SCHOOL EDUCATION ACT 1999**DECLARATION OF LOCAL-INTAKE AREAS FOR SCHOOLS WITH
PRIMARY STUDENTS****BAYNTON WEST PRIMARY SCHOOL (January 2014)**

The following defines the local-intake area of this school—

From the junction of Baynton Drive and Dampier Road, west along Dampier Road (south side included) to the main drainage channel running north-south, south along this channel to the east-west section of the Baynton locality boundary, east along this locality boundary to Rosemary Road, north along Rosemary Road (west side included) to Radley Drive, west along Radley Drive (both sides excluded) to Church Way, north between the following streets that are all on the east (both sides in each case) and are excluded from this local-intake area (Parker Close, Church Way, Gammon Court, Comrie Court, McWhirter Way, Snell Place, Featherby Way and Campbell Court) and the following streets on the west (both sides in each case) and are included in this local-intake area (Fabling Court, Britt Place, Watts Place, Tournay Court, Stickney Way and Birch Place) to Baynton Drive and north along Baynton Drive (both sides included) to Dampier Road.

The following defines an optional area between Baynton West Primary School and Millars Well Primary School—

From the junction of Dampier Road and Rosemary Road, south along Rosemary Road to Radley Drive, west along Radley Drive (both sides included) to Church Way, north between the following streets that are all on the east (both sides in each case) and are included in this optional area (Parker Close, Church Way, Gammon Court, Comrie Court, McWhirter Way, Snell Place, Featherby Way and Campbell Court) and the following streets on the west (both sides in each case) and are excluded from this optional area (Fabling Court, Britt Place, Watts Place, Tournay Court, Stickney Way and Birch Place) to Baynton Drive, north along Baynton Drive (both sides excluded) to Dampier Road and east along Dampier Road (south side included) to Rosemary Road.

BEELIAR PRIMARY SCHOOL (January 2014)

The following defines the local-intake area of this school—

From the junction of Beeliar Drive and Tindal Avenue, south along Tindal Avenue (east side included) to Fancote Avenue, east along Fancote Avenue (north side included) to Henderson Road, south along Henderson Road (east side included) to Russell Road, south east along Russell Road (north side included) to a point due south of the centre of Kogolup Lake, north from this point on Russell Road through Thomsons Lake and Kogolup Lake to Beeliar Drive, west along Beeliar Drive (south side included) to Tindal Avenue.

BERTRAM PRIMARY SCHOOL (January 2014)

The following defines the local-intake area of this school—

From the junction of Orton Road and Casuarina Road, south along Casuarina Road (west side included) to Lydon Road, south along Lydon Road (west side included) to Banksia Road, south east and south west along Banksia Road (west side included) to Duckpond Road, north west along Duckpond Road (north side included) to the local government boundary between the Town of Kwinana and City of Rockingham, west along this local government boundary to Wellard Road, north and north west along Wellard Road (east and north sides included) to the junction of Bertram Road and Wellard Road, continue south west along Wellard Road to the railway line, north east along the railway line to Sulphur Road, south east and east along Sulphur Road (south side included) to Holden Close, east along Holden Close (south side included) to the western end of Orton Road, east along Orton Road (south side included) to the western boundary of Marri Park Golf Course, north along the western boundary of Marri Park Golf Course to Thomas Road, north east along Thomas Road (south side included) to the local government boundary between the Town of Kwinana and the Shire of Serpentine—Jarrahdale, and south along this local government boundary to the junction of Orton Road and Casuarina Road.

BUTLER PRIMARY SCHOOL (January 2014)

The following defines the local-intake area of this school—

From the junction of Marmion Avenue and Lukin Drive, east along Lukin Drive (north side included) to Connolly Drive, north west along Connolly Drive (west side included) to Exmouth Drive, north west along Exmouth Drive (west side included) to Goodwick Street, west along Goodwick Street (south side included) to Whitland Street, south along Whitland Street (south side included) to Camborne Way, north west along Camborne Way (west side included) to Carmathen Avenue, west along Carmathen Avenue (south side included) to Marmion Avenue, west from the junction of Carmathen Avenue and Marmion Avenue to the coastline, south along the coastline to the locality boundary between Jindalee and Quinns Rocks, east along the locality boundary between Jindalee and Quinns Rocks (north side included) to Marmion Avenue, south east along Marmion Avenue (east side included) to Lukin Drive.

