BUSH FIRES ACT 1954

Shire of Lake Grace

FIREBREAK NOTICE

Notice to all Owners and Occupiers of Land in the Shire of Lake Grace

Pursuant to the powers contained in section 33 of the above Act, you are hereby required on or before the first day of November up to and including the 31st day of March the following year, to have a firebreak clear of all inflammable material in accordance with the following—

(i) RURAL LAND

1. a) Immediately inside all external boundaries of the property or as is practicable, firebreaks of not less than 3 metres wide and
- b) Where buildings, haystacks, fuel ramps, fuel tanks and stored fuel drums are situated on land, firebreaks of not less than 2.5 metres wide within 33.5 metres of the perimeter of such buildings, haystacks, fuel ramps, fuel tanks and stored fuel drums in such manner as to completely encircle the buildings, haystacks, fuel ramps, fuel tanks and stored fuel drums and;
2. Where land is in crop and adjoins the railway line reserve a firebreak of not less than 3 metres wide encircling the crop and;
3. a) Immediately surrounding an aerial landing ground situated on the land a firebreak of not less than 6 metres wide and;
- b) Any aerial landing ground used as the motor start up, refuelling and maintenance area to be completely cleared of all flammable materials for a radius of 18 metres and;
4. Maintain clear of all flammable materials all townsite blocks and;
5. Where bush or land has been bulldozed, chained or prepared in any similar manner for clearing by burning (whether intended to burn the bush or not), provide a firebreak of NOT LESS THAN 13 METRES WIDE inside the external boundaries of the land so prepared. If you become owner or occupier of land after the first day of November, 2001, the requirements of this notice are varied so as to require you to comply with the terms of this notice within fourteen days of the date of your becoming owner or occupier of such land, instead of on or before the first day of November, 2001. The firebreaks required by this notice are to be maintained clear of flammable materials up to and including the 31st day of March, 2002.
6. A readily mobile operational fire fighting unit containing a minimum of 400 litres of water on standby and available for inspection is required during the period 1st November to 31st March.

(ii) TOWN LAND

1. Where the area of the land is 0.202 hectares (half an acre) or less all inflammable material on the land shall be removed from the whole of the land; and
2. Where the land exceeds 0.202 hectares (half an acre) in area, firebreaks at least 2 metres wide shall be cleared of all inflammable material immediately inside all external boundaries of the land and also immediately surrounding all buildings situated on the land.

GENERAL

If it is considered to be impracticable for any reason to clear firebreaks or to remove inflammable material from land or any other provisions required by this notice you may apply to the Council or its' duly authorised officer not later than 30th October, for permission to provide firebreaks in alternative positions or to take alternative action to abate fire hazards on the land. If permission is granted by Council or its' duly authorised officer, you shall comply with the requirements of this notice.

"Inflammable Material" is defined for the purpose of this Order to include bush (as defined in the Bush Fires Act), timber, boxes, cartons, paper and like inflammable materials, rubbish and also any combustible matter, but does not include green standing trees or growing bushes and plants in gardens, or lawns.

The penalty for failing to comply with this notice is a fine of not more than \$1,000 or a penalty of \$100 may be incurred by issue of an infringement notice, and a person in default is also liable, whether prosecuted or not, to pay the cost of performing the work directed in this notice if it is not carried out by the owner or occupier before the date required by this notice.

If the requirements of this notice are carried out by burning, such burning must be in accordance with the relevant provision of the Bush Fires Act. A permit to burn is required during the restricted burning period from an authorised officer. Permits are not valid on Sundays or public holidays.

By Order of the Council,

NEVILLE HALE, Chief Executive Officer.

October 2002.

PROHIBITED AND RESTRICTED BURNING TIMES

Restricted Burning Times—

15th September 2002-31st October 2002

1st February 2003-15th March 2003

Prohibited Burning Time—

1st November 2002-31st January 2003

HARVEST BANS AND MACHINERY MOVEMENT BANS

The following is a set of definitions and guidelines developed to permit the delivery and removal of farm produce when harvest and vehicle movement bans are imposed by the Shire of Lake Grace.

1. DEFINITIONS

The following definitions shall apply to the guidelines on the ban of vehicle and machinery movement and the operation of internal combustion engines under Regulation 38A and 38B of the Bush Fires Act—

Laneway/Roadway (non gazetted)

A laneway/roadway is defined as having a trafficable surface, free of all inflammable material, a minimum of four metres wide. Overhanging vegetation has to be pruned back as to not come into contact with parts of a vehicle.

Registered On and Off Loading Area

A registered On and Off Loading area is defined as an area free of inflammable material, save live standing trees to a radius of 50 metres from the centre of the area—application forms are available from the Shire Office.

Mobile Fire Fighting Unit

A mobile fire fighting unit is defined as having a minimum water carrying capacity of four hundred (400) litres, fitted with a minimum of twenty (20) metres of nineteen (19) millimetre diameter fire fighting hoses and pump capacity of delivering water through an adjustable nozzle in the spray and jet configurations.

Harvest Ban

A ban on the operation of all grain harvesting machines within the Shire of part of the Shire and during a time, as specified in a notice or broadcast (Reg 38A).

A Ban on the Movement of all Vehicles and Machinery and the Operation of Internal Combustion Engines

A ban on the movement of all vehicles and machinery and the operation of internal combustion engines within the Shire or part of the Shire and during a time as specified in a notice or broadcast (Reg 38A & 38B) with the exception of the movement of vehicles and machinery on constructed and gazetted roads and laneways.

2. PERMITTED ACTIVITIES

The following activities are permitted provided these comply with specified conditions—

1. Loading and off-loading of grain, fertilizer and feed is only permitted on sites which are approved and registered by Council on an annual basis and which are clear of all inflammable material save live standing trees to a radius of at least 50 metres. A mobile fire-fighting unit shall be in attendance at all time the site is in use during the ban period.
2. Water carting for stock and domestic purposes provided it is accompanied by a mobile fire-fighting unit or, alternatively, the water carting vehicle acts as the mobile fire-fighting unit and meets minimum specifications (this also requires the retention of 400 litres of water at all times).

3. All necessary travel to and from and within piggeries, sheep or cattle feed lots, provided this is undertaken with a mobile fire-fighting unit in attendance.
4. All necessary carting of livestock, provided that such a vehicle is accompanied by a mobile fire-fighting unit.
5. Activities which received specific exemptions from Council or a Chief Bush Fire Control Officer.

3. CHRISTMAS DAY

A Harvest Ban and a ban on the movement of all vehicles and machines and the operation of internal and combustion engines is imposed on Christmas Day each year.

All other activities or operations may only be undertaken during Total Vehicle and Machinery Movement Bans and Bans on the Operation of Internal Combustion Engines after approval has been granted by Council. Approval has to be sought on an individual basis. Approval may be subject to specified conditions. It should be noted that approval may not be granted.
