58. **Terms used**

In this Part —

allocation limit, of a water resource, means the annual volume of water that is, for the purposes of the Act, allocated for consumptive use;

Note for this definition:

The allocation limit of a water resource is determined by the Department for the purposes of assessing applications for section 5C licences.

allocation status, of a water resource at a particular time, means —

- (a) the proportion of the allocation limit for the water resource that can be taken under section 5C licences and other rights in effect at that time; or
- (b) that there is no allocation limit for the water resource at that time;

applicable allocation status, of a water resource in relation to an application, means —

- (a) the allocation status of the water resource as published on the Department's website on the day on which the application is made; or
- (b) if no allocation status is published on that day — the allocation status of the water resource most recently published on the website;

application means an application for —

- (a) the grant of a permit; or
- (b) the grant, renewal or amendment of a section 5C licence; or
- (c) the grant of a section 26D licence;

consumptive use means taking water under section 5C licences and other rights (including riparian rights and rights under other written laws);

Department's website means a website maintained by or on behalf of the Department;

extraction operation means an operation to remove any of the following from private land for the purpose of sale —

- (a) limestone, rock or gravel;
- (b) shale, other than oil shale;
- (c) sand, other than mineral sand, silica sand or garnet sand;
- (d) clay, other than kaolin, bentonite, attapulgite or montmorillonite;

petroleum pipeline licence means a licence under the *Petroleum Pipelines Act 1969* section 10;

petroleum or geothermal title means a permit, drilling reservation, access authority, special prospecting authority, lease or licence under the *Petroleum and Geothermal Energy Resources Act 1967*;

pipeline operation has the meaning given in the *Petroleum Pipelines Act 1969* section 4(1);

private land, for the purposes of the definition of **extraction operation**, has the meaning given in the *Mining Act 1978* section 8(1);

section 5C licence means a licence under section 5C;

section 26D licence means a licence under section 26D;

water services licence means a licence under the *Water Services Act 2012* Part 2 Division 2;

water supply service has the meaning given in the *Water Services Act 2012* section 3(1).

59. Mining purposes and public water supply purposes

- (1) Water is taken for mining purposes or for public water supply purposes if the proposed use of the water is for mining purposes or for public water supply purposes.
- (2) Water is used for mining purposes if it is used —
 - (a) by the holder of a mining tenement in or in relation to a mining operation; or
 - (b) by the holder of a petroleum or geothermal title in or in relation to a petroleum operation; or
 - (c) by the holder of a petroleum pipeline licence in or in relation to a pipeline operation; or
 - (d) in or in relation to an extraction operation.

- (3) An activity is for mining purposes if it is carried out —
- (a) by the holder of a mining tenement in or in relation to a mining operation; or
 - (b) by the holder of a petroleum or geothermal title in or in relation to a petroleum operation; or
 - (c) by the holder of a petroleum pipeline licence in or in relation to a pipeline operation; or
 - (d) in or in relation to an extraction operation.
- (4) Water is used for public water supply purposes if it is used by the holder of a water services licence in or in relation to the provision of a potable water supply service.
- (5) An activity is for public water supply purposes if it is carried out by or on behalf of the holder of a water services licence in or in relation to the provision of a potable water supply service.

60. Fee for application for grant of permit

- (1) For the purposes of regulation 4(1)(c), the fee for an application for the grant of a permit is —
- (a) if the activity to be authorised by the permit is, to some extent, for mining purposes or for public water supply purposes (whether or not for the taking of water for such purposes) — the fee worked out under subregulation (2); or
 - (b) otherwise — nil.
- (2) The fee is the applicable fee set out in the Table according to the assessment level applicable to the water resource in respect of which the application is made.

Table — Applicable fee

Assessment level		
low	medium	high
\$2 477	\$3 302	\$4 128

- (3) The assessment level applicable to the water resource is —
- (a) if the allocation status of the water resource is relevant to the application — worked out in accordance with the Table; or
 - (b) otherwise — low.

Table — Assessment level

Applicable allocation status of water resource				
$\leq 30\%$	$> 30\%$ but $\leq 70\%$	$> 70\%$ but $\leq 100\%$	$> 100\%$	no allocation limit
low	low	medium	high	low

Note for this Table:

- > signifies more than
- \leq signifies less than or equal to

61. Fee for application for grant, renewal or amendment of s. 5C licence

- (1) For the purposes of Schedule 1 clauses 4(1)(d), 22(1)(b) and 23(3) of the Act, the fee for an application for the grant, renewal or amendment of a section 5C licence is —
 - (a) if the low volume exemption does not apply and at least some of the water to be taken under the licence is for mining purposes or for public water supply purposes — the fee worked out under subregulation (3); or
 - (b) if the low volume exemption applies and at least some of the water to be taken under the licence is for mining purposes or for public water supply purposes — \$200; or
 - (c) otherwise — nil.
- (2) The low volume exemption applies in relation to an application if the maximum volume of water that may be taken under the licence, if granted, renewed or amended in accordance with the application, does not exceed 1 500 kL/annum.
- (3) The fee is —
 - (a) if the application is for the grant of a licence — the applicable fee set out in item 1 of the Table according to the assessment level applicable to the water resource in respect of which the application is made; or
 - (b) if the application is for the renewal of the licence — the applicable fee set out in item 2 of the Table according to the assessment level applicable to the water resource in respect of which the application is made; or
 - (c) if the application is for the amendment of the licence and the amendment requires an assessment of the impact on the water resource

in respect of which the application is made —
the applicable fee set out in item 3 of the Table
according to the assessment level applicable to
the water resource.

Table — Applicable fee

Item	Type of application	Assessment level		
		low	medium	high
1.	new licence	\$5 357	\$7 143	\$8 929
2.	renewal of licence	\$4 001	\$5 335	\$6 668
3.	amendment of licence	\$4 407	\$5 876	\$7 345

- (4) The assessment level applicable to the water resource is —
- (a) if the allocation status of the water resource is relevant to the application — worked out in accordance with the Table; or
 - (b) otherwise — low.

Table — Assessment level

Volume	Applicable allocation status of water resource				
	≤ 30%	> 30% but ≤ 70%	> 70% but ≤ 100%	> 100%	no allocation limit
< 50 000 kL/annum	low	low	medium	high	low
≥ 50 000 but < 500 000 kL/annum	low	medium	high	high	low

Note for this Table:

- > signifies more than
- ≥ signifies more than or equal to
- < signifies less than
- ≤ signifies less than or equal to

- (5) For the purposes of the Table to subregulation (4) —
volume, in relation to an application, means the
maximum volume of water that may be taken under the
licence if granted, renewed or amended in accordance
with the application, regardless of whether only some

of the water is to be taken for mining purposes or for public water supply purposes.

62. Fee for application for grant of s. 26D licence

- (1) For the purposes of regulation 33(2)(d), the fee for an application for the grant of a section 26D licence is —
- (a) if the proposed use of the water is, to some extent, for mining purposes or for public water supply purposes — the fee worked out under subregulation (2); or
- (b) otherwise — nil.
- (2) The fee is the applicable fee set out in the Table according to the assessment level applicable to the water resource in respect of which the application is made.