CALISTA PRIMARY SCHOOL (January 2014)

The following defines the local-intake area for this school—

From the junction of Wellard Road and Parmelia Avenue, north along Parmelia Avenue (west side included) to Chisham Avenue, west along Chisham Avenue (south side included) to Meares Avenue, north along Meares Avenue (west side included) to Sulphur Road, west along Sulphur Road (south side included) to Summerton Road, west along Summerton Road (south side included) to the western end of Summerton Road (near the Kwinana Golf Club clubhouse), north along Stanyford Way (west side included) to Gentle Road, west along Gentle Road (south side included) to the proposed Tasker Road, west along the proposed Tasker Road (south side included) and its western extension to the railway line, south along the railway line to Wellard Road and east south east along Wellard Road (north side included) to Parmelia Avenue.

EAST BUTLER PRIMARY SCHOOL (January 2014)

The following defines the local-intake area of this school—

From the intersection of Connolly Drive and Lukin Drive, north west along Connolly Drive (east side included) to Exmouth Drive, north west along Exmouth Drive (east side included) to Butler Boulevard, east along Butler Boulevard (south side included) to the proposed extension of the Mitchell Freeway, south east along the proposed Mitchell Freeway (west side included) to the proposed extension of Lukin Drive, west along Lukin Drive (north side included) to Connolly Drive.

JOHN BUTLER PRIMARY COLLEGE (January 2014)

The following defines the local-intake area of this school—

From the junction of the coastline and the locality boundary between Alkimos and Eglington south east along the coastline to a point west of the extension from the junction of Carmethan Avenue and Marmion Avenue, east along this line to the junction of Carmathen Avenue and Marmion Avenue, (north side included), west along Carmathen Avenue (north side included) to Camborne Way, south east along Camborne Way (east side included) to Whitland Street, north east along Whitland Street (north side included) to Goodwick Street, east along Goodwick Street (north side included) to Exmouth Drive, north west along Exmouth Drive (west side included) to Butler Boulevard, north east along Butler Boulevard (north side included) to the proposed extension of the Mitchell Freeway, north along the proposed extension of the Mitchell Freeway (west side included) to the locality boundary between Alkimos and Eglington, west along the locality boundary between Alkimos and Eglington to the coastline.

HAMMOND PARK PRIMARY SCHOOL (January 2014)

The following defines the local-intake area of this school—

From the intersection of the Kwinana Freeway and Russell Road, south along the Kwinana Freeway (west side included) to Anketell Road, west along Anketell Road (north side included) to Abercrombie Road, north along Abercrombie Road (east side included) to Hope Valley Road, north west along Hope Valley Road (north side included) to Rockingham Road, north along Rockingham Road (east side included) to Dalison Avenue, east along Dalison Avenue (south side included) to the railway line, north along the railway line (east side included) to Russell Road, and east along Russell Road (south side included) to the Kwinana Freeway.

KINGSTON PRIMARY SCHOOL (January 2014)

The local-intake area of this school is defined by the following two areas—

1. From the bridge carrying the Australind Bypass over the Brunswick River, north east and south east along the Brunswick River to a point on the northern extension of Inkerman Road, south along this extension to the junction of Victoria Road and Inkerman Road, west along Victoria Road (north side included) to Australind Bypass, north along Australind Bypass (east side included) to its junction with Paris Road, west along Paris Road (north side included) to Brunswick River, north and east along Brunswick River to Australind Bypass.
2. From the junction of the Old Coast Road and Noble Road, west along Noble Road (south side included) and its westward extension to the Indian Ocean coastline, south along the coastline to a point on the westward extension of Buffalo Road, east along this extension and Buffalo Road (north side included) to the Old Coast Road, and north along the Old Coast Road (west side included) to Noble Road.

