PLANNING AND DEVELOPMENT ACT 2005
DECLARATION OF PLANNING CONTROL AREA NO. 100
City of Vincent
Charles Street

File: 835-2-33-3 (RLS/0241/1)

General Description

The Minister for Planning has granted approval to the declaration of a Planning Control Area over Charles Street in the City of Vincent, as shown on Western Australian Planning Commission plans numbered 1.7178 and 1.7179.

Purpose of the Planning Control Area

Charles Street was the subject of Planning Control Area No. 88, which expired on 15 September 2011. The declaration of Planning Control Area No. 100 will renew the existing control measures over this area for a further five year period. The Commission considers that the Planning Control Area is required to ensure that no development occurs on this land which might prejudice this purpose until it may be reserved for Primary Regional Roads in the Metropolitan Region Scheme.

Duration and Effects

The declaration remains in effect for a period of five years from the date of publication of this notice in the *Government Gazette* or until revoked by the Western Australian Planning Commission with approval by the Minister, whichever is the sooner.

A person shall not commence and carry out development in a Planning Control Area without the prior approval of the Western Australian Planning Commission. The penalty for failure to comply with this requirement is \$50,000 and, in the case of a continuing offence, a further fine of \$5,000 for each day during which the offence continues.

Compensation is payable in respect of land injuriously affected by this declaration, and land so affected may be acquired by the Western Australian Planning Commission in the same circumstances and in the same manner as if the land had been reserved in the Metropolitan Region Scheme for a public purpose.
