PRICES CONTROL ACT, 1948-1951.

Prices Control Order No. 722.

Prepared Stock and Poultry Foods.

IN pursuance of the powers conferred upon me by the Prices Control Regulations, 1949, I, Constantine Paul Mathea, Prices Control Commissioner, hereby make the following Order:—

Citation.

1. This Order may be cited as Prices Control Order No. 722.

Revocation.

2. Prices Control Order No. 602 is hereby revoked.

Definitions and Interpretations.

3. In this Order, unless the contrary intention appears—

“bushel” means 20 lb.;

“ton” means 2,000 lb.;

“Perth Metropolitan Area” means all that area of Western Australia comprised within a radius of 12 miles from the General Post Office, Perth;

“cost of transport” in relation to any sale of any prepared stock or poultry food, means the cost of transport actually incurred and properly attributable to transporting such food: Provided that such cost of transport shall not be allowed unless it is recorded on an invoice for the food delivered to the seller;

“point of delivery” means, in relation to the sale of prepared stock or poultry food by any person, the place at which liability for payment of transport charges passes to the purchaser from the person from whom such food was purchased;

“by wholesale” means, in relation to any sale of prepared stock or poultry food, that such prepared stock or poultry food is sold to

the purchaser for the purpose of resale and shall also be deemed to apply to sales to users who purchase at each delivery a total of not less than one ton;

“by retail” means, in relation to any sale of prepared stock or poultry food, that such sale is not a sale by wholesale as defined in the preceding clause of this paragraph;

“cost per ton into store” means the price paid or payable per ton for the prepared stock or poultry food, plus the cost of transport from the point of delivery to the seller to the seller’s store.

Maximum Wholesale Price.

4. I fix and declare the maximum price at which prepared stock or poultry food may be sold by wholesale to be the sum of—

(a) the cost per ton into store of the wholesale seller and

(b) (i) where sold ex store, the margin specified in the second column of the Schedule to this Order, according to the cost per ton into store, or

(ii) where delivered to the purchaser’s premises or free on rail or free on wharf, the margin specified in the second column of the Schedule to this Order, according to the cost per ton into store, plus 12s. 6d. per ton, or

(iii) where delivered free on board ship, the margin specified in the second column of the Schedule to this Order, according to the cost per ton into store, plus 22s. 6d. per ton.

Maximum Retail Price.

5. I fix and declare the maximum price at which prepared stock or poultry food may be sold by retail in the original container to be the sum of—

(a) the cost per ton into store of the retail seller, and
