PL501***PLANNING AND DEVELOPMENT ACT 2005****METROPOLITAN REGION SCHEME MAJOR AMENDMENT 1210/41****Rationalisation of Stirling Highway Reservation****Call for Public Submissions**

The Western Australian Planning Commission (WAPC) intends to amend the Metropolitan Region Scheme (MRS) in the local government areas of Claremont, Cottesloe, Fremantle, Mosman Park, Nedlands and Peppermint Grove and is seeking public comment.

Purpose

This MRS amendment proposes a rationalisation of the existing Stirling Highway Primary Regional Roads reservation.

The amendment area is bounded by Queen Victoria Street, North Fremantle and Hampden Road/Broadway, Nedlands and is limited to land near Stirling Highway.

Amending the reservation over Stirling Highway will provide clarity and certainty for landowners, enable orderly land use planning and, for the first time, confirm the long-term highway design.

The amendment proposes a significant reduction to the existing Stirling Highway Primary Regional Roads reservation in Nedlands, Claremont and northern parts of Cottesloe and Peppermint Grove. More than 25 hectares (250,000m²) of existing Primary Regional Roads reservation is proposed to be rezoned as Urban in this section of Stirling Highway.

The Stirling Highway reservation is proposed to be increased by approximately 3.48 hectares (34,800m²) in Mosman Park and North Fremantle, south of Jarrad Street in Cottesloe and Peppermint Grove, and at important intersections.

The amendment proposes a combination of a reduction of 26.4 hectares (264,000m²) and an increase of 3.48 hectares (34,800m²) to the existing Stirling Highway reservation, resulting in an overall reduction of more than 22 hectares (220,000m²).

Concept design plans and reports

Concept design plans and reports prepared for the Stirling Highway Activity Corridor Study demonstrate the proposed long-term road design for Stirling Highway, based on current road design principles. The proposed amendment reflects the highway design.

The concept design plans and reports are available in conjunction with the Metropolitan Region Scheme Amendment.

Inspection locations

The plans showing the proposed changes and the WAPC's amendment report, which explains the proposal and supporting documents (concept design plans and reports) are available for public inspection, free of charge from **Tuesday 20 March 2012 to Friday 27 July 2012** at—
