EXEMPTION CERTIFICATE PURSUANT TO REGULATION 2.13**

(No. 38 of 2004)

I, Nina Lyhne, WorkSafe Western Australia Commissioner, hereby grant an exemption to Katrina Vernon Lavers and Jonathan Paul Burt T/A Skadada (hereafter known as Skadada) from the requirements of the following regulations of the Occupational Safety and Health Regulations 1996—

- Regulation 4.53(2)(a) through to Regulation 4.53(2)(e), inclusive; and
- Regulation 4.54(4)(c) insofar as it relates to the requirements of Section 6.18 of AS 2550.1–2002

insofar as the above require a person/s suspended from a crane to be accommodated in a workbox, and the requirements therefore in relation to suspending aerial performers from two cranes during a performance on 31 December 2004 at the corner of James Street and Parker Street, Northbridge for the New Year's Eve Northbridge Celebrations.

I further grant an exemption from Regulation 4.54(7)(b) in relation to the trapeze act and the use of two cranes for multi-crane hoisting to suspend two persons between the cranes.

I also grant an exemption from the requirements of Regulation 4.54(3) in relation to the use of a crane in the abovementioned technical rehearsal and performance.

The following conditions shall apply with respect to use of the cranes—

- notwithstanding that Section 6.18.2 of Australian Standard AS2550.1 refers to use of a workbox, from which requirement Skadada is exempted, the requirements for the cranes listed in clauses (a) to (h) of 6.18.2 shall still apply;
- the crane operators shall remain at the controls of the crane at all times during the performance;
- the only crane motion permitted whilst a person is suspended from the crane hooks is hoist up or down at slow speed;
- a means of lowering the persons in the event of an emergency or failure of the power supply to the cranes is provided; and
- a certificated dogger or rigger oversees the attachment of the lifting gear to the crane hooks.

This exemption is valid on 31 December 2004 only.

Dated this 4th day of November 2004.

NINA LYHNE, WorkSafe Western Australia Commissioner.
