Ref: 853/5/4/5 Pt 248

It is hereby notified for public information, that the notice under the above Amendment No.28 published at page 1969 of the *Government Gazette* No.95 dated 4 May 2007, contained errors which are now corrected as follows—

1. Rezoning Lot 56 Havoc Road, Warrenup from the 'Rural' Zone to the 'Special Residential' Zone No. 20 and the 'Parks and Recreation' Reserve.
2. Incorporating appropriate Scheme Provisions accordingly.

- 1.2 Building Envelopes shall be setback a minimum of 10 metres from the lot boundaries abutting public roads and 5 metres from all other lot boundaries. Council may approve a lesser distance when Council is of the opinion that the topography or shape of the lot or vegetation on the lot makes it desirable to vary this provision.
- 1.3 Where possible, buildings shall be sited to allow a "low fuel buffer" not less than 20 metres wide, which does not encroach into remnant vegetation or areas of tree/shrub planting as designated on the Subdivision Guide Plan.

5.0 BUILDING DESIGN, MATERIALS AND COLOUR

- 6.3 Council may request the Commission to impose a condition at the time of subdivision for the fencing of public open space areas.
- 6.4 Council may request the Commission to impose a condition at the time of subdivision for the preparation and implementation of a Landscaping Plan to cover tree/shrub planting, access, fencing and any invasive weed control impacting on public open space areas.
- 6.5 Additional tree planting may be required as a condition of development approval. Council may request the Commission impose a condition, at the time of subdivision, for a bond which will be rebated to future purchasers on completion of satisfactory tree/shrub planting.

8.0 EFFLUENT DISPOSAL

- 8.1 On-site effluent disposal shall be the responsibility of the individual landowner.
- 8.2 All lots shall utilize an amended soil or similar alternative type of effluent disposal system for the retention of nutrients.
- 8.3 No more than one effluent disposal system will be permitted on each lot.

- 9.1 Council may request the Commission to impose a condition at the time of subdivision for the construction of the strategic firebreaks as shown on the Subdivision Guide Plan.
- 9.2 The strategic firebreaks shall be constructed to a standard suitable for all year access by heavy duty fire appliances and two wheel drive vehicles.
- 9.3 Where a lot is traversed by a strategic firebreak as shown on the Subdivision Guide Plan, the owner of the lot shall maintain such firebreak to the satisfaction of Council. Fencing and/or unlocked gates across the strategic firebreak shall only be permitted at the discretion of and to the satisfaction of Council and Fire and Emergency Services.
- 9.4 Low fuel buffers, at least 20 metres wide shall be established and maintained around all buildings.
- 9.5 It shall be the responsibility of individual landowners to maintain free access at all times around buildings for emergency purposes.

9.6 Where strategic firebreaks connect with access roads, suitable measures will be taken to ensure non emergency vehicular traffic is precluded.

9.7 In cases where only part of the zone is developed, an interim fire break system or strategic fire break system shall be prepared and put in place, to the satisfaction of Council and Fire and Emergency Services.

10.0 ROAD UPGRADING, ACCESS AND DESIGN

10.1 Council may request the Commission to impose a condition at the time of subdivision for a contribution to the upgrading of Havoc Road/Henry Street.

10.2 Council may request the Commission to impose at the time of subdivision placement of reciprocal rights of access in favour of the City of Albany to allow the private access legs to be used to attend to maintenance issues within the drain.

10.3 Subdivision of Lots 1 to 4 will not be supported until direct legal road frontage is provided.

11.0 NOTIFICATION OF PROSPECTIVE OWNERS

11.1 Provision shall be made to Council's satisfaction to ensure prospective purchasers of land within Special Residential Zone Area No 20 are given a copy of these Special Provisions prior to entering into an agreement to acquire any property.

12 PUBLIC OPEN SPACE

12.1 At the time of subdivision to create any of the Lots 1 to 5 the western extent of the POS reserve is to be reviewed based on up to date flood and drainage information revealed within the Willyung Creek Flood Study, and/or any subsequent flood or drainage study.

Old copies of the *Government Gazette*

State Law Publisher is in the process of scanning all *Government Gazettes* (back to the first one ever published in the 1840's) with the intention of adding the archived copies to our existing on-line service.

We are looking for **donations** of any copies (pre 1994) that are no longer required by clients and would be appreciative of any assistance you can offer in this undertaking.

The scanning process requires single pages, therefore we need to trim the spine off each gazette, which unfortunately ruins the gazettes for future use.

Our preference is for unwanted copies, however, if a client requires their gazettes returned, State Law Publisher will reprint and replace individual editions. If a bound copy is supplied and is to be returned we will reprint all gazettes and arrange to have them rebound for the client.

The benefits of having all the gazettes and indices on-line and searchable will be enormous. This service should remove the need for clients to retain hard copies and will free up valuable storage space.

Barring any unforeseen delays, it should take around a month to scan each year and then release on our website.

Please contact John Thompson on 9426 0010 if you can assist by supplying editions of the *Government Gazette*. For large quantities we will arrange for them to be collected.
