10. In addition, RWWA reserves the right to close a Client's Betting Account and refund the balance of their account without further explanation. In this event, outstanding wagers will be honoured, unless the Betting Account has been used for any suspected fraudulent transaction or purpose in which case outstanding wagers will be cancelled and refunded.

11. A Client is deemed to have accepted these Rules and RWWA's Privacy Policy by opening a RWWA Betting Account or by placing a wager with RWWA via the telephone or via the RWWA website, mobile sites or Apps. Clients can view the Privacy Policy on the RWWA website.

RWWA reserves the right to change, amend or add to these Rules and Privacy Policy as it sees fit without providing further notice other than posting the current Rules or Privacy Policy on the RWWA website. 13. Notwithstanding anything contained elsewhere in these Rules, if RWWA publishes, posts or quotes any incorrect betting information for any sporting event, such as posting wrong dividends or lines, then regardless of the cause or source of such error—

(a) Such wagers will be void if the error is identified prior to the commencement of the event and notified by RWWA to the most recent telephone or facsimile contact number or email address supplied by a Client, whose wager on that event has been accepted or confirmed by RWWA. If the wager is part of a multiple bet, the wager will then be recalculated without the team/competitor which had the error; or

(b) The wager on the event shall stand if the error is identified only after the commencement of the event or for any other reason not notified to the Client's point of contact prior to commencement of the event. The only exception to this is where RWWA can demonstrate that the error was manifest or obvious, or that the Client otherwise should reasonably have been aware of the error when the wager was placed. If a Client has been paid winnings in error, RWWA shall be entitled to issue the Client with an invoice demanding repayment. In such circumstances, the invoice shall be evidence that the amount is due and payable.

27. (a) Except in the case of "In the Run" wagering, wagers will be accepted up to the advertised start time, actual start time, or such earlier time as dictated by RWWA.

(b) Except in the case of "In the Run" wagering, if a wager is inadvertently accepted in respect of an event after its start time, the wager shall be deemed to have been

made invalidly and will be refunded to the Client. For the purpose of this clause, “inadvertently” means that RWWA had no knowledge that the event in question had started and the wager was accepted in good faith.

- (c) “In the Run” means placing a wager on a RWWA-nominated market after an event has commenced and is in progress.
- (d) In such cases, once an event has commenced, the event market will close and a new “in the run” market will commence.

50. **RESULTS**

Where an event or match is postponed and rearranged to take place within 48 hours of the original scheduled starting time, all wagers will stand. If the event or match is rescheduled to take place more than 48 hours later than the original scheduled start time, all wagers will be void and stakes refunded. Affected multiples will be recalculated, excluding that leg. Please note that individual sports rules stating a different time period will override this Rule.

51. In the case of sports betting and all other contests that involve a set length of play or time limit, players must play and the event must run to the conclusion of the designated time, to be considered official for betting purposes. Please note that individual sport rules that state otherwise will override this Rule.

52. Unless otherwise stated in the event description or individual sport rules, overtime periods or extra time periods will count towards the final result, except in relation to soccer (see individual sport Rules for soccer below). Other individual markets noted as excluding extra time or overtime, and individual sports rules stating that extra time or over-time does not count will override this Rule.

53. For multiple wagers, if any leg/legs are void, the multiple wager will be recalculated excluding the voided leg/legs.

59. A “Dead-Heat” occurs when 2 or more competitors are officially declared to have finished equal. This applies to both winners and place getters in a single event. Unless otherwise stated, the following rule, known as the “Dead- Heat Rule” applies—
- (a) In the event of a Dead-Heat where dividends were not offered by RWWA on such an outcome, bets will be paid at the face value of the ticket divided by the number of competitors tying for that place;
 - (b) In any event for which each way betting is available, place ties will be paid such that the place portion of the face value of the ticket is multiplied by the remaining number of places available and divided by the number of competitors tying for those available number of placings;
 - (c) In the event of a Dead-Heat where odds were offered by RWWA on such an outcome, then all win or place bets are losers and the draw option is paid as the winner.
60. **HORSE RACING**
Where a race meeting is transferred from one racecourse to another, all betting Rules will apply as if the meeting was not transferred.
61. If a race meeting is postponed, all wagers on the postponed meeting are cancelled.
62. Where a race meeting is transferred from one racecourse to another, the limit shall be for the course on which the meeting should have been held.
63. In the event of a horse being withdrawn late by order of the stewards, all wagers will be paid as stewards direct, including deductions on remaining runners.
64. For all horse racing events, if a wager is inadvertently accepted in respect of an event after its start time, the wager shall be deemed to have been made invalidly and the wager will be refunded to the Client’s Account. For the purpose of this clause, “inadvertently” means that RWWA had no knowledge that the event in question had started and the wager was accepted in good faith.

