**BUSH FIRE ACT 1954***Shire of Esperance***FIRE HAZARD REDUCTION NOTICE**

Notice to Owners and/or Occupiers of Land situated within the Shire of Esperance

As a measure to assist in the control and prevention of bushfires, and pursuant to the powers contained in Section 33 of the *Bush Fires Act 1954* you have a legal obligation to meet the requisitions of this Notice and keep the property complaint from 1 October 2019 until 31 March 2020. The requirements for Residential and Rural land are listed below.

Take notice, that pursuant to Section 33 (4) of the *Bush Fires Act 1954*, where the owner and/or occupier of the land fails or neglects to comply with the requisitions of this Notice within the specified times, the Shire of Esperance (Shire) may by its Authorised Officers and with such servants, workmen and contractors, vehicles and machinery as the Authorised Officers deem fit, enter upon the land and carry out the requisitions of this Notice. Pursuant to Section 33 (5) of the *Bush Fires Act 1954*, the amount of any costs and expenses incurred may be recovered from you as the owner and/or occupier of the land.

**Urban and Rural Residential**

Including Residential, Commercial and Industrial Land within a town site or any other subdivided area for residential purposes—

Where the land is 2000 square metres or less, remove all flammable material, and where the land is vacant, mow or slash the whole of the land to achieve a low fuel condition.

Where the land is 2000 square metres or more, install and maintain a low fuel condition not less than 4 metres (m) wide and 4m high immediately on the inside of all property boundaries.

**Rural Land**

Cleared Land—Boundary fire breaks are not compulsory.

Uncleared Land (except areas set aside for conservation purposes)—install 6 metre wide by 4m high firebreaks immediately inside all external property boundaries. In cases where a property is partially cleared, fire breaks are required where the uncleared land abuts the property boundary.

Failure to comply with the Shire's Fire Hazard Reduction Notice may result in a penalty of up to \$5000, with additional contractor and administration costs to carry out fire prevention works on your property.

**Firebreak Variations**

If it is, for any reason, impractical to clear fire breaks or remove flammable material as required by this Notice, you may apply to Council, no later than 1 October 2019, for permission to provide fire breaks in alternative positions or take alternative action to remove or minimise the fire hazard. Should permission for a variation not be granted, you must comply with the requirements of this Notice.

An application to vary location and type of firebreaks can be downloaded from the Shire website.

**Bushfire Management Plans (may be required)**

All properties that are subject to a Bushfire Management Plan as a result of a subdivision, development application or a Shire approved treatment plan must comply with the requirements of such plans in their entirety.

**Definitions**

For the purpose of this Notice, the following definitions apply—

**Authorised Officer** means a person appointed by the Shire of Esperance as a Bushfire Control Officer

**Fire Breaks** means a strip of land achieving a low fuel condition to the specified width and height as required by this notice. This can be achieved through mowing, slashing, parkland clearing, or any other means to achieve this objective.

**Flammable Material** means any material that can be easily ignited or is likely to catch fire and burn or any other thing deemed by an authorised officer to be capable of combustion. Flammable material can be but is not limited to dead or dried grasses, a build-up of leaf litter, dead or dried timber or trees, stockpiles of boxes, cartons or papers. This does not include living trees, shrubs and plants under cultivation

**Low Fuel Condition** means an area where all flammable material has been reduced to a height of not more than 50mm. This can be achieved through mowing, slashing, parkland clearing, grazing, spraying or any other method to achieve the same objective.

**Trafficable** means allowing for travel around a property boundary in a 4x4 fire truck on an uninterrupted track.

A firebreak is not to terminate in a dead end without provision for escape to a safe place, or providing a cleared turnaround area of not less than 17.5 metres radius.

**Important Dates**