The following defines an optional area between Kingston Primary School and Brunswick Junction Primary School—

From the junction of the Old Coast Road and Noble Road, east to Runnymede Road and continuing east to the Wellesley River Diversion Drain, south west along the Wellesley River Diversion Drain to the Wellesley River, south along the Wellesley River to the confluence with the Brunswick River, west along the Brunswick River to the Australind Bypass, north along the Australind Bypass (east side included) and continuing north along the Old Coast Road (east side included) to Noble Road.

LAKELANDS PRIMARY SCHOOL (January 2014)

The school will open in 2014 with Kindergarten and Preprimary year levels and in 2015 it will offer Kindergarten to Year 6.

The following defines the local-intake area for this school—

From a point on both the Indian Ocean coastline and local government boundary between City of Mandurah and City of Rockingham, east along this local government boundary to Kwinana Freeway, south west along Kwinana Freeway (west side included) to Mandjoogordap Drive, continue south west along Mandjoogordap Drive (west side included) to the eastern extension of Glendale Street, west along this extension and west along Glendale Street (north side included) to Pebble Beach Boulevard, west along Pebble Beach Boulevard (north side included) to Broadstone Vista, north west along Broadstone Vista (east side included) to Lord Hobart Drive, west along Lord Hobart Drive (north side included) and its extension to the coastline and north along the coastline to the local government boundary between City of Mandurah and City of Rockingham.

LEDA PRIMARY SCHOOL (January 2014)

The following defines the local-intake area of this school—

From the junction of Wellard Road and Bertram Road, south east and south along Wellard Road (west side included) to the local government boundary between Town of Kwinana and City of Rockingham, south west and west along this local government boundary to Mandurah Road, north west along Mandurah Road (north east side included) to Gilmore Avenue, north east along Gilmore Avenue (south side included) to the local government boundary between the Town of Kwinana and the City of Rockingham, north, west and north along this local government boundary to Wellard Road, and south east along Wellard Road (south side included) to the junction with Bertram Road.

MEDINA PRIMARY SCHOOL (January 2014)

The following defines the local-intake area of this school—

From the junction of Thomas Road and Gilmore Avenue, south along Gilmore Avenue (west side included) to Summerton Road, west along Summerton Road (north side included) to the western end of Summerton Road (near the Kwinana Golf Club clubhouse), north along Stanyford Way (east side included) to Gentle Road, west along Gentle Road (north side included) to the proposed Tasker Road, west along the proposed Tasker Road (north side included) and its western extension to the railway line, north along the railway line to Rockingham Road, north east along Rockingham Road (east side included) to the junction with Thomas Road, due west from this point to the coastline of the Indian Ocean and north along the coastline to a point coinciding with the westerly extension of Hope Valley Road, east from this point to and along Hope Valley Road (south side included) to Rockingham Road, south east along Hope Valley Road (southwest side included) to Abercrombie Road, south along Abercrombie Road (west side included) to Thomas Road, and east along Thomas Road (south side included) to Gilmore Avenue.

MILLARS WELL PRIMARY SCHOOL (January 2014)

The following defines the local-intake area of this school—

From the junction of Dampier Road and Broadhurst Road, north along Broadhurst Road (west side included) to Balmoral Road, from this junction north west to the northernmost point of the caravan park site boundary, south west along the north western site boundary of the caravan park to Balmoral Road, south east along Balmoral Road (north side included) to Bathgate Road, south along Bathgate Road (east side included) to Dampier Road and east along Dampier Road (north side included) to Broadhurst Road.

The following defines an optional area between Baynton West Primary School and Millars Well Primary School—

From the junction of Dampier Road and Rosemary Road, south along Rosemary Road to Radley Drive, west along Radley Drive (both sides included) to Church Way, north between the following streets that are all on the east (both sides in each case) and are included in this optional area (Parker Close, Church Way, Gammon Court, Comrie Court, McWhirter Way, Snell Place, Featherby Way and Campbell Court) and the following streets on the west (both sides in each case) and are excluded from this optional area (Fabling Court, Britt Place, Watts Place, Tournay Court, Stickney Way and Birch Place) to Baynton Drive, north along Baynton Drive (both sides excluded) to Dampier Road and east along Dampier Road (south side included) to Rosemary Road.