69. A reference to the “Field Size Rule” sets out how place dividends are paid.
For races within Australia the Field Size Rule is as follows—
- (a) where there are 8 or more runners in a race, a dividend shall be paid on 1st, 2nd and 3rd places;
 - (b) where there are 5, 6 or 7 runners in a race, a dividend shall be paid on 1st and 2nd places only; and
 - (c) where there are less than 5 runners in a race, the wagers shall be Win Only.
- [For overseas races, the organising country’s rules for the place dividends payable will apply.
For example:
- South Africa
- (a) where there are 16 or more runners in a race, a dividend shall be paid on 1st, 2nd, 3rd and 4th places;
 - (b) where there are 8—15 runners in a race, a dividend shall be paid on 1st, 2nd and 3rd places; and
 - (c) where there are less than 8 runners in a race, the wagers shall be Win Only.
- Sweden, Finland, Denmark, Norway
- (a) where there are 7 or more runners in a race, a dividend shall be paid on 1st, 2nd and 3rd places;

 - (c) where there are less than 4 runners in a race, the wagers shall be Win Only.]
70. A reference to “Win/Place Fixed Odds” means the price quoted by RWWA of a specified runner at the time of placing the wager.
Win/Place Fixed Odds refers to the Fixed Price quoted by RWWA of a specific runner prior to placing a wager. These odds are fixed at the time of placing the wager. All Fixed

Win/Place wagers are subject to the Field Size Rule (Rule 69, excluding races held in Europe, Africa, Middle East, or the Americas which are subject to the following—

Unless clearly displayed otherwise, all each-way bets except ante-post bets will be settled on the actual number of starters according to the following place terms:—

- Fewer than 5 runners—all to win
- 5-7 runners—1/4 odds a place 1-2
- 8 or more runners—1/5 odds a place 1-2-3
- Handicaps with 12-15 runners—1/4 odds a place 1-2-3
- Handicaps with 16 or more runners—1/4 odds a place 1-2-3-4

If a Fixed Price wager is struck once the “Final Field” is declared, such wagers are subject to scratching and deductions.

All deductions applied by RWVA on Fixed Odds wagers struck after official opening prices have been announced will be sourced from the racetrack of race origin or, where applicable, with the following—

Other than “first past the post” bets, all bets will be settled according to the result as announced at the “Weighed-In” with the following exceptions—

- (A) Single ante-post bets, being made before 10 a.m. on the day of the final declarations will be void under the following circumstances:—
- (i) If the race is abandoned;
 - (ii) If the race is declared void;
 - (iii) If the Conditions of the race entry are changed prior to the start of the race;
 - (iv) If the venue is altered; or
 - (v) If a horse is eliminated under the British Horseracing Authority (BHA) Rules of Racing, schedule 8 of the Race Administration Manual (F).

However, in any such circumstances accumulative ante-post bets (win or place) will stand and be settled at the ante-post price(s) laid on the remaining horse(s). Any race in which a horse is supplemented does not affect Rule 4(A).

In the event of a race being postponed to another day, ante-post bets placed before the entries have closed will stand and will only be made void if the race is abandoned or made void, if the horse is balloted out or eliminated under the previously mentioned schedule 8 of the BHA’s Rules of Racing or if the venue is changed. Ante-post bets placed after the entries have closed will be void, except when the race is run at a later date at the same venue and entries for the race are not reopened, in which case bets will stand.

