“**permit**” means an interim managed fishery permit authorising a person to fish in the Fishery;

“**regulations**” means the *Fish Resources Management Regulations 1995*;

“**troll line**” means a handline that is towed by a boat.

5. Procedure before this plan may be amended or revoked

For the purposes of section 65 of the Act, all the permit holders of the Fishery are the persons to be consulted before this plan is amended or revoked.

PART 2—THE FISHERY**6. Identification and declaration of the Fishery**

(1) The Fishery to which this plan relates is the fishing for demersal scalefish by any means in the waters described in Schedule 1.

(2) The Fishery is an interim managed fishery, and may be referred to as the West Coast Demersal Scalefish (Interim) Managed Fishery.

7. Areas of the Fishery

The Fishery is divided into the Areas described in Schedule 2.

PART 3—PERMITS

8. Interpretation

In this Part—

“annual catch” means the weight of demersal scalefish that has been determined by the Department, on the basis of the relevant fishing returns for the relevant financial year, and which is recorded in the Department’s records as the whole weight of demersal scalefish that was taken in that year;

“average annual catch” means the average of the annual catches for those three financial years in the pre-benchmark or the post-benchmark period (as the case may be) in which the most demersal scalefish (whole weight) were recorded as having been taken;

“conversion rates” means the rates used from time to time by the Department’s Director of Fisheries Research to convert the weight of a part of a fish to a whole weight for Departmental recording purposes, being generally those rates specified in Appendix B, Ministerial Policy Guideline No. 14 except where—

- (a) a rate in Appendix B, Ministerial Policy Guideline No. 14 has superseded an earlier rate or where a rate has subsequently been superseded by a later rate, in which case that rate in regard to that fish applied at the relevant time; or
- (b) a rate in respect of a species of fish that was not specified in Appendix B, Ministerial Policy Guideline 14 was applied at the relevant time;

“financial year” means the period commencing on 1 July in any year and ending on 30 June in the following year, except for the period 1 July 1996 to 30 June 1998 where the financial years are to be—

- (a) the period commencing on 1 July 1996 and ending on 31 October 1997; and
- (b) the period commencing on 1 November 1997 and ending on 30 June 1998;

“fishing block” means an area of waters described as a fishing block and having a designated block number, as described in the instructions for use of, or explanatory notes to, the Catch and Effort Returns booklets issued by the Department and used from time to time for the purpose of submitting a fishing return;

“fishing history” means the information determined by the Department and recorded in the Department’s records on the basis of the fishing **returns** relating to the use of the **boat** licensed under the relevant **fishing boat licence**;

“fishing return” means a return—

- (a) in a form approved by the CEO under the relevant Act and from time to time for recording the catch of fish taken with the use of a fishing boat under a fishing boat licence and submitted under—
 - (i) regulation 64; or
 - (ii) Section 18 of the *Fisheries Act 1905*; and
- (b) received by the Department on or before 30 June 2004;

“open access line fishing methods” means fishing by line—

- (a) by a person fishing commercially from or in connection with the use of a licensed fishing boat, in accordance with the laws of the State regulating commercial fishing from time to time; and
- (b) that was not carried out under any limited entry fishery licence, managed fishery authorisation, exemption, or any other administrative or legislative exception to any prohibition that was an exception that applied, or purported to apply, to that person and did not also apply, or purport to apply, to all other persons;

“post-benchmark period” means the period from 1 November 1997 to 30 June 2003;

“pre-benchmark period” means the period from 1 July 1991 to 31 October 1997;

“whole weight” in relation to a demersal scalefish means the weight of the fish that, in accordance with the relevant conversion rate, has been determined by the Department and recorded in the Department’s records as the whole weight of the fish.

9. Certain fish to be regarded as demersal scalefish

In this Part—

- (a) mackerel of the genera *Scomberomorus*, *Grammatorcynus* and *Acanthocybium* that has not been, and cannot be, taken into consideration in connection with a conferral of entitlement under the *Mackerel Fishery (Interim) Management Plan 2004*; and
- (b) fish of the species specified in Schedule 3 as species managed by the Commonwealth and taken lawfully under an authorisation issued in accordance with the Act,

and which are recorded in the relevant fishing history shall be regarded as demersal scalefish.

10. Certain fish to be regarded as not having been taken from certain waters of the Fishery

In this Part, except for the purposes of clause 13, where demersal scalefish are recorded in the relevant fishing history as having been taken from fishing block number 2609, 2610, 2611, 2612, 26130, 26131, 3415, 3515, 3615 or 3715, those fish shall only be regarded as having been taken from the waters of the Fishery to the extent that the relevant applicant for the grant of a permit elects in writing prior to the determination of the relevant application.

11. Certain fish to be regarded as not having been taken by open access line fishing methods

Where any demersal scalefish are recorded in the relevant fishing history as having been taken from the waters of a fishing block by non-open access line fishing methods, the weight of all the demersal scalefish recorded in the relevant fishing history as having been taken from the waters of that fishing block during the relevant period shall be regarded as not having been taken by open access line fishing methods, except to the extent that it can be determined that demersal scalefish were taken by open access line fishing methods.

