ELECTORAL

EL401

ELECTORAL ACT 1907

PROPOSED CHANGES TO WA ELECTORAL BOUNDARIES—

Objections Invited

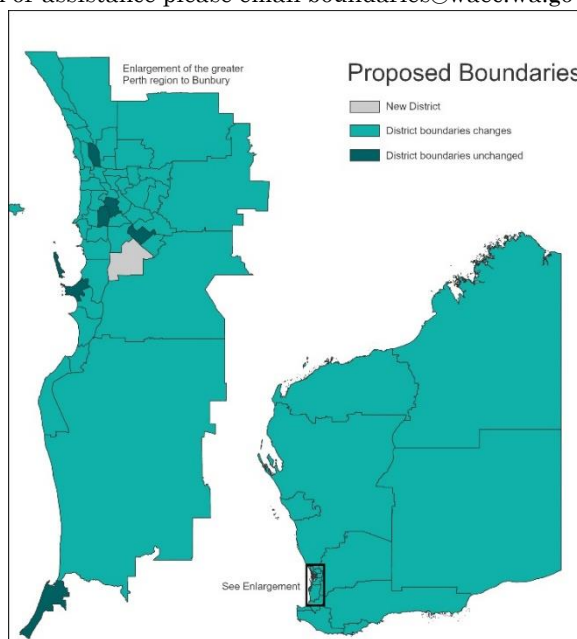

The Electoral Distribution Commissioners have proposed significant changes to Western Australia's State electoral boundaries. These changes are necessary to keep the number of electors in each district within the range permitted by the *Electoral Act 1907*. In total, 53 of the State's 59 electoral districts have their boundaries altered to some degree under the proposed changes.

The most significant changes proposed by the Commissioners are the creation of a new district in the south metropolitan area, and the merging of the regional districts of Moore and North West Central. The Commissioners have also proposed name changes for six districts, primarily where a locality or landmark that previously lent its name to the district no longer belongs to, or has become a less prominent part of, that district.

Maps of the proposed changes and an explanation of the Commissioners' reasoning can be found on the Electoral Boundaries WA website (www.boundaries.wa.gov.au). Physical copies are available for inspection at the Western Australian Electoral Commission, Level 2, 111 St Georges Terrace, Perth.

The website also contains advice on how to provide written objections, comments or suggestions in response to the proposals, which must be lodged no later than 5:00pm 21 August 2023

For further information or assistance please email boundaries@waec.wa.gov.au.

Dated 21 July 2023.