- (B) Bets other than ante-post bets will be void if the race is abandoned or declared void. Bets will stand if the race is postponed to another day and final declarations stand. If the final declarations do not stand, bets will be void. Bets on a horse declared by the Starter “not to have started” will be void.
- (C) Where a bet has been placed and a price taken on the day of the race and there is subsequently an official notification that a horse has been withdrawn or has been declared “not to have started”, the liability of a layer against any horse remaining in the race, win or place, will be reduced in accordance with the following scale depending on the odds current against the withdrawn horse at the time of such official notification—

Odds (or decimal equivalent)	Scale of deduction (per £)
1/9 or longer odds on	90 pence
2/11 to 2/17	85 pence
1/4 to 1/5	80 pence
3/10 to 2/7	75 pence
2/5 to 1/3	70 pence
8/15 to 4/9	65 pence
8/13 to 4/7	60 pence
4/5 to 4/6	55 pence
20/21 to 5/6	50 pence
Evens to 6/5	45 pence
5/4 to 6/4	40 pence
8/5 to 7/4	35 pence
9/5 to 9/4	30 pence
12/5 to 3/1	25 pence
16/5 to 4/1	20 pence
9/2 to 11/2	15 pence
6/1 to 9/1	10 pence
10/1 to 14/1	5 pence
Over 14/1	No deduction

In the case of 2 or more horses being withdrawn, the total reduction shall not exceed 90 pence in the pound.

In the case of withdrawals in reformed markets, the total deduction over the 2 or more horses (i.e. 1 in the original and 1 in the reformed market) will be calculated on the prices applicable in the original market.

For bets placed in reformed markets, deductions applied to withdrawn horses in these markets will be calculated on the prices applicable in these markets.

Bets made at Starting Price are not affected, except in cases where insufficient time arises for a new market to be formed, when the same scale of reductions will apply. In the event of the withdrawal of 1 or more runners in circumstances which would lead to only 1 runner and therefore a "walkover", all bets on the race will be void. The race will be considered a "walkover" for the purpose of settling bets.

For the purpose of this Rule the non-appearance of a declared runner will be held to be an official notification of the withdrawal of such horse before the race is off. In the case of a horse declared by the Starter "not to have started", a racecourse announcement will be made to that effect. This official announcement will be made before the race result is displayed.

(D) In the event—

(i) of an announcement being made that the provisions of Rule 4(C) do not apply on the grounds that no market had been formed at the time of the withdrawal of a declared runner, all bets (other than ante-post bets) will be settled at Starting Price with the exception of bets placed at Early Prices when Rule 4(C) will operate, based on the current price at the time of withdrawal.

(ii) of any race where the Starting Price Validators deem that an on-course market has been formed less than 90 minutes before the advertised "off" time of that race, any bets placed will be subject to Rule 4(C) deductions.

(iii) that no prices have been transmitted to the off-course industry, but a market is deemed to have been formed on-course by a sufficient number of licensees, Rule 4(C) deductions will apply only to bets made on-course, prior to the withdrawal of a declared runner.

(E) In the event of a reserve horse replacing a declared runner, all bets placed prior to such a replacement and a new market being formed, other than ante-post bets, will be settled at Starting Price.

132. "Place 6": Six Leg PlaceCard

For a "Place 6" to be successful, the Client must correctly select horses that place in 6 RWVA-nominated races and will be given the odds stated at the time of placing the wager.

- (a) In fields of 8 or more runners, horses that run 1st, 2nd or 3rd are deemed to be eligible for a winning PlaceCard
- (b) In fields of 5, 6 or 7 runners, only horses that run 1st and 2nd are deemed to be eligible for a winning PlaceCard.
- (c) In fields of less than 5 runners, only the horse that runs 1st is deemed to be eligible for a winning PlaceCard.
- (d) Where there is a late scratching and the field is reduced to 7 runners or less, the above rules will apply for all wagers taken after the official late scratching time. For wagers placed on fields of 8 or more prior to the official late scratching time, 1st, 2nd and 3rd placings will count towards the PlaceCard.
- (e) If the Client's selection in 1 leg is scratched, it becomes a 5-race PlaceCard and the dividend is calculated by adding the odds of the remaining 3 legs.
- (f) If 2 or more of the Client's selections are scratched, the PlaceCard is cancelled and the wager is credited back to the Client's Account.
- (g) If 1 leg is abandoned or declared a no-race, it becomes a 5-race PlaceCard and the dividend is calculated by adding the odds of the remaining 5 legs.
- (h) If 2 or more legs are abandoned or declared no-races, then all PlaceCards are cancelled and the wager is credited back to that Client's Account.
- (i) In fields of 8 or more runners, if there is a Dead-Heat for 3rd place in any of the 6 designated races, the odds are halved for each horse that has dead-heated in that leg and added to the other 5 legs. In the case of triple Dead-Heats, one-third of the odds will be added to the other 3 legs.
- (j) Not Adopted

133. JOCKEY CHALLENGE

Betting on the Jockey Challenge is Win Only. In the case of 2 or more jockeys finishing the day on the same amount of points, the Dead-Heat Rule applies. This is regardless of the amount of outright winners ridden by either of these jockeys.

