##### **BUSH FIRES ACT 1954**

##### **FIREBREAK ORDER**

##### Notice to Owners and Occupiers of Land in the Shire of Mullewa

Pursuant to the powers contained in Section 33 of the above Act, you are hereby required on or before the 1st October 2005 to plough, scarify, cultivate, or otherwise clear and thereafter maintain free from all flammable material until 31st March 2006, firebreaks in accordance with the following—

##### **1. Rural Land**

Owners and Occupiers of lands, other than within a townsite, shall clear of all flammable material firebreaks of at least three (3) metres width as close as practicably possible inside and along the whole of the external boundary of their property or properties.

**2. Townsite Land**

Owners and Occupiers within a townsite shall—

- (a) Clear of all flammable material the whole of the area where—
  - (i) The area of the land is 2023 square metres or less or,
  - (ii) The land is used for storage of flammable liquids, or
  - (iii) There is a hotel situated thereon.
- (b) If the area of land exceeds 2023 square metres (half an acre)—
  - (i) Clear of all flammable material firebreaks at least two (2) metres wide immediately inside all external boundaries of the land, or
  - (ii) Have the grass mown to a height of not more than 50mm over the whole of the land, except where the land is used for the storage of flammable liquids.

**3. Homesteads, building, haystacks, stacks of fodder, bulk fuel, drums and liquid petroleum**

Owners and Occupiers of land shall—

During the period from 1st day of October, 2005 to the 31st day of March 2006, inclusive, have firebreaks at least three (3) metres wide in such positions as are necessary to completely surround the perimeter of any homestead, building, fuel installation (including drums), haystack (where such a haystack is situated within 200 metres of any homestead, building, fuel installation) or group of such structures or installations.

**4. Harvesting**

A fully operational mobile fire-fighting unit complete with a container with at least 400 litres minimum capacity of water is to be readily available to any paddock being harvested. A fully operational plough, tillage or cultivator equipment is to be readily available, and in close proximity, to any paddock being harvested. The responsibility to supply these units being that of the landholder.

**5. General Information**

If for any reason it is considered impractical to comply with any provision of this notice, a written application for a variation may be made to the Shire Council and must reach the Chief Executive Officer by the 30th day of September 2005. Any such application must bear the signature of the Fire Control Officer of the area signifying his agreement to the variation. If permission for variation is not granted, the terms of this notice must be complied with, or as the Council directs.

**6. Registration**

It is in the interest of all residents to be registered members of the Bush Fire Brigade covering the area in which they own land. Membership of a Brigade is the safest way to ensure cover under the Shire's Fire Insurance Policy which covers personal injury and damage to equipment resulting from fighting bush fires under the direction of a Fire Control Officer.

Flammable Material is defined for the purpose of this order to include bush (as defined in the Bush Fire Act), boxes, cartons, paper and like flammable materials, rubbish and also combustible matter, but does not include green standing trees or growing bushes or plants in gardens or lawns.

The penalty for failing to comply with this notice is a fine of \$250 by infringement notice or not more than \$5000 if prosecuted, and a person in default is also liable, whether prosecuted or not, to pay the cost of performing the work directed in this notice if it is not carried out by the owner or occupier by the date required by this notice.

By Order of the Council,

GRAHAM S. WILKS, Chief Executive Officer.

**WC401\*****WORKERS' COMPENSATION AND INJURY MANAGEMENT ACT 1981****CRITERIA FOR DESIGNATION AS AN APPROVED MEDICAL SPECIALIST**

The following criteria are applied by WorkCover WA when deciding whether a medical practitioner is suitable for designation as an approved medical specialist—

To be designated as an approved medical specialist, under to section 146F(1) of the *Workers' Compensation and Injury Management Act 1981*, a person must—

1. Be registered as a medical practitioner; and
2. Provide evidence of current clinical practice and/ or expertise in assessment; and
3. Have undertaken training in the WorkCover WA Education Module, which includes training in the WorkCover Guides; and
4.
  - (i) Undertaken training in the use of the American Medical Association Guides to the Evaluation of Permanent Impairment, or have current accreditation as a "Certified Independent Medical Examiner" with the American Board of Independent Medical Examiners (ABIME); or
  - (ii) Undertaken other training in impairment assessment approved by WorkCover WA.

The relevant training (as per 4 (i) or (ii) above) is to have been undertaken within a period of five years immediately prior to the date of designation; and

5.
  - (i) Have qualifications as a specialist; or
  - (ii) Be able to demonstrate competency levels acceptable to WorkCover WA.

Other (non-specialist) medical practitioners should note that in order to demonstrate the competency required, WorkCover WA will take into consideration an applicant's relevant skills, experience and qualifications. As a guide, WorkCover WA will review the extent to which a medical practitioner has—

- Significant work in a medical practice with consistent management and assessment of injured workers;
- Experience in undertaking medical assessments of injured workers;
- Relevant qualifications, for example ABIME exam certification or other similar qualifications related to medico-legal assessments or disability assessments.

Applications in this category will be considered on a case-by-case basis.

Mr. ADRIAN WARNER, Chief Executive Officer,  
WorkCover WA.
