HEALTH ACT, 1911-1960.

Department of Public Health,
Perth, 1st November, 1961.

P.H.D. 940/61.

HIS Excellency the Governor in Executive Council, acting under the provisions of the Health Act, 1911-1960, has been pleased to make the regulations set out in the schedule hereunder.

W. S. DAVIDSON,
Acting Commissioner of Public Health.

Schedule.

Regulations.

1. In these regulations the Sewerage and Drainage Fixtures and Fittings Regulations, 1959, published in the *Government Gazette* on the 15th September, 1959, and amended from time to time thereafter, by notices published in the *Government Gazette* are referred to as the principal regulations.

2. The principal regulations are amended by adding the following regulation:—

10. (1) Every apparatus for the bacteriolytic treatment of sewage, soak well, or leach drain shall be fitted with a cover made of concrete.

(2) A cover mentioned in subregulation (1) of this regulation shall be not less than two inches thick, and shall be reinforced in accordance with Standards Association of Australia Standard A 84 (1st Edition 1958), Table No. 2—No. 606 steel mesh.

(3) A person who manufactures for sale any article intended for use as a cover for an apparatus for the bacteriolytic treatment of sewage, soak well or leach drain shall, before the article is sold, mark the article with his name, or a distinguishing brand.

(4) A person shall not mark any article to which this regulation refers with a distinguishing brand, unless that brand shall first have been approved by, and recorded at the office of, the Commissioner.