134. If any individual jockey in the market does not complete at least 1 ride for the meeting, all wagers on the Jockey Challenge for that meeting will be cancelled and monies refunded. The option "any other individual jockey" covers any jockey whose odds are not listed in the market.

135. For wagers on any Jockey Challenge to stand, all races scheduled for the race meeting must be run and correct weight declared. If the meeting is postponed, abandoned, or any race is declared a "no-race" by the Stewards, all wagers on the Jockey Challenge for that meeting will be cancelled and the monies refunded regardless of standings at the time.

136. FAVOURITES CHALLENGE

Wagers will be offered on how many races at a particular race meeting will be won by the Favourite.

137. The Favourite in each race is determined by the official SP Favourite on track (lowest official Starting Price).

138. If there are equal SP Favourites on track, the runner with the shortest Home Tote Dividend shall be deemed the Favourite.

139. If both equal Favourites also have equal Home Tote Dividends, then both runners will be deemed the Favourite.

140. If a Favourite Dead-Heats for a win, it will count as a winner (1 win per race).

141. If a race meeting is postponed or abandoned, all wagers on the Favourites Challenge relating to the postponed or abandoned meeting will be void.

142. All-In Betting applies.

143. RACING SPECIALS

(a) Margin betting is available on selected Group races and is paid on the official margin between the 1st and 2nd horses as declared by the stewards.

(b)—

(i) Total margin betting is available for selected meetings which is paid on the collective official margins between the 1st and 2nd horses as declared by the stewards.

(ii) Official margins are added together in decimals using the following conversions—

Dead-Heat—0.0 Length
Short Head / Nose—0.1 Length
Head—0.2 Length
Long Head / ½ Neck—0.25 Length
Neck—0.3 Length
Long Neck—0.4 Length
½ Length—0.5 Length
¾ Length—0.75 Length
1 Length—1 Length

(iii) For total margin betting for the meeting, all races must be run. If the meeting is abandoned or postponed at any point, then all bets will be void and refunded.

144. PICK YOUR OWN FIELD

Pick Your Own Field allows you to create a “customised field” of runners within an existing race. From the selected “customised field”, you can bet on which runner you think will win within that “customised field”.

Note: a “customised field” is defined as a selected field of runners from an existing race.

145. Pick Your Own Field Pricing

The dividend at the time of bet placement is fixed and does not change no matter how the market fluctuates. All Pick Your Own Field “customised fields” are deemed final and will be subject to deductions for any withdrawal/scratching within a “customised field”. See *Pick Your Own Field Deductions Scale* (Rule 147).

146. Determination of Pick Your Own Field Result

(a) **Win:** A Pick Your Own Field bet will be deemed a winner if the selected runner to win in the “customised field” finishes ahead of all other selections in the “customised field” and also within the top 4 official placing getters of the official published final field. Dead-Heat Rules apply.

(b) **Loss:** A Pick Your Own Field bet will be deemed a losing bet if the selected runner to win in the “customised field” fails to finish in front of all other runners in the “customised field” and 1 of the other runners within the “customised field” finishes in the top 4 official place getters of the official published final field.

(c) **Refunded:** A Pick Your Own Field bet will be deemed void and all monies will be refunded if there isn't at least 1 runner from the “customised field” that finishes within the top 4 official place getters of the official published final field.

(d) **Dead-Heat for 4th:** For the purpose of determining the Pick Your Own Field Result, a runner finishing in a dead-heat for 4th place is deemed to have finished in the top 4 official placegetters.

147. Pick Your Own Field Deductions Scale

(a) A percentage reduction of the dividend will apply if a horse is scratched from a “customised field”, as either a “Late” or “Early” scratching. All Pick Your Own Field bets preceding the scratching are subject to deduction in accordance with the Pick Your Own Field Deductions Scale.

(i) **Note:** This includes any selection/s within the “customised field” that are deemed official emergencies or reserves.

- (b) The deduction is based on the price of the scratched runner in the Pick Your Own Field “customised field” and the market percentage of the “customised field” at the time of bet placement.

Refer to Appendix B attached.