MOUNT TARCOOLA PRIMARY SCHOOL (January 2014)

The following defines the local-intake area of this school—

From the junction of Brand Highway and Olive Street, north along Brand Highway (east side included) to the railway line, east, south east and east along the railway line to the locality boundary between Karloo and Narngulu, south, west, south and south east along the locality boundary between Karloo and Narngulu to the locality boundary between Karloo and Wandina, west and northwest along the locality boundary between Karloo and Wandina to a point on the eastern extension of Barrett Drive, west along this eastern extension of Barrett Drive to Barrett Drive, west and north west along Barrett Drive (north side included) to Brand Highway, south along Brand Highway (west side included) to Lockyer Road, south west along Lockyer Road (north side included) and its south west extension to the Indian Ocean coastline, generally north along the coastline to a point on the south western extension of Olive Street, north east along this extension and north east along Olive Street (south side included) to Brand Highway.

NORTH PARMELIA PRIMARY SCHOOL (January 2014)

The following defines the local-intake area of this school—

From the junction of Anketell Road and Thomas Road, south west along Thomas Road (north side included) to the western boundary of Marri Park Golf Course, south along the western boundary of Marri Park Golf Course to Orton Road, west along Orton Road (north side included) and across the Kwinana Freeway to the eastern end of Holden Close, west along Holden Close (north side included) to Sulphur Road, west along Sulphur Road (north side included) to the railway line, south west along the railway line to Wellard Road, west along Wellard Road (north side included) to Parmelia Avenue, north along Parmelia Avenue (east side included) to Sulphur Road, east along Sulphur Road (south side included) to Hennessy Avenue, north west along Hennessy Avenue (east side included) to Wiggins Road, north east along Wiggins Road (east side included) to Clarinda Avenue, north from this junction to the proposed junction of Portchester Avenue and Dunrobin Avenue, north along Dunrobin Avenue (east side included) to Nottingham Parkway, north along the western arm of Nottingham Parkway (east side included) to Thomas Road, west along Thomas Road (north side included) to Mclaughlan Road, north along Mclaughlan Road (east side included) to Anketell Road, and east along Anketell Road (south side included) to Thomas Road.

ORELIA PRIMARY SCHOOL (January 2014)

The following defines the local-intake area of this school—

From the junction of Gilmore Avenue and Sulphur Road, east along Sulphur Road (north side included) to Mearns Avenue, south along Mearns Avenue (east side included) to Chisham Avenue, east along Chisham Avenue (north side included) to Parmelia Avenue, north along Parmelia Avenue (west side included) to Sulphur Road, east along Sulphur Road (north side included) to Hennessy Avenue, north west along Hennessy Avenue (west side included) to Wiggins Road, north east along Wiggins Road (west side included) to Clarinda Avenue, north from this junction to the proposed junction of Portchester Avenue and Dunrobin Avenue, north along Dunrobin Avenue (west side included) to Nottingham Parkway, north along the western arm of Nottingham Parkway (west side included) to Thomas Road, west along Thomas Road (south side included) to Mclaughlan Road, north along Mclaughlan Road (west side included) to Anketell Road, west along Anketell Road (south side included) to Abercrombie Road, south along Abercrombie Road (east side included) to Thomas Road, east along Thomas Road (north side included) to Gilmore Avenue, and south along Gilmore Avenue (east side included) to Sulphur Road.

PEGS CREEK PRIMARY SCHOOL (January 2014)

The following defines the local-intake area of this school—

From the junction of Dampier Road and Broadhurst Road (east side included), to Balmoral Road, east along Balmoral Road (south side included) to Cossack Road, north to Corral Road, east and south east along Corral Road (south and west sides included) to Searipple Road, south west along Searipple Road (west side included) to Warambie Road, south along Searipple Road (both sides excluded) from Warambie Road to Dampier Road and west along Dampier Road (north side included) to Broadhurst Road.

