MINING ACT 1978

MINISTERIAL STATEMENT OF OPINION

Exemption from Expenditure Conditions for Exploration Licences

This Statement recognises the impacts of current and future mitigation risk measures required to protect Western Australia against the spread of the COVID-19 pandemic.

In relation to section 102(3) of the Mining Act 1978 (the Act)¹, I am of the opinion that until 31 March 2021 a reason for granting of an exemption from expenditure conditions for the holder of a Mining Tenement under section 102 of the Mining Act can be that the holder was unable to meet the expenditure requirements relating to the tenement as the direct result of COVID-19 or restrictions imposed by governments in response to the COVID-19 pandemic.

Applicants should therefore provide a statement demonstrating that exploration expenditure conditions have not been met because of a direct result of the effects of COVID-19 and/or the restrictions imposed by governments in response to the COVID-19 pandemic; which will then be considered in determining the application.

Hon BILL JOHNSTON MLA, Minister for Mines and Petroleum.

¹ ... exemption may also be granted for any other reason which may be prescribed or which in the opinion of the Minister is sufficient to justify such exemption.