148. Pick Your Own Field Minimum Price

If there is a large disparity between prices of runners within the selected “customised field”, then the Pick Your Own Field price for 1 runner may fall under the Pick Your Own Field Minimum Price that RWWA has set for that market. If this occurs then the selected “customised field” will not be available for a Pick Your Own Field bet and a message will be returned to advise this.

149. Pick Your Own Field Minimum and Maximum Field Size

RWWA reserves the right to set a Pick Your Own Field Minimum and Maximum Field Size for each market. In general the Pick Your Own Field Minimum Field Size will be set to 2. The Pick Your Own Field Maximum Field Size may be set up to 1 less than the actual field size.

- 150.** (a) Not Adopted.

151. Pick Your Own Field Multi Bets Limits

- (a) Horse Racing—
- Maximum of 4 legs;
- (b) Greyhound and Harness Racing—
- Maximum of 2 legs;

152. GREYHOUND BOX NUMBER CHALLENGE

For each Greyhound meeting where the Box Number Challenge is offered, wagers can be made on which box number will score the most points for winners and place-getters for that meeting. The following Rules apply to the Greyhound Box Number Challenge—

- (a) points are awarded to the appropriate box number on a 3-2-1 points basis for the placing of 1st, 2nd and 3rd respectively;
- (b) in the case of a Dead-Heat in any race, the box numbers involved will be awarded an equal share of any points won;
- (c) in the case of 2 or more box numbers finishing the meeting on the same number of points, the Dead-Heat Rule applies, regardless of the number of outright winners from any particular box;
- (d) betting is Win Only;
- (e) All-In Betting applies. Therefore, if a box is left vacant, it will record zero points;
- (f) where a reserve dog (i.e. #9 and #10) gains a start and is placed 1st, 2nd or 3rd, the points will be awarded to the box number it jumps from;
- (g) if a meeting is postponed or abandoned at any stage, all wagers for that meeting will be cancelled and monies refunded, regardless of standings at the time; and
- (h) if a race is declared a no-race, no points will be awarded for that race and wagers will stand.

153. AUSTRALIAN RULES FOOTBALL

Payouts are based on the official declared result. Any extra time played is included for betting purposes. For matches without extra time, a draw is always included for margin betting and any bets placed on either team by a margin will be considered losing bets in the case of a draw.

- 154.** Where an Australian Football League match is abandoned or postponed and played within 7 days of the original scheduled date, all wagers stand. Once the 7 days have passed, all single wagers are void and stakes refunded. Affected multiple wagers are recalculated excluding that leg. The exception will be bets that have already been decided, which will be settled (e.g. a match abandoned during the second quarter will have all bets already decided settled). For all other Australian Rules matches (e.g. state leagues, international rules and representative games) this time limit will be 48 hours after the scheduled start time.

- 155.** All bets stand, regardless of change of venue.

For player-based group betting, options such as most disposals, most goals and first goal kicker, payouts will be based on statistics used by the AFL website (www.afl.com.au). For groups of 8 players or less (including player head-to-heads), all competitors must be in the playing 22 for bets to stand. If any player is not in either team’s playing 22, single wagers will be void and stakes refunded, whilst affected multiples will be recalculated excluding that leg. For groups of 9 players or more, all bets stand regardless of any non-starters and for any non-starters, the stakes will be refunded for single bets, whilst multiples will be recalculated excluding that leg.

- 156.** “Wire-to-Wire” betting refers to a team leading the match at the end of each quarter. In Australian Rules football, these bets include any extra time played.

- 157.** The market “First Goal Kicker & Margin Double” will be settled as Any Other Result in the case of a drawn match or an unlisted player kicking the first goal.

158. Premiership markets will include any replays required. A premiership market will not be available once the 2 grand finalists are known. From this point on, only match betting on the Grand Final will be available.
159. For match betting on a Grand Final, the betting is specific to the next match played; or the current match, in the case of live [in running] betting. In the case of a draw, bets on the match winner will be paid out at half face value and all other match-specific bets will be settled. Bets will not carry over to any replay and a new market will be framed for any subsequent matches
160. More Goals or More Behinds markets will be refunded if the applicable player does not score any points. For any other Dead-Heats (e.g. 3 goals, 3 behinds) the Dead-Heat Rule applies.
161. Second Half wagers relate solely to the score in the second half and include any extra time played (scores start from 0-0 at half time).
162. Final Quarter wagers relate solely to the score in the fourth quarter and include any extra time played (scores start from 0-0 at three-quarter time).
163. For leading Victorian or Interstate team finals are included. Wagers will be settled with the team advancing the furthest in the finals as deemed to be the winner. Should 2 teams be eliminated at the same stage, the winner will be the team that finished highest on the AFL ladder at the conclusion of the regular season.
164. In the case of more than 1 winner of the Brownlow Medal, the Dead-Heat Rule will apply. The same applies for Each-Way bets with multiple place-getters. The place portion of Each-Way bets will be paid on 1st, 2nd and 3rd placings only. If 3 players are tie for 1st, they will be deemed to have filled the first 3 placings.

