

22. The owner of any motor vehicle shall, when required by the Traffic Inspector or any police constable, furnish the name and address of the person driving such motor car at any particular time.

23. No person shall use or drive any motor vehicle unless the same is licensed by the Council of the Municipality in which same is kept.

24. No person shall use or drive a motor vehicle, not being a motor cycle, in the said Municipality unless there shall be fixed in a conspicuous position in the front and on the back thereof a rectangular plate in an upright position, upon which is inscribed the licensed number of the said vehicle, together with the distinguishing letter or letters of the Municipality in which the same is licensed, in characters of not less than three and a-half inches high, and of the corresponding breadth, painted in white on a black ground, so that the inscription upon such plates shall be easily distinguishable from in front or behind, as the case may be, and no person shall use or drive any licensed motor vehicle in the said Municipality between sunset and sunrise unless the said plates shall be so illuminated that the inscriptions thereon shall be easily distinguishable.

25. No person shall drive, ride, or impel any motor cycle unless a number plate shall be attached thereto in a conspicuous position containing the number of the license of such cycle; the said number to be at least two inches in height, and to be in white figures on black ground.

26. The Traffic Inspector may, on payment to him of an annual fee of £4, assign to any manufacturer of, or dealer in, motor vehicles, general identification numbers, not exceeding six, which may be used for motor vehicles on trial after completion, or on trial by an intending purchaser.

27. The colouring of the plates having placed thereon or annexed thereto any of such distinguishing numbers, shall be different from that used for the plates required to be used by the owners and specified in Section 24 of these By-laws, but all other provisions of these By-laws as to the size and position of the plates shall apply.

28. Whenever any manufacturer or agent shall use any number assigned to him under these By-laws, he shall keep a record of the name and address of the person driving the motor vehicle on each occasion, and such record shall be open to inspection at any time by the Traffic Inspector or any person appointed by him, in writing, to make an inspection.

29. The Traffic Inspector shall keep in the register of motor vehicles a record showing the name of the manufacturer or dealer to whom any general identification numbers have been assigned, the place of business of the manufacturer or dealer, and a description of the colouring adopted under the provisions of Section 27 of these By-laws.
