OUTCOME OF SUBMISSIONS

The Western Australian Planning Commission has considered all the submissions received in respect of the above proposed amendments within the Eastern Districts. These proposals were first published in the *Government Gazette* on 12 February 2002. Through the submission review process each of the amendments has been modified, as shown on Western Australian Planning Commission plans 3.1496/1, 3.1497/1 and 3.1502/1.

The amendments, as modified, have been presented to and approved by the Governor in accordance with the requirements of the Metropolitan Region Town Planning Scheme Act. They will now be tabled in both Houses of Parliament, where they must remain for 12 sitting days. During this time either House may, by resolution, disallow any of the amendments.
