PLANNING AND DEVELOPMENT ACT 2005

METROPOLITAN REGION SCHEME MAJOR AMENDMENT 1203/41 PERTH WATERFRONT

Call for Public Submissions

The Western Australian Planning Commission (WAPC) intends to amend the Metropolitan Region Scheme (MRS) for land in the local government of Perth and is seeking public comment.

Purpose

The amendment seeks to reclassify the land the subject of the Perth Waterfront project from a range of infrastructure and recreation related reserves to a single Public Purpose Special Use reserve.

The amendment will—

- demonstrate the strategic intent within the MRS to plan and develop Perth Waterfront;
- consolidate existing reservations into a single MRS reserve, enabling further works and detailed investigations to be carried out under the authority of the Western Australian Planning Commission (WAPC).
- have immediate effect under the City of Perth City Planning Scheme 2, in accordance with Section 126(1) of the *Planning and Development Act 2005*;
- make the WAPC the sole responsible authority for applications made within the reserved area, thereby eliminating dual decision making under the MRS and local planning scheme; and
- trigger referral to the Environmental Protection Authority under the Planning and Development Act 2005, for a determination on the level of environmental assessment. This process will provide early clarity and certainty on the environmental factors requiring further investigation, design modifications or management.

Environmental Assessment Report

An Environmental Assessment Report (EAR) has been prepared for the Perth Waterfront project. The EAR identifies the existing site conditions, potential environmental impacts of the development (both unmanaged and managed) and presents management responses to these factors.

The EAR is being advertised concurrently with the Metropolitan Region Scheme Amendment to allow comment to be made on both environmental and planning related matters.

Display locations

The plans showing the proposed change, the WAPC's amendment report which explains the proposal and the EAR, will be available for public inspection, free of charge from Tuesday 22 February 2011 to Friday 27 May 2011 at—

- Western Australian Planning Commission, 469 Wellington Street, Perth
- J S Battye Library, Level 3 Alexander Library Building, Perth Cultural Centre
- City of Perth
- City of Fremantle
- City of South Perth
- Town of Vincent

Documents are also available from the PlanningWA website www.planning.wa.gov.au.

Submissions

Any person who desires to make a submission to support, object or provide comment on any part of the proposed amendment should do so on a form 41. This submission form is available from the display locations, the amendment report and the internet. Submissions on the EAR should be made on the separate submission form provided.

Submissions must be lodged with the: Secretary, Western Australian Planning Commission, 469 Wellington Street, Perth WA 6000; on or before 5 pm **Friday 27 May 2011**.

Late submissions will not be considered.

TONY EVANS, Secretary,
