient firebreak depending on the circumstances. Any such variation is to be authorised by the Chief Bush Fire Control Officer.
- 5. Mineral earth firebreaks are to be installed around and within 20 metres of the perimeter of each building, haystack and any standing crop on lands in paragraph (3) so as to completely enclose thereof with such a firebreak.
- 6. Where any lands in paragraph (3) adjoin a road within such lands, mineral earth firebreaks are to be installed along the common boundary of such lands and such roads.
 - Please Note: Firebreaks must be a minimum of 2.4 metres in width and have a minimum overhead clearance of three (3) metres.
- 7. In addition to any firebreaks required in paragraphs (1), (2), (3) (4) (5) and (6) herein, you shall clear off all flammable material from the whole of the land occupied by drums used for storage of flammable liquid, whether the drums contained flammable liquid or not, including any land on which ramps for holding the drums are constructed, and an area outside the land so occupied to a distance of not less than three (3) metres.

If it is considered impracticable for any reason to clear or remove flammable material from the land in Rural areas as required by the Notice, you may apply to Council or its duly Authorised Officer, no later than 15th September 2002 for permission to provide firebreaks in alternative positions or to take alternative action to abate the fire hazard on the land. If permission is not granted by Council or its duly Authorised Officer, you are to comply with the requirements of the Notice.

Flammable materials are defined for the purposes of this Notice to include bush, dry grasses, timber, boxes, cartons, paper and similar flammable materials, rubbish and also any combustible matters, but does not include green standing trees, or growing bushes and plants in gardens or lawns.

The penalty for failing to comply with this Notice is a fine not exceeding one thousand dollars (\$1,000) or an on the spot fine of \$100, and a person in default is liable, whether prosecuted or not, to pay the cost of performing the work directed in this Notice if it is not carried out by the owner or occupier by the date required by this Notice. If the requirements of this Notice are carried out by burning such burning must be in accordance with the relevant provisions of the Bush Fires Act.

Firebreaks must be installed on or before the sixth (6th) day of October 2002, maintained clear of flammable materials up to and including first (1st) day of May the following year.

By Order of Council,

28 August 2002

W. T. PERRY, Chief Executive Officer, PO Box 21, Geraldton WA 6531.
