11. CHAIRMAN TO PRESIDE

11.1 The Chairman shall preside at all meetings of the Council but in absence of the Chairman, the Deputy Chairman shall preside.

11.2 In the absence of the Chairman and Deputy Chairman, the Council shall choose by resolution a Chairman from the representatives present to preside at that meeting.

12. QUESTIONS

Any representative seeking to ask a question at any meeting of the Council shall direct the question to the Chairman.

13. REPRESENTATIVES TO ADDRESS THE CHAIRMAN

A representative moving or seconding a motion or amendment or taking part in a discussion thereon shall address the Chairman.

14. POINT OF ORDER

A representative who is addressing the Chairman shall not be interrupted except on a point of order, in which event the representative shall wait until the representative raising the point of order has been heard thereon and the question of order has been disposed of, whereupon the representative so interrupted may, if permitted, continue.

15. MOTION—SUBSTANCE TO BE STATED

A representative seeking to propose a motion or amendment shall state its substance before addressing the meeting thereon and, if so required by the Chairman, shall put the motion or amendment in writing.

18. CHAIRMAN MAY CALL TO ORDER

The Chairman shall preserve order, and may call any representative to order when holding an opinion that there shall be cause for so doing.

19. RULING BY CHAIRMAN

The Chairman shall decide all questions of order or practice, whose decision shall be final and be accepted by the Council without argument or comment unless in any particular case the Council shall thereupon resolve that a different ruling shall be substituted for the ruling given by the Chairman. Discussions shall be permitted on any such motion.

20. LIMITATION OF SPEECHES

20.1 A representative shall not speak upon any motion or amendment or in reply for a longer period than five (5) minutes without consent of the Council, which shall be signified without debate.

20.2 No representative shall speak more than once on any motion unless in exercising a right to speak in closing the debate on a motion which the representative has moved.

21. RESOLUTIONS

21.1 Except as otherwise provided in these Standing Orders or the Constitution, all motions concerning the affairs of the Council shall be passed by a simple majority.

21.2 Any matter considered by the Council at a Special Meeting shall not be passed unless having received an absolute majority.

21.3 Subject to the Constitution, the following motions shall not be passed unless they receive a special majority of not less than 75%—

- (a) any addition, amendment, withdrawal, modification or substitution to, of or in the powers of the Association; or
- (b) any allocation or change in allocation of any representation or voting rights on the Council.

21.4 The annual budget, including annual subscriptions, shall not be adopted unless passed by an absolute majority.

22. NO DISCUSSION

Where there is no discussion on a motion the Chairman may deem the motion to be passed unless the meeting resolves otherwise.

23. PERMISSIBLE MOTIONS DURING DEBATE

23.1 When a motion is under debate, no further motion shall be moved except the following—

- (a) that the motion be amended;
- (b) that the meeting be adjourned;
- (c) that the debate be adjourned;
- (d) that the question be now put;
- (e) that the meeting proceed with the next business;
- (f) that the meeting sits behind closed doors.

23.2 Any representative who has not already spoken on the subject of a motion at the close of the speech of any other representative may move without notice any one of the motions listed in clause 23.1 (b)-(f) and, if the motion is seconded, it shall be put forthwith.

23.3 When a debate is adjourned, the representative who moves the adjournment shall be the first to speak on the motion when the debate is resumed unless the representative advises of no desire to speak on the motion. Where this occurs, the Chairman shall then call for further speakers.

24. METHOD OF TAKING VOTES

The Chairman shall, in taking a vote on any motion or amendment, put the question first in the affirmative, and then in the negative and may do so as often as is necessary to enable formation and declaration of an opinion as to whether the affirmative or the negative has the majority on the voices or by a show of hands.

25. DIVISION

The result of voting openly is determined on the voices or by a show of hands and, upon a vote being taken, a representative may call for a division.

26. WITHDRAWAL OF MOTION

A motion or amendment may be withdrawn by the mover, with the consent of the meeting, which shall be signified without debate. No representative may speak upon it after the mover has asked permission for its withdrawal, unless such permission shall have been refused.

27. ALL REPRESENTATIVES TO VOTE

27.1 At meetings of the Council, a representative present at the meeting when a question is put shall vote on the question.

27.2 Each representative shall be entitled to exercise one deliberative vote on any matter considered by the Committee.

27.3 In the event of there being an equality of votes in respect of a matter considered by the Council, the Chairman shall exercise a casting vote.