SOUTH COOGEE PRIMARY SCHOOL (January 2014)

The following defines the local-intake area for this school—

From the intersection of Yangebup Road and Spearwood Avenue, south along Spearwood Avenue (west side included) to Beeliar Drive, west along Beeliar Drive (north side included) to Tindal Avenue, south along Tindal Avenue (west side included) to Fancote Avenue, east along Fancote Avenue (south side included) to Henderson Road, south along Henderson Road (west side included) to Russell Road, north west along Russell Road (north side included) to the railway line (and the locality boundary between Wattleup and Henderson), south along the railway line (west side included) to Dalison Avenue, west along Dalison Avenue (north side included) to Rockingham Road, north along Rockingham Road (east side included) to Stock Road, and continuing north along Stock Road (east side included) to a point on the western extension of Erceg Road, east from the point on Stock Road along this extension, and continuing east along Erceg Road (south side included) to the railway line, north and east along the railway line to the intersection with Spearwood Avenue, and south along Spearwood Avenue (west side included) to the intersection of Yangebup Road and Spearwood Avenue.

SUCCESS PRIMARY SCHOOL (January 2014)

The following defines the local-intake area of this school—

From the intersection of the Kwinana Freeway and Bartram Road, south along the Kwinana Freeway (west side included) to Russell Road, west along Russell Road (north side included) to a point due south of the centre of Kogolup Lake, north from this point on Russell Road through Thomsons Lake to a point on the western extension of Bartram Road, east from the point on Thomsons Lake along this extension and continuing east along Bartram Road (south side included) to the Kwinana Freeway.

TAMBREY PRIMARY SCHOOL (January 2014)

The following defines the local-intake area of this school—

From the junction of Dampier Road and Bathgate Road, north along Bathgate Road (west side included) to Balmoral Road, north west, west and south along Balmoral Road (south west and south east sides included) to Rankin Road, west along Rankin Road (both sides included) to the main drainage channel running north-south, south along the main drainage channel to Dampier Road and east along Dampier Road (north side included) to Bathgate Road.

TREENDALE PRIMARY SCHOOL (January 2014)

The following defines the local-intake area of this school—

From the junction of Paris Road and Australind Bypass, south along the Australind Bypass (west side included) to the junction with Victoria Road, east long Victoria Road (south side included) to Inkerman Road, south along Inkerman Road (west side included) to Raymond Road, east long Raymond Road (south side included) to the boundary between Lots 2 and 6, south along this boundary to Treendale Road, and continuing south between Lots 3 and 6 and its southern extension along the eastern boundary of Lot 314 to the Collie River, generally west along the Collie River to its confluence with Brunswick River, north along the Brunswick River to the bridge on Paris Road, and east from the bridge along Paris Road (south side included) to the intersection with the Australind Bypass.

WANDINA PRIMARY SCHOOL (January 2014)

The following defines the local-intake area of this school—

From the Greenough River at a point on the eastern extension of Glengarry Road (Moonyoonooka), west along Glengarry Road (south side included) to Prendergast Lane, south along Prendergast Lane (east side included) to Bootenal Road, west and south west along Bootenal Road (south side included) to the Geraldton-Walkaway Road, north west along the Geraldton-Walkaway Road (south west side included) to Rudds Gully Road, south west along Rudds Gully Road (south east side included) to the locality boundary between Rudds Gully and Narngulu, north, west, north west and west along the locality boundary for Rudds Gully to the locality boundary of Wandina, north west along the locality boundary of Wandina to a point on the eastern extension of Barrett Drive, west along this eastern extension of Barrett Drive to Barrett Drive, west and north west along Barrett Drive (south side included) to Brand Highway, south along Brand Highway (east side included) to Lockyer Road, south west along Lockyer Road (south side included) and its south west extension to the Indian Ocean coastline and generally south along the coastline to a point on the south west extension of Phillips Road (Greenough).

