- (c) All other Conditions have immediate effect on and from the date of this Notice.

Dated 22 August 2023.

Dr MICHAEL SCHAPER, Chair, Gaming and Wagering Commission.

**SCHEDULE 1 – Approved Event and Approved Contingency Betting Conditions****1. Preliminary**

1.1. A Bookmaker may only offer betting on an Approved Event to the extent they are permitted to do so under and in compliance with any written law.

1.2. It is the responsibility of the Bookmaker to ensure Customers are made aware of this Notice and these Conditions prior to accepting any betting in relation to an Approved Event. A Bookmaker shall promptly make available a copy of these Conditions to a Customer upon request.

1.3. The location for the formation of the contract between the Bookmaker and a Customer for betting on Approved Events must be Western Australia and the contract made subject to the laws of Western Australia.

**2. Controlling authorities**

2.1. A Bookmaker must not offer betting on an Approved Event in which any Participant's Controlling Authority is a SCB, unless a PFIA is in effect between the SCB and the Bookmaker in relation to that Approved Event.

2.2. A Bookmaker must provide a copy of their PFIA(s) to the Commission in accordance with the request by the Commission to do so.

2.3. The Bookmaker must, before conducting any bet with a Customer in relation to an Approved Event and as a condition of any such betting, obtain the Customer's consent to disclose personal information it may obtain from the Customer to the Controlling Authority for that Approved Event.

**3. Licensee must have Additional Terms Applicable to Approved Event Betting**

3.1. Before a Bookmaker conducts betting on Approved Events, the Bookmaker must prepare additional terms for the treatment of the following matters with respect to betting on Approved Events—

- (a) right to refuse—e.g., discretion of Bookmaker in relation to opening accounts, providing credit or accepting any bet;
- (b) determination of result—e.g., extra time, cancelled or abandoned Events;
- (c) management of manifest errors;
- (d) when bets are void;
- (e) cancellation of bets;
- (f) refunds;
- (g) maximum bet limits;
- (h) Event location change;
- (i) intentional exploitation of a market or rule of the Event;
- (j) intentional abuse of manifest errors;
- (k) suspension of betting account;
- (l) consent to disclose personal information obtained from a customer to the Controlling Authority for that Approved Event; and
- (m) as required, other matters related to the terms and conditions governing transactions between the Bookmaker and a Customer that are not covered in these Conditions or an applicable law.

3.2. These additional terms are to clearly be identified as **Additional Terms Applicable to Approved Event Betting with [name of licensed Bookmaker] ("Additional Terms")**

3.3. Additional Terms must have an effective date from which they apply to betting on Approved Events with the Bookmaker.

3.4. A Bookmaker must provide a copy of the Additional Terms to the Commission no later than seven days following an effective date.

3.5. The Additional Terms must not conflict with any of these Conditions or any other law applicable in Western Australia.

3.6. The Bookmaker must ensure that a Customer has actual or constructive knowledge of the Additional Terms and that the Customer has agreed to be bound to the Additional Terms prior to commencing any betting on Approved Events.

3.7. Where a discrepancy exists between the Additional Terms and any requirement under—

- (a) the *Interactive Gambling Act 2001* (Cth)
- (b) the *Gaming and Wagering Commission Act 1987*;
- (c) the *Betting Control Act 1954*;
- (d) the Rules of Wagering 2005 under the *Racing and Wagering Western Australia Act 2003*; or
- (e) any other written law,

(each a 'Legislative Requirement'), the Legislative Requirement shall prevail and the Additional Terms must be amended by the Bookmaker as soon as practicable after becoming aware of the discrepancy and the Bookmaker will comply with Conditions 3.2 to 3.6 again in respect of the amended Additional Terms.

#### **4. Verification**

4.1. Bookmakers may only open a betting market in relation to an Approved Event if the outcome of that betting market has an official result, determined by a Controlling Authority and which official result—

- (a) is publicly accessible; and
- (b) can be determined by the Controlling Authority for the Approved Event within five days of the conclusion of the Event or Contingency; and
- (c) can be independently verified.

