- (1) In this Division —  
*procedural decision* means a reviewable decision made under a provision listed in the Table to Schedule 1 clause 2;  
*reviewable decision* means a decision that is reviewable under section 120Z(1) of the Act.
- (2) Decisions made under provisions of the Pilbara networks rules listed in the Table to Schedule 1 clause 1 are specified for the purposes of section 120Z(1) of the Act.

### **13B. Review by Board: all reviewable decisions**

- (1) A person whose interests are adversely affected by a reviewable decision may apply to the Board for a review of the decision.
- (2) The Board may make an order affirming, setting aside or varying (immediately or as from a specified future date) the decision and, for the purposes of the review, may exercise the same powers with respect to the subject matter of the decision as may be exercised with respect to that subject matter by the person who made the decision.
- (3) The Board may refuse to review a reviewable decision if it considers that the application for review is trivial or vexatious.
- (4) A determination by the Board on the review of a reviewable decision has the same effect as if it were made by the person who made the decision.
- (5) The Board must give an applicant written reasons for a determination that —
  - (a) the applicant is not a person whose interests are adversely affected by a reviewable decision; or
  - (b) the application is trivial or vexatious.
- (6) This regulation is subject to regulation 13C.

### **13C. Review by Board: procedural decisions**

- (1) In reviewing a procedural decision, the Board is to consider only the question of whether the decision maker followed the procedure required to be followed under these regulations or the Pilbara networks rules in connection with the making of the decision.

- (2) In reviewing a procedural decision, the Board is to be constituted by a legal practitioner only.
- (3) In reviewing a procedural decision, the Board must —
  - (a) if it finds that the decision maker followed the procedure — affirm the decision; or
  - (b) if it finds that the decision maker did not follow the procedure — set the decision aside and remit the matter to the decision maker.
- (4) If the Board remits a matter to the decision maker under subregulation (3)(b), the Board may make recommendations as to how the decision maker should go about making the decision.

**13D. Application for review**

- (1) An application for review of a reviewable decision must be made within —
  - (a) if notice of the making of the decision is required by these regulations or the Pilbara networks rules to be given to a person affected by the decision — 28 days after the day on which the notice is given; or
  - (b) in any other case — 28 days after the day on which notice of the making of the decision is published in accordance with subregulation (2).
- (2) For the purposes of subregulation (1)(b), notice of the making of a decision is published if the notice is published on a website maintained by the Coordinator.
- (3) An application for review of a reviewable decision must —
  - (a) be in writing; and
  - (b) state the name and address of the applicant; and
  - (c) provide details of the decision, including who made the decision and under which regulation or Pilbara Networks rule the decision was made or purportedly made; and
  - (d) state how the applicant is adversely affected by the decision.
- (4) The Board may extend the time within which an application for review of a reviewable decision may be made by 14 days, and may do so even though the time has elapsed.
- (5) The Board must give written notice of an application for review of a reviewable decision to the person who made the decision.

**13E. Effect of application for review**

- (1) The making of an application for review of a reviewable decision does not affect the operation of the decision or prevent the taking of action to implement it unless the Board, on application by a party to the proceedings, makes an order under subregulation (2).
- (2) The Board may make an order staying or otherwise affecting the operation or implementation of the whole or a part of the decision if the Board thinks that it is appropriate to do so for the purpose of securing the effectiveness of the hearing and determination of the application, after taking into account the interests of any persons who may be affected by the review.
- (3) An order under subregulation (2) —
  - (a) may be varied or revoked; and
  - (b) is subject to the conditions specified in the order; and
  - (c) has effect until the earlier of —
    - (i) the end of the period of operation specified in the order (if any); or
    - (ii) the time at which the decision of the Board on the application comes into operation.

**13F. Procedure generally**

- (1) This regulation applies to proceedings before the Board for a review of a reviewable decision.
- (2) The Board must make its determination on the review within 120 days after receiving the application for review.
- (3) The Board may extend, or further extend, the period referred to in subregulation (2) by a period of 30 days if it considers that the matter cannot be dealt with properly without the extension, either because of its complexity or because of other special circumstances.
- (4) If the Board extends the period referred to in subregulation (2), it must, before the end of the period, notify the applicant of the extension and the reasons for it.
- (5) The Board may require the Pilbara ISO or the Authority to give information and other assistance, and to make reports, as specified by the Board for the purposes of the proceedings.

- (6) In the proceedings —
  - (a) it is a reasonable excuse for a person to fail to answer a question if answering the question might tend to incriminate the person; and
  - (b) it is a reasonable excuse for a person to fail to produce a document if producing the document might tend to incriminate the person.
- (7) On the application of a party to the proceedings, the Board may conduct the proceedings in the absence of the public.
- (8) If the Board is satisfied that it is desirable to do so because of the confidential nature of any evidence or matter or for any other reason relating to the proceedings the Board may, by order —
  - (a) give directions prohibiting or restricting the publication of evidence given before the Board (whether in public or private) or of matters contained in documents filed with, or received in evidence by, the Board; or
  - (b) give directions prohibiting or restricting the disclosure to some or all of the parties to the proceedings, of evidence given before the Board or of matters contained in documents filed with, or received in evidence by, the Board.
- (9) In considering whether to make an order under subregulation (8) the Board is to take as the basis of its consideration the principle that the evidence and the matters contained in the documents should be made available to all parties, but must pay due regard to any reasons given to the Board as to why publication or disclosure of the evidence or matter should be prohibited or restricted.
- (10) A witness summoned to appear at a hearing of the Board is entitled to be paid such allowances and expenses as the Board determines.