YANCHEP BEACH PRIMARY SCHOOL (January 2014)

The following defines the local-intake area of this school—

From a point on the coastline located south west from the junction of Yanchep Beach Road and Two Rocks Road, north east from this point to the junction of Yanchep Beach Road and Two Rocks Road, east along Yanchep Beach Road (north side included) to the western boundary of Yanchep National Park, north and west along this boundary to the intersection with the locality boundary between Yanchep and Two Rocks, west along this locality boundary to the coastline, and south along the coastline to the point on the coastline located south west from the junction of Yanchep Beach Road and Two Rocks Road.

YANCHEP DISTRICT HIGH SCHOOL (January 2014)

The following defines the local-intake area for students in the primary school year levels of Yanchep District High School—

From a point on the coastline located south west from the junction of Yanchep Beach Road and Two Rocks Road, north east from this point to the junction of Yanchep Beach Road and Two Rocks Road, east along Yanchep Beach Road (south side included) to the western boundary of Yanchep National Park, north and west along this boundary to the locality boundary between Two Rocks and Yanchep, north, east and north along the locality boundary of Two Rocks and Yanchep to the local government boundary between City of Wanneroo and Shire of Gingin, east, south and east along this boundary to the local government boundary between City of Wanneroo and Shire of Chittering, south along this local government boundary to the locality boundary between Yanchep and Pinjar, west and south along this locality boundary to Old Yanchep Road, north west along Old Yanchep Road (north side included) to a point on the eastern extension of Doogarch Road, west along this extension and west along Doogarch Road (north side included) to Bernard Road South, south south west from this junction to a point on Wanneroo Road on the eastern extension of the locality boundary between Alkimos and Eglinton, west along this extension and this locality boundary to the coastline, and generally north west along the coastline to the point on the coastline located south west from the junction of Yanchep Beach Road and Two Rocks Road.

DECLARATION OF LOCAL-INTAKE AREAS FOR SCHOOLS WITH SECONDARY STUDENTS

BALDIVIS SECONDARY COLLEGE (January 2014)

The following defines the local-intake area of this school—

From the junction of Mandurah Road and Stakehill Road, north along Mandurah Road to Millar Road West (along which is located the local government boundary of the Town of Kwinana and the City of Rockingham), east along the local government boundary of the Town of Kwinana and the City of Rockingham to Duckpond Road, south east along Duckpond Road (south west side included) to Mundijong Road and the local government boundary between the City of Rockingham and the Shire of Serpentine—Jarrahdale, south west along this local government boundary to its junction with the Serpentine River, south from this junction to Karnup Road, east along Karnup Road (south side included) to Yangedi Road, south along Yangedi Road (west side included) to Henderson Road West, west along Henderson Road West (north side included) to the local government boundary between the City of Rockingham and the Shire of Serpentine—Jarrahdale, south along this local government boundary to the local government boundary between the City of Rockingham and Shire of Murray, west along this local government boundary to the Serpentine River, north along the Serpentine River to the locality boundary between Baldivis and Karnup, west along this locality boundary to the junction of Stakehill Road and Baldivis Road and west along Stakehill Road (north side included) to Mandurah Road.

BYFORD SECONDARY COLLEGE (January 2014)

