Pursuant to the powers contained in Section 33 of the *Bush Fires Act 1954*, you are hereby required on or before the 30th day of November 2014 or within fourteen days of you becoming the owner or occupier of land should this be after the 30th day of November 2014 to clear firebreaks and remove flammable materials from the land owned or occupied by you as specified hereunder and to maintain the specified land and firebreaks clear of all flammable materials up to and including the 14th day of March 2015.

“VERTICAL AXIS” means a continuous vertical uninterrupted line at a right angle to the horizontal line of the firebreak

ALL AREAS OF LAND (within the City of Armadale) LESS THAN 5000 m²

On any lot having an area of less than 5,000m², the keeping of grass on the lot at all times covered by this notice to a height less than 5 centimetres will be accepted in lieu of clearing a firebreak.

If the requirements of this notice are carried out by burning, such burning must be in accordance with the relevant provisions of the *Bush Fires Act 1954*.

- MOWED FIREBREAKS ARE NOT PERMITTED

HAZARD REDUCTION

In addition to the provisions of this notice you may be required to carry out further works which are considered necessary by Council or an Authorised Officer of the City and specified by way of a separate written notice forwarded to the address as shown on the City of Armadale rates record for the relevant land.

If permission is not granted by the Council or its duly Authorised Officers you must comply with the requirements of this notice.

In some instances naturally occurring features such as rocky outcrops, natural watercourses or landscaping such as reticulated gardens, lawns or driveways may be an acceptable substitute for cleared firebreaks. This option must first be discussed with an Authorised Officer of the City, and approved by the Authorised Officer in writing.

All firebreaks and other alternative arrangements allowed by the preceding parts of this notice must be established on or before the 30th day of November 2014 (or within 14 days of you becoming the owner or occupier should this occur after that date) and remain clear of flammable material up to and including the 14th day of March 2015.
