WEIGHTS AND MEASURES ACT, 1915-1958.

Office of Commissioner of Police,
Perth, 12th December, 1961.

HIS Excellency the Governor in Executive Council, acting pursuant to the provisions of the Weights and Measures Act, 1915-1958, has been pleased to make the regulations set forth in the schedule hereunder.

J. M. O'BRIEN,
Commissioner of Police.

Schedule.

Regulations.

Principal regulations.

1. In these regulations the Weights and Measures Regulations, 1927, published in the *Government Gazette* on the 3rd June, 1927, and amended from time to time thereafter by notices published in the *Government Gazette*, are referred to as the principal regulations.

Reg. 113DD added.

2. The principal regulations are amended by adding after regulation 113D the following regulation:—

113DD. (1) In this regulation "calibrated tank" means any composite tank, road tank wagon, rail tanker, barge or like device used, or intended to be used to sell and deliver petroleum liquid products in bulk quantities to resellers and others and includes any dip stick used in connection therewith.

(2) Where any calibrated tank that is in existence and in use, at the commencement of this regulation, has been certified by, and for the purposes of, the Customs Department of the Commonwealth, that calibrated tank is exempt from the provisions of this regulation, for a period of twelve months after its commencement.

(3) A calibrated tank is deemed to be a measuring instrument used for trade.

(4) A calibrated tank may be subdivided into two or more compartments.

(5) Every calibrated tank shall—

- (a) be legibly, prominently and indelibly marked with a serial number for identification;
- (b) be of such strength and construction as not to be liable to become distorted during transport or use;
- (c) be complete with all internal and external fittings before being verified;