#### **5. Market time span**

5.1. All betting markets for an Approved Event must be able to be settled within four years of the date the market was first offered, other than in circumstances where the Event has a predetermined timeframe for settlement, as scheduled by a Controlling Authority.

5.2. All betting markets for an Approved Event which is an Entertainment Event dependent on public voting must cease to be offered at the same time as public voting ceases.

#### **6. Prohibition on Events or contingencies restricted to, or related to, minors**

6.1. Betting markets must not be offered on an Approved Event or Approved Contingency that is restricted to persons under the age of 18 years.

6.2. Betting must not be offered on a market that specifically relates to an individual Participant under the age of 18 years.

#### **7. Maximum stakes for certain bets**

7.1. Any betting market for an Approved Event which is a reality television show (or any other similar Event) dependent on public voting must have a maximum stake for a bet of no greater than \$500.

7.2. Any betting for an Approved Event which is a pre-recorded television show (or any other similar Event) where the outcome has been determined prior to broadcast must have a maximum stake for a bet of no greater than \$500.

#### **8. Poor taste**

8.1. Bookmakers must not offer betting markets for Approved Events that are offensive, distasteful, unsavoury or cause affront to public standards.

8.2. Without limiting Condition 8.1, a betting market for an Approved Event must not be offered if it involves—

- (a) the death of a living person or animal;
- (b) criminal conduct or appears to induce criminal conduct;
- (c) a risk of inciting an individual to breach a Controlling Authority's rule; or
- (d) any discriminatory or derogatory inferences related to a person's—
  - i. race;
  - ii. sex;
  - iii. age;
  - iv. pregnancy;
  - v. impairment;
  - vi. marital status;
  - vii. gender history;
  - viii. sexual orientation;
  - ix. religious or political conviction; or
  - x. family responsibility or family status.

8.3. Bookmakers must take a conservative approach when determining to offer a betting market on an Approved Event and if a Bookmaker is unsure as to whether a betting market would be reasonably considered to be in breach of Condition 8.1 or Condition 8.2, the Bookmaker must seek a ruling from the Commission prior to offering the betting market.

8.4. Upon notification by the Commission to do so, a Bookmaker must immediately close a betting market for an Approved Event and refund all bets taken on any market considered by the Commission to be offensive, distasteful, unsavoury or cause affront to public standards.

#### **9. Transactions**

##### **Forms of betting**

9.1. All bets in relation to an Approved Event shall be in accordance with the Approved Contingencies for the Event.

##### **No requirement to quote on all potential outcomes or contingencies**

9.2. Bookmakers may, subject to otherwise complying with this Notice, at their absolute and sole discretion, determine the Approved Contingencies and the markets for an Approved Event on which the Bookmaker will accept bets or quote prices (including, without limitation, whether an 'outcomes not quoted' selection is offered).

9.3. If a Bookmaker elects not to list all potential market outcomes for an Approved Contingency and does not offer an 'outcomes not quoted' selection, the market is offered on the basis that quotes are available on request for the other remaining potential outcomes. Bookmakers must give notice sufficient to a Customer that 'outcomes not quoted' may be successful.

9.4. Bookmakers may, at their absolute and sole discretion, at any time prior to the close of betting on an Approved Event and without prior notification or reason—

- (a) elect not to accept further bets or cease to quote, or suspend quotation of prices on any Approved Event or Approved Contingency or market for the Approved Event;
- (b) commence or resume, accepting bets or quoting prices, on any Approved Event or market or Approved Contingency for the Approved Event; and
- (c) accept a bet on a market or Approved Contingency for an Approved Event notwithstanding that the Bookmaker was not at the relevant time quoting prices on that market or Approved Contingency for the Approved Event.

#### **Payments for outcomes not quoted**

9.5. For the payment of payouts, the 'outcomes not quoted' selection is deemed to be a single competitor, and accordingly can only be paid the equivalent of one payout, irrespective of the number of 'outcomes not quoted'.