The following defines the local-intake area of this school—

From the intersection of Tonkin Highway and Rowley Road, east along Rowley Road (south side included) to the local government boundary between the City of Armadale and the Shire of Serpentine-Jarrahdale, north east from this point to the junction of Hilbert Road and the Wungong River, south east and east along the Wungong River to Rowley Road, north east along Rowley Road (south east side included) to Eleventh Road, south east along Eleventh Road (south west side included) to the South Western Highway, south along the South Western Highway (west side included) to the east-west section of the local government boundary between the City of Armadale and the Shire of Serpentine—Jarrahdale, generally east and south east along this local government boundary through the Wungong Reservoir and east, south and east to the local government boundary between the City of Armadale and the Shire of Wandering, north east and east along this local government boundary to the local government boundary between the Shire of Beverley and the Shire of Wandering, east, south, and east along this local government boundary to the local government boundary between the Shire of Brookton and the Shire of Wandering, south along this local government boundary to its extension to Lindy Lane, west along Lindy Lane (north side included) to Metro Road, south on Metro Road (west side included) to Cowcher Road, west along Cowcher Road (north side included) to Albany Highway, north west along Albany Highway (east side included) to the local government boundary between the Shire of Boddington and the Shire of Wandering, west along this local government boundary to the local government boundary between the Shire of Wandering and the Shire of Murray, north along this local government boundary to the local government boundary between the Shire of Murray and the Shire of Serpentine—Jarrahdale, west along this local government boundary to the South Western Highway and continuing west and north along this local government boundary to the local government boundary between the City of Rockingham and the Shire of Serpentine—Jarrahdale, north along this local government boundary to Henderson Road West, east along Henderson Road West (south side included) to Yangedi Road, north along Yangedi Road (east side included) to Karnup Road, west along Karnup Road (north side included) to a point on Karnup Road due south of the junction of the Serpentine River and the drain that is parallel to Wikinson Road, due north from this point on Karnup Road to this drain-river junction on the local government boundary between the City of Rockingham and the Shire of Serpentine—Jarrahdale, north from this drain-river junction along this local government boundary to Mundijong Road, east along Mundijong Road (south side included) to King Road, north along King Road (east side included) to Thomas Road, east along Thomas Road (east side included) to the drain crossing Thomas Road, north along the drain to Kargotich Road, north along Kargotich Road (east side included) to Rowley Road, east along Rowley Road (south side included) to Tonkin Highway.

GILMORE COLLEGE (January 2014)

The following defines the local-intake area of this school—

From a point on the western extension of Hope Valley Road on the Indian Ocean coastline, east along this extension and Hope Valley Road (south side included) to Rockingham Road, north along Rockingham Road (east side included) to the local government boundary between the City of Cockburn and the Town of Kwinana, east along this local government boundary to Mandogalup Road, south along Mandogalup Road (west side included) to a point due north of the junction between Anketell Road and Clementi Road, south to this road junction, east along Anketell Road (south side included) to Thomas Road, south west along Thomas Road (west side included) to King Road, south along King Road (west side included) to Mundijong Road, west along Mundijong Road (north side included) to Duckpond Road, north west along Duckpond Road (east side included) to the local government boundary between Town of Kwinana and City of Rockingham, north west and west along this local government boundary to the Mandurah Road, north west

along Mandurah Road (north east side included) to Gilmore Avenue, north east along Gilmore Avenue (south side included) to the local government boundary between the Town of Kwinana and the City of Rockingham, north, west and north along this local government boundary to Wellard Road, west along the local government boundary to the coastline of the Indian Ocean and north along the coastline to the western extension of Hope Valley Road.

The following defines an optional area between Hamilton Senior High School and Gilmore College—

From a point on the western extension of Hope Valley Road on the Indian Ocean coastline, east along this extension and Hope Valley Road (north side included) to Rockingham Road, north along Rockingham Road (southern section, west side included) to the local government boundary between the City of Cockburn and the Town of Kwinana, east along this local government boundary to Mandogalup Road, north along Mandogalup Road (west side included) and its northern extension to Russell Road, west and north west along Russell Road (eastern section, south side included) to Rockingham Road, north along Rockingham Road (northern section, west side included) to the western section of Russell Road, west along the western section of Russell Road (western section, south side included) and its western extension to the coastline, and south along the coastline to the western extension of Hope Valley Road.

The following defines an optional area for Atwell College and Gilmore College—

From the intersection of the Kwinana Freeway and Rowley Road, south along the Kwinana Freeway (west side included) to Anketell Road, west along Anketell Road (north side included) to Clementi Road, north from this junction to Madogolup Road, north west along Madogolup Road (east side included) to the local government boundary between the City of Cockburn and the Town of Kwinana, east along this local government boundary to Rowley Road, and continuing east along Rowley Road (south side included) to the Kwinana Freeway.
