METROPOLITAN REGION SCHEME MINOR AMENDMENT 1356/57  
Metropolitan Redevelopment Authority Normalisation  
Central Perth and Subiaco  
Call for Public Submissions

The Western Australian Planning Commission (WAPC) is seeking public comment on a proposal to amend the Metropolitan Region Scheme (MRS) for land in the local government areas of Cambridge, Perth, Subiaco and Vincent.

The purpose of this amendment is to re-establish the various zones and reservations in the central districts of the MRS to zone and reserve portions of the land currently under the planning control of Development WA (formerly the Metropolitan Redevelopment Authority), pursuant to the *Metropolitan Redevelopment Authority Act 2011*.

Proposals within the amendment will facilitate the future 'normalisation' of the land, when planning control is transferred from Development WA to the WAPC and the relevant local government, and is

principally an administrative process. The proposed zones and reservations are consistent with the existing land uses and Development WA's statutory planning framework for the land.

The WAPC certifies that, in its opinion, the proposed amendment does not constitute a substantial alteration to the MRS.

**DECLARATION OF PLANNING CONTROL AREA 137**  
Paganoni Road Realignment

File: 835/2/28/14

**General description**

The Minister for Planning has granted approval to the declaration of a planning control area over land at Lot 805 Paganoni Road, Karnup as shown on Western Australian Planning Commission (WAPC) plan number 3.2741.

**Purpose**

The purpose of the planning control area is to provide immediate protection for the realignment of Paganoni Road. The WAPC considers that the planning control area is required to ensure that no development occurs on this land which might prejudice this purpose until it may be reserved for Other Regional Roads in the Metropolitan Region Scheme.

**Duration and effects**

The declaration remains in effect for a period of five years from the date of publication of this notice in the *Government Gazette* or until revoked by the WAPC with approval by the Minister, whichever is the sooner.

A person shall not commence and carry out development in a planning control area without the prior approval of the WAPC. The penalty for failure to comply with this requirement is \$200,000 and, in the case of a continuing offence, a further fine of \$25,000 for each day during which the offence continues.

Compensation is payable in respect of land injuriously affected by this declaration, and land so affected may be acquired by the WAPC in the same circumstances and in the same manner as if the land had been reserved in the Metropolitan Region Scheme for a public purpose.

- (b) Ensure that each Committee has sufficient scope and workload to justify the higher level of remuneration.

### 2.2 Remuneration

(1) Members of certain University Governing Councils are eligible to receive remuneration fees specified in the Table below, subject to the eligibility criteria in Part 2.1.

(2) Each eligible member must make an annual application to the respective Governing Council to receive the remuneration specified for their position. Once an application has been made, the University must remunerate the member according to their applicable rate. If an eligible member does not make an annual application, their remuneration fees will be \$0.

(3) Each member is entitled to the remuneration applicable to one category only, the remuneration levels are not cumulative.

(4) An eligible member may accept or decline the remuneration payments in full. In deciding whether to accept or decline remuneration payments, eligible members should be mindful that accepting such payment may mean that the member is no longer deemed a volunteer for the purposes of, for example, work health and safety legislation thereby potentially increasing their exposure to relevant liabilities. If members have any questions they should seek the advice of their respective University.

(5) If an eligible member has entered into an arrangement with an employer which provides that the remuneration payments are to be paid to the employer as part of the member's conditions of employment, payment will be made to the employer.

(6) Remuneration payments will be subject to PAYG tax under Australian Taxation Office legislation. Employer superannuation guarantee contributions, levies and payroll tax will be payable by the University.