12. Criteria for the grant of a permit

The criteria to be satisfied before the CEO may grant a person a permit to fish in the Fishery are that—

- (a) on 1 November 2007 the person was the holder of a fishing boat licence; and
- (b) in respect of both the pre-benchmark period and the post-benchmark period the average annual catch of demersal scalefish (whole weight), as determined by the Department and recorded in the Department's records on the basis of fishing **returns** relating to the use of the **boat** licensed under the **fishing boat licence** referred to in paragraph (a) as having been taken with the use of the boat from the waters of the Fishery by open access line fishing methods, is not less than 2,000 kg; and
- (c) the person applies for a permit on or before 29 February 2008.

13. Specification of an Inshore Area on a permit

(1) For the purposes of subclause (2), where demersal scalefish are recorded in the relevant fishing history as having been taken from—

- (a) the waters of fishing block number 2609, 2610, 2611, 2612, 26130, 26131, 3415, 3515, 3615 or 3715, those fish shall be regarded as having been taken from the waters of the Fishery; and
- (b) the waters of fishing block 97011, those fish shall only be regarded as having been taken south of 28° south latitude to the extent that the relevant applicant for the grant of a permit elects in writing prior to the determination of the relevant application.

(2) Where the fishing history relating to a permit includes the taking of demersal scalefish from the waters of the Fishery—

- (a) between 26° 30' south latitude and 28° south latitude, the permit is to specify the Kalbarri Area as an Inshore Area where fishing may be carried out;
- (b) between 28° south latitude and 31° south latitude, the permit is to specify the Mid-West Area as an Inshore Area where fishing may be carried out;
- (c) south of 33° south latitude and west of 115° 30' east longitude on the south coast of Western Australia, the permit is to specify the South-West Area as an Inshore Area where fishing may be carried out.

(3) A permit must not specify the Metropolitan Area as an Inshore Area where fishing may be carried out.

(4) In this clause—

“fishing history relating to that permit” means the information determined by the Department and recorded in the Department's records, on the basis of the fishing returns relating to the use of the boat under the relevant fishing boat licence to take demersal scalefish with the use of the boat from the relevant waters by open access line fishing methods in the pre-benchmark period and the post-benchmark period.

14. Duration of permits

A permit expires on 31 December in any year following the date of grant or renewal.

15. Fees

The fee payable for the grant of a permit that expires on 31 December 2008 is \$1,100.00 for each Inshore Area specified on the permit.

16. Items that must be specified on a permit

A permit granted in respect of the Fishery must specify—

- (a) the name and business address of the holder of the permit;
- (b) the authorised boat which may be used for or in connection with fishing in the Fishery under the authority of the permit;
- (c) the permit number;

- (d) the date on which the permit was granted or renewed;
- (e) the date on which the permit expires;
- (f) the name of the Fishery to which the permit refers;
- (g) the Inshore Areas of the Fishery in which fishing is not prohibited under clause 18; and
- (h) any condition imposed on the permit by the CEO.

PART 4—GENERAL REGULATION OF FISHING

17. Prohibition on fishing in the Fishery

Subject to clause 24, a person must not fish in the Fishery other than—

- (a) in accordance with this plan; and
- (b) under the authority of a permit.

18. Prohibition on fishing other than in specified Inshore Areas

A person fishing in the Fishery under the authority of a permit must not fish in the waters of any Inshore Area unless that Inshore Area is an Area that was specified on the permit under clause 13 at the time the permit was granted under clause 12.

19. Prohibitions in regard to line

- (1) A person fishing in the Fishery under the authority of a permit must not fish by any means other than by line.
- (2) The master of an authorised boat must ensure that—
 - (a) not more than 10 lines are used for fishing from the boat at any time; and
 - (b) no line having more than 30 hooks or gangs of hooks attached is used for fishing from the boat at any time.
- (3) The master of an authorised boat must ensure that there is not at any time on board the boat—
 - (a) more than 10 lines with hooks attached; or
 - (b) more than 15 lines; or
 - (c) any line having more than 30 hooks or gangs of hooks attached; or
 - (d) more than 150 spare hooks.
- (4) The master of a fishing boat that is not an authorised boat and which is being used to fish for a commercial purpose in the waters of the Fishery must ensure that there is no line on board that boat.
- (5) Subclause (4) does not apply to fishing—
 - (a) under the authority of an authorisation issued under—
 - (i) the Mackerel Fishery (Interim) Management Plan 2004; or
 - (ii) the Cockburn Sound (Line and Pot) Management Plan 1995; or
 - (b) for squid or cuttlefish by means of a jig.

