**BUSH FIRES ACT 1954**  
**FIREBREAK ORDER (SECTION 33)**

Notice to Owners and Occupiers of Land in the Shire of Mullewa

Pursuant to the powers contained in Section 33 of the above Act, you are hereby required on or before the 1st October 2004 to plough, scarify, cultivate, or otherwise clear and thereafter maintain free from all flammable material until 31st March 2005, firebreaks in accordance with the following:

**1. RURAL LAND**

Owners and Occupiers of lands, other than within a townsite, shall clear of all flammable material firebreaks of at least three (3) metres width as close as practicably possible inside and along the whole of the external boundary of their property or properties.

**2. TOWNSITE LAND**

Owners and Occupiers within a townsite shall—

- (a) Clear of all flammable material the whole of the area where;
  - (i) The area of the land is 2023 square metres or less or,
  - (ii) The land is used for storage of flammable liquids, or
  - (iii) There is a hotel situated thereon.
- (b) If the area of land exceeds 2023 square metres (half an acre)—
  - (i) Clear of all flammable material firebreaks at least two (2) metres wide immediately inside all external boundaries of the land, or
  - (ii) Have the grass mown to a height of not more than 50mm over the whole of the land, except where the land is used for the storage of flammable liquids.

**3. HOMESTEADS, BUILDING, HAYSTACKS, STACKS OF FODDER, BULK FUEL, DRUMS AND LIQUID PETROLEUM**

Owners and Occupiers of land shall—

During the period from 1st day of October, 2004 to the 31st day of March 2005, inclusive, have firebreaks at least three (3) metres wide in such positions as are necessary to completely surround the perimeter of any homestead, building, fuel installation (including drums), haystack (where such a haystack is situated within 200 metres of any homestead, building, fuel installation) or group of such structures or installations.

**4. HARVESTING**

A fully operational mobile fire-fighting unit complete with a container with at least 400 litres minimum capacity of water is to be readily available to any paddock being harvested. A fully operational plough, tillage or cultivator equipment is to be readily available, and in close proximity, to any paddock being harvested. The responsibility to supply these units being that of the landholder.

**5. GENERAL INFORMATION**

*If for any reason it is considered impractical to comply with any provision of this notice, a written application for a variation may be made to the Shire Council and must reach the Chief Executive Officer by the 30th day of September 2004. Any such application must bear the signature of the Fire Control Officer of the area signifying his agreement to the variation.*

*If permission for variation is not granted, the terms of this notice must be complied with, or as the Council directs.*

**6. REGISTRATION**

It is in the interest of all residents to be registered members of the Bush Fire Brigade covering the area in which they own land. Membership of a Brigade is the safest way to ensure cover under the Shire's Fire Insurance Policy which covers personal injury and damage to equipment resulting from fighting bush fires under the direction of a Fire Control Officer.

Flammable material is defined for the purpose of this order to include bush (as defined in the Bush Fire Act), boxes, cartons, paper and like flammable materials, rubbish and also combustible matter, but does not include green standing trees or growing bushes or plants in gardens or lawns.

The penalty for failing to comply with this notice is a fine of \$250 by infringement notice or not more than \$5000 if prosecuted, and a person in default is also liable, whether prosecuted or not, to pay the cost of performing the work directed in this notice if it is not carried out by the owner or occupier by the date required by this notice.

By order of the Council,

GRAHAM S. WILKS, Chief Executive Officer.

LG501\*

**BUSH FIRES ACT 1954**

*Shire of East Pilbara*

**FIREBREAK NOTICE**

Notice to all Owners and/or Occupiers of land within the Shire of East Pilbara

Pursuant to the powers contained in Section 33 of the Bush Fires Act 1954, notice is hereby given to all owners and/or occupiers of land within the Shire of East Pilbara, that owners and/or occupiers of land are required to carry out fire prevention/mitigation works in accordance with this notice on land owned or occupied by them by the 30th October 2004. All works required by this Notice shall be maintained all year round.

(1) **Land in Townsites**

- 1.1 where the area of land is 2000 square metres (approximately ½ an acre) or less, all flammable material shall be reduced over the whole of the land.
- 1.2 where the area of land exceeds 2000 square metres, firebreaks of at least three metres in width should be cleared of all flammable material immediately inside and along the boundaries of the land. Where there are buildings on the land additional firebreaks three metres in width shall be cleared immediately surrounding each building.

(2) **Land outside Townsites**

- 2.1 Two firebreaks should surround all buildings on land that is outside townsites. Not less than two metres wide and cleared of all flammable material. The inner firebreak is to be not more than twenty metres from the perimeter of the building or group of buildings and the outer firebreak not less than 100 metres from the inner firebreak.
- 2.2 The fuel load must be reduced from the whole of the land between the firebreaks as required in paragraph 1.1 above.

If it is considered impractical, for any reason to construct firebreaks and/or reduce the flammable fuel load as required by this notice, you may apply to the Council or its duly authorised Officer for permission to provide firebreaks in alternative positions or take alternative action to remove or abate fire hazards. If permission is not granted by Council or its duly authorised officer you must comply with the requirements of this notice. Approval may only be granted up to and before the 30th October in any year. If approval is not granted then the owner/or occupier shall comply with the requirements of this Notice.

