No. 95]

PERTH: MONDAY, 5th OCTOBER

[1953.

PRICES CONTROL ACT, 1948-1952.

Prices Control Order No. 894.

Installing, Repairing and Rewiring of Electric Light and Power Circuits and the connecting of Electric Appliances thereto.

IN pursuance of the powers conferred upon me by the Prices Control Regulations, 1949, I, Constantin Paul Mathea, Prices Control Commissioner, hereby make the following Order:—

Citation.

1. This Order may be cited as Prices Control Order No. 894.

Revocation.

2. Prices Control Order No. 876 as amended by Prices Control Order No. 883, is hereby revoked.

Application.

3. This Order shall apply only to installing, repairing and rewiring of electric light and power circuits and the connecting of electric appliances thereto.

Definitions and Interpretations.

4. In this Order and the Schedules thereto, unless the contrary intention appears—

“dwelling” shall not include hotels, hostels, hospitals, public, charitable or religious institutions;

“electrical contractor” means any person who supplies any service of installing, repairing or rewiring of electric light and power circuits and the connecting of electric appliances thereto;

“Perth Metropolitan Area” means all that area of Western Australia comprised within a radius of 15 miles from the General Post Office at Perth;

“South-West Land Division” means the South-West Land Division as defined in the Land Act, 1933-1938, but not including the Perth Metropolitan Area, as defined in this paragraph;

“Standards Association of Australia Wiring Rules” means the rules known as the “S.A.A. Wiring Rules, Part 1 Wiring Methods” published by the Standards Association of Australia Code No. C.C.1 Part 1—1950;

“light point” means a point as defined in Standards Association of Australia Wiring Rules, No. 58;

“power point” means a general purpose outlet, as defined in Standards Association of Australia Wiring Rules, Rule No. 56 and includes any three pin socket having a rating not exceeding 10 amperes;

“consumer mains” means those cables included in the installation as defined in Standards Association of Australia Wiring Rules, Rule No. 25 and their protection as defined in Regulation No. 251 of Electricity Act Regulations, 1947;

“switchboard” means the main switchboard as defined in Standards Association of Australia Wiring Rules, Rule No. 75, affixed to