20. Prohibitions and requirements in regard to the use of boats

- (1) A person fishing under the authority of a permit must not use a boat to fish in the Fishery unless the boat is an authorised boat.
- (2) The master of an authorised boat must not permit any demersal scalefish to be transferred—
 - (a) to another boat from; or
 - (b) from another boat to,the boat, while the boat is in the waters of the Fishery.
- (3) The master of an authorised boat which has been used to fish in the Fishery must not allow that boat to leave the waters of the Fishery unless all fish taken with the use of that boat have first been unloaded, and no fish, except bait, remain on board.
- (4) The master of an authorised boat, when that boat is being used in the Fishery, must not allow any demersal scalefish to be on board that boat other than bait or fish taken under the authority of the relevant permit.
- (5) The master of an authorised boat must ensure that the boat does not enter or remain in any waters of the Fishery—
 - (a) in which that boat is not authorised to be used for fishing; or
 - (b) that are closed by reason of a notice made under clause 25,unless all line carried in, on, or attached to that boat is securely stowed on board.

21. Prohibition on storing, transporting or landing demersal scalefish

A person authorised to fish in the Fishery under the authority of a permit must not store, transport or land any demersal scalefish, except for bait, other than—

- (a) whole fish; or
- (b) fish which has been gilled; or
- (c) fish which has been gutted; or
- (d) fish which has been chilled; or
- (e) any combination of whole, gilled, gutted or chilled fish; or
- (f) any combination of fish to which more than one of paragraphs (a) to (d) apply.

22. Prohibition on having demersal scalefish on board

Subject to clause 24, the master of a fishing boat that is not an authorised boat and which is being used to fish in the waters of the Fishery must ensure that no demersal scalefish is stored or transported on board that boat.

23. Prohibition on selling, dealing in or purchasing demersal scalefish

Subject to clause 24, a person must not sell, deal in or purchase any demersal scalefish taken from the Fishery unless the fish was taken under the authority of a permit.

24. Exceptions to certain prohibitions

(1) Clause 17 does not apply to—

- (a) fishing by a person under the authority of an authorisation issued under a management plan for a fishery specified in Schedule 4;
- (b) fishing by a person under the authority of an authorisation issued under the *Mackerel Fishery (Interim) Management Plan 2004*;
- (c) fishing by a person under the authority of an authorisation issued under the *Abrolhos Islands and Mid West Trawl Management Plan 1993*; or
- (d) recreational fishing for demersal scalefish.

(2) Clause 22 does not apply in regard to—

- (a) demersal scalefish taken and in the possession of a person fishing under the authority of an authorisation issued under a management plan for a fishery specified in Schedule 4;
- (b) a licensed fishing boat in respect of which a fishing tour operator's or aquatic eco-tourism operator's licence is held and which is being used solely for the conduct of a fishing tour or an aquatic eco-tour; or
- (c) bait.

(3) Clause 23 does not apply to persons selling, dealing in or purchasing demersal scalefish under the authority of an authorisation issued under a management plan for a fishery specified in Schedule 4.

PART 5—MISCELLANEOUS**25. Closure of an area within the Fishery**

(1) The CEO may, by notice published in the Gazette, prohibit any fishing activity in any Area or part of an Area for the period specified in the notice if the CEO is satisfied that the prohibition is required in the better interests of the Fishery.

(2) In determining the better interests of the Fishery the CEO must take into account advice received from the Department's Director of Fisheries Research, and any other relevant advice, in relation to—

- (a) the long-term sustainability of the Fishery; or
- (b) the ecological and environmental impacts of the Fishery.

(3) A notice made in accordance with subclause (1)—

- (a) may only be made after consultation with the permit holders on whose permits are specified the Areas in which the prohibition is to apply; and
- (b) may apply at all times or for a specified period; and
- (c) revokes any previous notice made under that subclause.

(4) A person must not fish in any Area or part of an Area at a time when fishing in that Area or part of an Area has been prohibited by a notice made under subclause (1).

26. Requirements relating to approved ALCs

(1) Subject to subclause (3), a person must not use an authorised boat in the Fishery unless an approved ALC has been installed in that boat in accordance with the approved directions.

(2) Where the CEO is satisfied that there are operational reasons for not requiring a person to comply with subclause (1) for any period of time prior to 30 September 2008, the CEO is to publish a notice in the Gazette specifying that period of time.

(3) Subclause (1) does not apply during any period specified in a notice published in the Gazette under subclause (2).

(4) At any time when subclause (1) applies, a person must not use an authorised boat in the Fishery unless—

- (a) the approved ALC installed in that boat has been tested, and is being used, in accordance with the approved directions; and

(b) the person has and maintains at all times on board the authorised boat a legible copy of the approved directions.

(5) At any time when subclause (1) applies it is a condition of a permit that regulations 55C and 55D are complied with at all times.

27. Offences

A person who contravenes a provision of clause 17, 18, 19, 20, 21, 22, 23, 25 or 26 commits an offence, and for the purpose of section 75 of the Act the offences specified are major provisions.