Games are official after 5 innings of play. If the home team is leading, the game is official after 4.5 innings of play. If a game goes past 5 innings (including any extra innings) and is subsequently called off, suspended for the day or postponed, the winner is determined by the score after the last full innings of play (except in the case where the home team score to tie, or take the lead in the bottom half of the innings in which the game is called off—the runs do count).
169. For Run Line betting, the game is official after 9 innings if the visiting team is winning, and after 8.5 innings if the home team is winning.

For run line and run total betting, match must run to at least the end of the 9th inning for bets to stand if the visiting team is winning and 8.5 innings if the home team is winning. All run line and total wagers stand regardless if match is stopped after 9 innings due to weather or time restrictions.

Payouts are based on the official final score. Over-time (which is played when scores are level at the end of normal time and each subsequent overtime period) is included, unless otherwise specified.
179. NBA Games are official after 43 minutes of play and College (NCAA) Games are official after 35 minutes of play. All non-NBA and non-NCAA matches are official at the end of normal time and any required over-time.

180. Totals betting will be considered official for betting purposes once the nominated total has been exceeded, regardless of whether a match reaches the minimum time allowed for betting purposes.
181. Wire-to-Wire betting refers to a team leading the match at the end of each quarter. Wire-to-Wire betting excludes overtime.

186. Second Half wagers relate solely to the score in the second half and include any over-time played (Scores start from 0-0 at half time). For US Basketball, the second half must have 5 minutes or less remaining in the second half at the conclusion of the match for bets to stand. All other matches must run to full completion.
187. **BOXING AND MARTIAL ARTS**
- Where a match is abandoned or postponed, but fought within 14 days of the original scheduled date, all wagers stand. Once the 14 days have expired, all single wagers are void and refunded. Affected multiple wagers will be recalculated excluding that leg.
188. All wagers on either fighter to win will be decided by the judges' decision, which includes points, technical knockout (TKO), knock out (KO) or disqualification.
189. If a price is offered for the draw, in the event of a draw all wagers on either boxer to win will all be losing bets and the draw will be the winning option. If there is a "technical draw" determined by the referee due to an accidental cut or similar, then the bout is deemed a no contest and all wagers will be refunded.
190. In Pick the Round betting, if a boxer fails to answer the bell, the fight will be deemed to have ended in the previous round.
191. In Pick the Round betting, if the scheduled number of rounds is changed, then all wagers are void and refunded.
192. For all wagers on a boxer to win by Points Decision, the full scheduled number of rounds must take place for the wagers to be deemed winners.

194. **CRICKET**
- For batting matchups, both batsmen must reach the crease for wagers to stand. If either or both players do not reach the crease, single wagers will be void and stakes refunded. Multiple bets will be recalculated excluding that leg. The Dead-Heat Rule will apply for ties.
195. For bowling matchups, both bowlers must deliver 1 ball for wagers to stand. If either or both players do not deliver at least 1 ball, single wagers will be void and bets refunded. Multiple bets will be recalculated excluding that leg. For ties, bets will follow the same voiding Rule as when either or both players do not bowl a ball.
196. Highest Opening Partnership wagers will be paid on the team that has amassed the most runs at the fall of their first wicket. Should 1 of the opening batsmen retire (hurt or otherwise), the partnership is deemed to continue with the next batsman until the first wicket falls.

- (b) At least 1 ball must be bowled for wagers to stand. If not, all single wagers are void and multiple wagers will be recalculated excluding that leg. However, if the match is officially abandoned (e.g. due to dangerous pitch conditions), then all undecided single wagers are void and stakes refunded. Multiple wagers are recalculated excluding that leg.
- (c) Betting on domestic cricket is based on the most points awarded in the match.

(ii) **Limited Over's Matches (Including 1 Day International and Domestic Matches and Twenty20 Matches)**
