PART 2—CLASSIFICATION FRAMEWORK FOR SPECIAL DIVISION OFFICES

This Part deals with the classification framework applicable to Special Division offices listed in Part 1 of this Schedule.

2.1 General

- (1) Special Division offices listed in this Schedule have been assigned by the Tribunal to one of four classifications designated Band 1 to Band 4.
- (2) Each classification (Band 1 to Band 4) has a commensurate annual salary as specified in this Section. The salary is exclusive of other benefits described further below in Parts 3, 4, 5 and 6.
- (3) Chief Executive Officers (CEOs) have been designated a higher salary range within each BAND in recognition of the distinction between CEOs with end of line responsibility and non-CEOs in subordinate positions.
- (4) The Tribunal will review the classification of an office when that office becomes vacant and prior to a new appointment being made.

Table 4: Annual salary range for the classification of Chief Executive Officers in the Special Division of the Public Service

Band 4	\$190,776	\$227,819

PART 3—MOTOR VEHICLE BENEFITS

This Part deals with the motor vehicle benefits paid or provided to Office holders listed in Part 1 of this Schedule.

3.1 General

- (1) In addition to the salary determined for the office holders listed in Part 1 of this Schedule, those office holders have an entitlement to an allowance which may be taken as cash with salary or may be utilised to access a motor vehicle for private use leased through State Fleet.
- (2) The vehicle (being part of the Government-owned State Fleet) should be managed in accordance with the policies and conditions established and amended from time to time by the Department of Finance (the effective owner of the State Fleet). Applicable terms and conditions are currently set out in the document “State Fleet—Agency General Agreement”.

(3) A person holding more than one Special Division or Prescribed Office, shall be entitled to a motor vehicle or cash in lieu of a motor vehicle for one such office only, being the office classified or remunerated at the highest level.

(4) An individual accessing a vehicle under this Part shall take due care of the condition and security of the vehicle. This includes responsibility for ensuring the vehicle is regularly serviced and maintained at government expense according to the manufacturer's recommended specifications, and making arrangements for off-street parking at home, whenever practicable, with appropriate security precautions taken at all times. Any theft or damage should be reported to the Fleet Manager.

(5) Motor vehicles leased for office holders under this determination or a previous determination of the Tribunal shall not be changed or cash in lieu taken prior to the expiration of the lease.

(6) While the vehicle may be used anywhere in Western Australia at no cost to the individual, if the vehicle is driven interstate, the individual is liable for the cost of fuel and oil while interstate. Furthermore, if used outside of Western Australia, the custodian must be in the vehicle at all times that it is being used.

(7) Should the officer choose not to use the vehicle, supplied through State Fleet, for business, or for travelling to and from work, but allows and authorises the vehicle to be used for private use during business hours by another family member or person, they are not entitled to access another government vehicle for their private use, including transport to and from work.

(8) Should the officer choose to take cash in lieu of a motor vehicle supplied through State Fleet, it is not the Tribunal's intent that this should result in additional government expense or an increase in the government fleet to provide transport for the office holder during business hours. The office holder is not entitled to claim a mileage allowance for use of their private vehicle for work purposes. Neither are they entitled to access another government vehicle for their personal use including transport to and from work.

3.2 Notional value of the lease and the cost to the Office Holder

(1) The notional value of the lease (and all associated costs) shall be—

Table 6: Notional Value of a Motor Vehicle

Salary of Office Holder	Notional value of the lease
Below \$246,397 p.a.	\$20,300 p.a.
Equal to or above \$246,397 p.a.	\$22,650 p.a.

(2) The notional value of the lease shall be calculated on a pro rata basis in accordance with the proportion of full-time hours worked by an office holder.

(3) Office holders located in non-metropolitan locations that require a four wheel drive vehicle for operational reasons, can apply to the employing authority for the issue of a four wheel drive vehicle in lieu of the entitlement mentioned in this Section. Four wheel drive vehicles shall be of a standard, the cost of which does not exceed the Toyota Prado GXL Automatic 3.0 litre Turbo Diesel.

(4) The total lease cost of the chosen vehicle and accessories determined in this section, must be borne by the office holder. This includes the purchase cost of any accessories and the installation cost and removal costs if required, before disposal of the vehicle. No additional costs shall be incurred by the office holder as a result of fluctuations in lease costs during the specified term of the lease.

(5) In the event an office holder's motor vehicle requires modifications to cater for a disability, resulting in total vehicle costs higher than the notional lease values in Table 6, then the reasonable additional cost may be approved by the office holder's employing authority.

(6) Where the total lease and associated costs of a vehicle and accessories in accordance with this determination is less than the relevant motor vehicle benefit determined in this section, the difference in the cost to Government is to be paid fortnightly as part of the office holder's remuneration.

