2. If a development application is made under this scheme for land within the Development zones created by Amendment 57 and listed in table 1, the Council shall—

- have regard to the provisions of sub-clause (a),
- have regard to the potential contamination associated with prior land use of the area, and
- forward any substantial development applications to the Land and Water Quality Branch (LWQB) of the Department of Environmental Protection with regard to (b) below.

- (d) Without limiting the Council's discretion under 1. above, a development shall be regarded as substantial where there is proposed to be a change in land use or the disturbance of a volume of soil greater than or equal to 25 cubic metres. This provision does not include routine maintenance or upgrade works by a public authority or a local government authority.
- (e) Where an application is forwarded to the DEP under 1. above, the proposal shall be accompanied by a Detailed Site Investigation to the standards prescribed by the DEP Land and Water Quality Branch. The DEP shall review the application with regard to the potential for ecological and/or human health related risk, and may request the Council to impose conditions upon any approval to be issued by the Council for the development to address any contamination prior to development. Where remediation is required the Council shall impose a condition on the development approval requiring the submission of a Site Management Plan and a Post-Remediation Validation Report.
- (f) 1. and b) above shall not apply where a development application is submitted for approval to demolish a building so as to enable works relating to the subdivision of the land on which the building is located to proceed.

C. Amending the Scheme map accordingly and by placing within the boundaries of the proposed Development zones, "DP 16".

P. TAGLIAFERRI, Mayor.
R. GLICKMAN, Chief Executive Officer.