*"Flammable material" does not include green growing trees or green growing plants in gardens.*

If the requirements of this notice are carried out by burning, such burning must comply with the relevant provisions of the Bush Fires Act.

The penalty for failing to comply with this notice is a fine of up to \$5000. A person in default is also liable, whether prosecuted or not, to pay the cost of performing the work directed in this notice, if it is not carried out by the owner or occupier by the date required by this notice.

**There is a restricted burning period all year round throughout the Shire of East Pilbara.**

ALLEN COOPER, Chief Executive Officer.

**BUSH FIRES ACT 1954**

*City of Swan*

**FIREBREAK ORDER**

Notice to Owners and/or Occupiers of Land within the City of Swan

Pursuant to Section 33 of the Bush Fires Act 1954 you are hereby required on or before the **2 November, 2004**, or within 14 days of the date of you becoming owner or occupier should this occur after **2 November 2004**, to remove from the land owned or occupied by you, all inflammable material or to clear firebreaks in accordance with the following requirements, and thereafter to maintain the land or the firebreaks clear of inflammable material up to and including the **31st day of March, 2005**.

## GENERAL

1. Where the area of land is less than 100 hectares, clear and maintain firebreaks **at least 3 metres wide** immediately inside all external boundaries of the land and immediately surrounding all buildings on the land.
2. Where the area of land is greater than 100 hectares, clear and maintain firebreaks—
  - (a) **at least 3 metres wide** immediately inside all external boundaries of the land and immediately surrounding all buildings on the land, and
  - (b) **at least 3 metres wide** in such a position so as to divide the land into the areas not exceeding 100 hectares, with each area to be enclosed by such a firebreak.

## FUEL DUMPS

On all land where fuel drum ramps are located and where fuel dumps, whether containing fuel or not, are stored, clear and maintain a firebreak **at least four metres wide** around any drum, ramp or stack of drums.

## HAY STACKS

Clear and maintain a firebreak **at least 3 metres wide** completely surrounding any haystack on the land, within 60 metres of the haystack.

## PINE PLANTATIONS

1. Clear and maintain a firebreak **at least 10 metre wide**—
  - (a) immediately surrounding any area of land on which pine trees are planted,
  - (b) along the boundary of those portions of pine plantations which adjoin a formed public road; and
  - (c) in such positions so that the area of pine plantation bounded by each firebreak does not exceed 200 hectares.
2. Clear and maintain firebreaks at least 6 metres wide (including the firebreaks referred to in (a) above) in such positions so that the area bounded by each firebreak does not exceed 25 hectares.

In addition, to the firebreaks required by this notice, pine plantations traversed by Western Power transmission lines have additional obligations under the State Energy Commission Act.

## BURNING

The requirements of this notice to provide a firebreak, other than an alternative or strategic firebreak may be carried out by burning. That burning must be in accordance with the relevant provisions of the Bush Fires Act 1954.

## ALTERNATIVE FIREBREAKS

1. (a) Should you consider it to be impracticable for any reason to clear firebreaks or remove inflammable material from the land as required by this notice, you may apply to the Council **in writing** on or before the **15 October, 2004**, for permission to provide firebreaks in alternative positions or to take alternative action to abate fire hazards on the land. If permission is not granted **in writing** by the Council prior to **2 November 2004**, you shall comply with the requirements of this notice
- (b) When written permission to provide alternative firebreaks has been granted, you shall—
  - (i) comply with all conditions endorsed on the permit.
  - (ii) provide firebreaks **at least 3 metres wide** in the agreed position(s) on the land.
2. (a) Where the Council has, in writing, approved a Fire Management Plan and the Fire Management Plan depicts an array of alternative firebreaks, an owner may as an alternative to the construction of a general firebreak, elect to provide the alternative firebreak depicted on the Bushfire Management Plan. However, where the alternative firebreak is not constructed by the date required by this notice, the general firebreak requirements shall apply.
- (b) Any alternative firebreak provided for under (c) above shall be of the same width requirements as that applicable to a general firebreak but shall be limited to the extent and location depicted on the Bushfire Management Plan.

## STRATEGIC FIREBREAKS

- (a) Where, under an agreement with the Council, or where depicted on an approved Bushfire Management Plan, strategic firebreaks are required to be provided on the land you are required to clear and maintain firebreaks at least **6 metres wide** in the agreed position.
- (b) Strategic firebreaks shall be graded to provide a continuous trafficable surface (suitable for 4 wheel drive vehicles) at least **4 metres wide** unimpeded by obstructions including boundary or dividing fences unless fitted with approved gates.

## FIREBREAK CONSTRUCTION

Without affecting the generality of any other provision herein requiring trafficable firebreaks, all firebreaks required by this order on properties greater than 5 hectares in area shall be constructed and maintained in a condition trafficable by 4 wheel drive vehicles. Overhanging trees abutting firebreaks shall be pruned to minimise accumulation of litter and to allow unimpeded access to vehicles up to 4 metres high.

CLIFF FREWING, A/Chief Executive Officer.
