**PREAMBLE****Statutory context**

(1) The *Salaries and Allowances Act 1975* (the Act) requires the Tribunal to inquire into and determine the remuneration to be paid or provided to Ministers of the Crown, the Parliamentary Secretary to the Cabinet, Parliamentary Secretaries appointed under section 44A(1) of the *Constitution Acts Amendment Act 1899*, members of committees, and officers and Members of the Parliament.

(2) Section 8(a) of the Act provides that a determination relating to offices identified in sections 6(1)(a), 6(1)(ab) and 6(1)(b) must be issued within 12 months of the previous determination. The Tribunal's most recent determination in relation to the remuneration of Members of Parliament was issued on 20 April 2016.

(3) By issuing this Determination, the Tribunal discharges its obligation under section 8(a).

(4) When issuing determinations under sections 6(1)(a) and (ab), section 10A of the Act requires the Tribunal to consider specific information. Accordingly, in issuing this Determination, the Tribunal has considered the—

- (a) *Public Sector Wages Policy Statement 2016*, which seeks to limit to 1.5% pay rises for public sector employees, consistent with the Department of Treasury's forecast of the Consumer Price Index in 2015-16; and
- (b) financial position and fiscal strategy of the State, as stated in the Government's Financial Projections Statement and Government Financial Strategy Statement, published on 12 May 2016 within the Government's 2016-17 State Government Budget Papers.

(5) The Tribunal consulted with its statutory adviser, Hon George Cash AM, who is appointed under Section 10(4)(a) of the Act to assist the Tribunal.

**Purpose of this Determination**

(6) The Tribunal has issued this determination to confirm the remuneration and allowances payable to Members of the 40th Parliament of Western Australia, which will be established following the WA State General Election on 11 March 2017.

(7) In order to make informed decisions regarding their candidacy in the Election, it is important that prospective Members have the opportunity to consider the levels of remuneration and the structure of allowances.

(8) The Tribunal has sought to balance the competing tensions of accountability of public money and the associated administrative burden, both for Members and the administering agencies. Where the Tribunal considers there to be little benefit in maintaining a drawdown or claimable allowance, which tends to be more burdensome administratively, the Tribunal has preferred the allowance to be payable directly to Members.

**Changes to Electoral Boundaries**

(9) Section 16E of the *Electoral Act 1907* requires Western Australia's electoral boundaries to be set "as soon as practicable after the day that is 2 years after polling day for any subsequent general election for the Assembly."

(10) The most recent review of boundaries was completed in 2015 by the Office of the Electoral Distribution Commissioners and will take effect from the 2017 State Election. The full report is available at <http://www.boundaries.wa.gov.au/have-your-say/2015-final-boundaries-region-and-district>.

(11) While 50 of the 59 electoral districts will undergo boundary changes, the Tribunal has particularly noted the following changes—

- (a) The abolition of the regional district of Eyre, and the creation of an additional metropolitan district;
- (b) The increased size of the regional districts of Albany, North West Central, Central Wheatbelt and Roe (formerly Wagin); and
- (c) The regional districts of Central Wheatbelt and Roe becoming eligible for the Large District Allowance, as set out in section 16G of the *Electoral Act 1907*.

**Provisions for Members of the 40th Parliament**

(12) This Determination will come into effect on 12 March 2017, following the State General Election.

**Salary**

(13) This Determination provides no change to the base salary or additional salary for office holders, which remain at the levels determined in *Members of Parliament Tribunal Determination No. 1 of 2016*, issued on 20 April 2016.

*Motor Vehicle Allowance*

(14) This Determination provides that, after the next State General Election, there will be no longer be an entitlement to a private plated, government leased vehicle for Members. Instead, a motor vehicle allowance will be provided to all Members to address their motor vehicle needs.

(15) Current Members who have an existing government lease and are returned to Parliament at the next State General Election will be entitled to continue the lease until its term expires. No new government leases are to be commenced.

(16) This Determination provides Members with the capacity to make their own transport arrangements, according to their needs.

(17) It is acknowledged that many Regional Members face higher vehicle costs than Metropolitan Members. As a result, a higher allowance will be available for Regional Members, reflecting their need to cover greater distances, for safety equipment and for hire cars from time to time.

(18) The Tribunal considers the Allowance will be sufficient for Members to access a vehicle suitable to their needs.

*Revised Electorate Allowances*

(19) In recognition of changes to electoral boundaries, the Tribunal has—

- (a) Increased the Additional Electorate Allowances for the Districts of Central Wheatbelt and Roe (from \$15,350 to \$17,500);
- (b) Increased the Additional Electorate Allowances for the Agricultural Region (from \$17,500 to \$20,000);
- (c) Increased the Charter Allowance for the Districts of Central Wheatbelt and Roe (from \$20,000 to \$25,000); and
- (d) Increased the Base Accommodation Allowance for the District of Albany (from 30 to 40 nights).

*Charter Allowance*

(20) Use of the Charter Allowance, provided to Regional Members, will be for air charter only.

(21) In recent years, the Charter Allowance has been used increasingly to cover motor vehicle costs, such as over-benchmark costs on private motor vehicles, which was disallowed in the Tribunal's 2015 Determination, and for use of hire cars in the metropolitan area.

(22) Use of the Charter Allowance for these purposes contradicted the original intent of the Charter Allowance, which was to enable Members of large electorates to be able to visit and represent their local communities.

(23) The Tribunal has concluded it is appropriate to specify the uses of the Charter Allowance.

*Postage Allowance for Certain Office Holders*

(24) The Tribunal has removed the "Postage Allowance for Certain Office Holders", which applied to the—

- (a) Leader of the Opposition in the Legislative Assembly;
- (b) Leader of the Opposition in the Legislative Council;
- (c) Leader of a recognised non-Government Party; and
- (d) Deputy Leader of the Opposition in the Legislative Assembly.

(25) The Tribunal considered this to be an outdated Allowance with little practical use in the current context. These expenses are more appropriately absorbed into general office budgets.

*Parliamentary Travel*

(26) In 2013, the Tribunal assumed responsibility for setting the Parliamentary Travel Allowance, previously known as the "Imprest Allowance". This Allowance was provided to enable Members to undertake interstate or international travel, and to attend conferences or short courses.

(27) The community reasonably expects Members to be well informed on issues that affect their local community and the State generally. It is therefore considered reasonable for Members to have opportunities to develop their understanding of issues relevant to their electorates or policy interests. The Tribunal considers this Allowance provides such opportunities.

(28) This allowance was previously provided across the four year Parliamentary term, that is, Members could access a total of \$27,000 for use over four years. Essentially a Member could spend the entire allowance in a single trip or spread it out over the four year term.

(29) The Tribunal considers it reasonable for Members to assess their own need to use this Allowance, and in order to reduce the administrative burden, has determined that the Allowance can be paid to Members as an Allowance, at \$6,750 per annum.

The Determination will now issue.