28. RESCISSION OF RESOLUTION

28.1 At the same meeting

Unless a great majority is required for a particular kind of decision under the Constitution (in which event that shall be the majority required), the Council may, by simple majority at the same meeting at which it is passed, rescind or alter a resolution if all the representatives who were present at the time the original resolution was passed are present in their seats when the rescission or alteration is proposed.

28.2 At a future meeting

Unless a greater majority is required for a particular kind of decision under the Constitution (in which event that shall be the majority required), the Council may rescind or alter a resolution made at an earlier meeting—

- (a) by simple majority, where the representative intending to move the motion has, through the Chief Executive Officer, given written notice of the

intended motion to each of the other representatives at least seven (7) days before the meeting; or

(b) by absolute majority, in any other case.

29. SUSPENSION OF STANDING ORDERS

29.1 In cases of urgent necessity or whilst the Council is sitting behind closed doors, any of these Standing Orders may be suspended on a motion duly made and seconded, but that motion shall not be declared carried unless a simple majority of the representatives voting on the question have voted in favour of the motion.

29.2 Any representatives moving the suspension of a Standing Order shall state the object of the motion, but discussion shall not otherwise take place thereon.

30. NO ADVERSE REFLECTION ON ASSOCIATION

A representative of the Council shall not reflect adversely upon a resolution of the Council, except on a motion that the resolution be rescinded.

31. NO ADVERSE REFLECTION ON REPRESENTATIVE

A representative of the Council shall not reflect adversely upon the character or actions of another representative nor impute any motive to a representative unless the Council resolves, without debate, that the question then before the Council cannot otherwise be adequately considered.

32. MINUTES

Minutes of meetings shall be permanently recorded and copies supplied to all representatives.

33. CONFIRMATION OF MINUTES

The minutes of any preceding meeting, whether ordinary or special, not previously confirmed shall be submitted at the next Ordinary Meeting of the Council and no discussion thereon shall be permitted except as to their accuracy as a record of the proceedings.

34. GENERAL BUSINESS

Where provided for in the Constitution, a representative may under general business introduce a motion relating to any item of interest to Regional Council, but not otherwise.

35. AMENDMENTS

These Standing Orders may be altered, added to or repealed subject to a resolution passed by not less than 75% of representatives present at a meeting of the Council. Copies of proposed alterations, additions or amendments shall be forwarded to all representatives by the Chief Executive Officer prior to the meeting.

 - (c) The Outline Development Plan must set out clearly the relationship between the environmental and geotechnical investigation results and the proposals for future use of land in the Development zoned area.
 - (d) Any proposal in the Outline Development Plan for future use of land in the Development zoned area must detail clearly the extent to which the environmental conditions outlined in the Minister for the Environment's Land Use Strategy for Bold Park and Environs (Statement 381) have been addressed and applied in any proposals for use of the land in that area.
 - (e) All environmental and geotechnical investigations and conclusions contained in the ODP must be carried out to the satisfaction of the Department of Environmental Protection.
- (7) The matters specifically referred to in subclauses 5 and 6 are not intended to be exhaustive of the matters which must be addressed in a proposed Outline Development Plan for the respective areas, and the Council may from time to time stipulate other matters which in the interest of orderly planning it will require to be included in or addressed in an Outline Development Plan relating to any part of SCA No. 1.
- (8) Nothing in this clause is intended to preclude the possibility of a single Outline Development Plan being prepared for both the Residential zoned area and the Development zoned area, provided that all of the requirements for an Outline Development Plan for each of those areas are addressed.
- Furthermore nothing in this clause is intended to preclude more than one Outline Development Plan being approved in respect of either the Residential zoned area or the Development zoned area provided that the Council is satisfied that all matters required to be addressed in Outline Development Plans for the respective areas are or will be addressed at an appropriate time and in an appropriate manner.
- (9) The only uses which are permitted or permissible in either the Residential zoned area or the Development zoned area are uses designated as permitted or permissible in an Outline Development Plan dealing with the Area in question.

4. Adding a new Schedule 7 as follows—

“SCHEDULE 7”

PROVISIONS FOR OUTLINE DEVELOPMENT PLANS

General Purpose of this Schedule

The purpose of this Schedule is to set out provisions for the preparation, adoption by the Council and endorsement of approval by the Commission of Outline Development Plans for the purpose of Part 7 of the Scheme.