(7) The method of determining whether an additional contribution must be made by the office holder or the surplus is to be paid to the office holder, shall be based on the notional lease cost to the Government of the vehicle sought (using the formula detailed below), compared with the relevant notional lease value determined for the benefit in this section. The cost at the time of entering into the lease is applicable.

(8) The notional value of the vehicle benefit must include the lease cost, Fringe Benefits Tax (FBT) and all other operating costs based on the relevant figure of nominated kilometres to be travelled annually. The formula to be adopted in valuing the motor vehicle is outlined in Table 7.

Table 7: Value of a Motor Vehicle Formula

Value of a Motor Vehicle =		
L + R + aD + FBT + I + LCT, where		
L	=	Lease payments
R	=	Registration costs
a	=	Running cost per kilometre
D	=	nominated annual kilometres
FBT	=	Fringe Benefits Tax
I	=	Insurance
LCT	=	Luxury Car Tax

(9) FBT is costed at applicable Australian Taxation Office rates. FBT is costed at purchase price (including GST) x Statutory fraction x Gross up (2.0802) x FBT rate (0.470). A 'Fringe Benefits Tax Exempt Agency' means where an organisation is exempt from FBT in accordance with Commonwealth Government legislation, a notional amount equal to the standard FBT must be added to the cost of the benefit.

(10) Each lease should be tailored to achieve the most cost-effective arrangement based on individual usage patterns.

3.3 Choice of motor vehicle

(1) Where an office holder elects to access a leased vehicle under State Fleet arrangements, he/she may choose any vehicle and accessories in the relevant Western Australian Government Common Use Contract or an "off contract" vehicle and accessories available under Government leasing arrangements in accordance with the following criteria.

(2) Vehicles with V8 engines are not included. Supercharged and turbo-charged engines with a capacity greater than 3.0 litres are not included.

(3) Office holders unable to lease their choice of vehicle within the scope of the arrangements set out in this determination should elect to make their own arrangements to meet their personal transport needs.

3.4 Cash value of the motor vehicle benefit

(1) Where a person elects not to be provided with a motor vehicle through State Fleet he/she is entitled to the cash value being paid fortnightly as additional remuneration. The relevant cash value is to be determined in accordance with the following criteria—

Table 8: Cash Value of a Motor Vehicle

Salary of Office Holder	Cash Value
Below \$246,397 p.a.	\$20,300 p.a.
Equal to or above \$246,397 p.a.	\$22,650 p.a.

(2) The cash value of a motor vehicle shall be calculated on a pro rata basis in accordance with the proportion of full-time hours worked by an office holder.

PART 4—DISTRICT AND TRAVEL ALLOWANCES

This Part deals with the district and travel allowances paid or provided to Office holders listed in this Part.

4.1 District Allowances

(1) Officer holders listed in this Section shall be entitled to the applicable district allowances, if they are residing in the relevant region of their department or agency, in accordance with the *District Allowance (Government Officers) General Agreement 2010* and the relevant provisions of the *Public Service Award 1992* as at the date of this determination. Applicable FBT shall be payable by the relevant department or agency.

(2) For the purposes of calculating the standard rate, dependant rate or partial dependant rate applicable under the *District Allowance (Government Officers) General Agreement 2010* the standard rates set out in Table 9 below shall form the basis of the calculations unless and until determined otherwise by the Tribunal.

Table 9: District Allowances

(3) A claim for an electricity subsidy made under this Section must be submitted within 90 days of the due payment date of the tax invoice. In the case of exceptional circumstances, the administering authority may approve an extension of time to submit a claim. Any application made to the administering authority seeking an extension of time to submit a claim under this Section, should be in writing and explain the exceptional circumstances leading to the need for extra time to submit a claim. Exceptional circumstances, for which an extension will be approved, will only be where the office holder has demonstrated that the claim submission has been delayed for reasons outside the office holder's control or in circumstances where ill health or bereavement has prevented a claim being made on time. Where delays in submitting a claim have been due to administrative oversight or negligence, the Tribunal does not regard these as circumstances appropriate to grant an extension of time to submit a claim. Where a claim is made after 90 days and no extension has been granted, payment against the claim will not be made.

(2) Superannuation contributions to the Gold State Super scheme are based on the concept of remuneration set out in Regulation 5 of the *State Superannuation Regulations 2001*. The Department of Treasury document titled *Ordinary Time Earnings and the Treatment of Allowances and Payments for Superannuation Remuneration Purposes—General Principles* provides useful guidance on this matter. The document can be found on the Department of Treasury web site at—
