EXOTIC DISEASES OF ANIMALS ACT 1993

IMPORT RESTRICTION ORDER NO. 01/2008

Made by the Minister of Agriculture and Food under section 24 of the *Exotic Diseases of Animals Act 1993*.

This Order revokes and replaces Import Restriction Order No. 06/2007.

Unless amended or replaced by a further Order, this Order applies for 30 days from the date of publication in the *Government Gazette*.

Equine Influenza has been confirmed in the States of New South Wales and Queensland.

Except as may be varied from time to time by the Chief Veterinary Officer by means of publication by the Department of Agriculture and Food Western Australia (DAFWA), the restrictions set out in the table below apply to movement to Western Australia from other parts of the Commonwealth of Australia.

Item restricted	Place of origin	Restriction
Horses, donkeys and mules.	Equine influenza infected states or territories.	Movement following entry to non infected states and territories, and the meeting of all requirements to do so, is permitted subject to conditions as published by DAFWA from time to time. Movement from an infected state or territory, other than following entry to non infected states and territories, and the meeting of all requirements to do so, is prohibited.
Horses, donkeys and mules.	States and territories not infected with equine influenza.	Permitted subject to conditions as published by DAFWA from time to time.
Equine products.	Equine influenza infected states or territories.	Prohibited.
Equine products.	States and territories not infected with equine influenza.	Permitted subject to conditions as published by DAFWA from time to time.
Equine reproductive material (including fresh, chilled and frozen semen).	The restricted and control areas as designated by the Amber, Red and Purple zones in New South Wales and Queensland, and on an Infected Property, Dangerous Contact Property and Suspect Property.	Prohibited.
Equine reproductive material (including fresh, chilled and frozen semen).	All areas other than the restricted and control areas as designated by the Amber, Red and Purple zones in New South Wales and Queensland, and on an Infected Property, Dangerous Contact Property and Suspect Property.	Permitted subject to conditions as published by DAFWA from time to time.
