[Heading deleted in Gazette 12 Aug 2003 p. 3663.]

8A. Poisons permit (distribution of samples)

- (1) This permit shall, subject to the succeeding provisions of this regulation, authorise the holder to procure from any manufacturer or wholesale supplier specified therein and to supply to certain persons, samples of poisons included in Schedule 2, 3 or 4 and the permit shall be in the Form 6B in Appendix A.
- (1a) A permit under this regulation may not be issued in respect of a drug declared to be a *specified drug* for the purposes of the Act.
- (2) A permit under this regulation may be granted only to a person who is —
 - (a) a representative of a person —
 - (i) licensed to manufacture poisons or to supply poisons by wholesale dealing; or
 - (ii) licensed under the provisions of the laws of any other State or Territory of the Commonwealth to manufacture poisons or to supply poisons by wholesale dealing;
 - (b) not less than 21 years of age; and
 - (c) of good character,

and the holder of a permit shall, for the purposes of these regulations, be known as a detailer.

- (3) A permit under this regulation shall contain the name and address of the detailer and the name of each manufacturer or wholesale supplier whom he represents.
- (4) Where a detailer ceases to represent a manufacturer or wholesale supplier named in his permit —
 - (a) the permit shall thereupon cease to authorise the detailer to procure samples from that manufacturer or wholesale supplier or to supply to any person samples procured at any time from that manufacturer or wholesale supplier;
 - (b) the detailer shall return to the manufacturer or wholesale supplier any samples that were procured from the manufacturer or wholesale supplier and that are still in the possession or control of the detailer; and
 - (c) within 7 days of ceasing to represent the manufacturer or wholesale supplier, the detailer shall advise the CEO in writing of the fact and deliver up therewith his permit to the CEO and the CEO shall delete from the permit the name of the manufacturer or wholesale supplier or shall cancel the permit, as the case requires.
- (5) A detailer shall not supply a sample to any person who is not —
 - (a) a medical practitioner;
 - (b) a veterinary surgeon;
 - (c) a dentist; or
 - (d) a pharmacist.
- (6) A detailer shall not procure, carry or supply a sample —
 - (a) in the case of an oral contraceptive, for more than 2 months use; or
 - (b) in any other case, for more than 7 days use,where the use is in accordance with directions with the sample for maximum dosage, unless the person wishing to be supplied with a larger sample has first made a written request to the

manufacturer or wholesale supplier represented by the detailer for the supply of the sample.

- (7) Subregulation (6) does not apply to a sample of a proprietary preparation where —
- (a) the sample is the smallest size manufactured for sale; and
 - (b) the CEO, on the recommendation of the Poisons Advisory Committee, has declared such a sample to be a sample to which subregulation (6) does not apply, notwithstanding that the sample may be used —
 - (i) in the case of an oral contraceptive, for more than 2 months; or
 - (ii) in any other case, for more than 7 days,

where the use is in accordance with directions with the sample for maximum dosage.

- (8) A detailer shall not carry more than —
- (a) 25 samples of any single proprietary preparation; or
 - (b) samples of more than 5 different proprietary preparations,

in a vehicle at any one time.

- (9) Where the proper storage of a poison requires that poison be stored under special conditions or at specific temperatures, a detailer shall not store or transport that poison except in a manner which maintains those conditions or temperatures.
- (10) Subject to subregulation (11), a detailer shall not cause or permit samples in his possession or control to be stored other than —
- (a) on the premises of the manufacturer or wholesale supplier whom he represents; or
 - (b) at his address as specified in his permit.

- (11) A detailer may keep samples in a vehicle while he is actually using that vehicle in the course of his business, but at no other time.
- (12) Where pursuant to this regulation samples are stored at an address specified in a detailer's permit which is not a wholesale supplier's premises, the detailer shall cause those samples to be stored in a locked cupboard or locked refrigerator and a detailer shall not cause or permit —
- (a) more than 100 samples of any single proprietary preparation; or
 - (b) samples of more than 5 different proprietary preparations,
- to be kept at that address at any one time.
- (13) A detailer shall not supply a sample unless —
- (a) he has received a signed request from a person to whom he is authorised in accordance with subregulation (5) to supply the sample; and
 - (b) immediately upon supplying the sample, he signs and dates the request form to certify that the sample has been delivered.
- (14) A detailer shall keep a record of every sample received or supplied by him and shall preserve all records so kept together with consignment notes, invoices, advice notes and request forms relating thereto, for not less than 2 years.
- (15) Upon receiving a written request from the CEO a detailer shall submit all records of samples received and delivered and shall make an account of those samples to the CEO or a person authorised in accordance with section 54 of the Act.
- (16) For the purposes of this regulation —
- proprietary preparation*** means one or more forms of a poison intended for therapeutic use boxed or wrapped in a single sample package;

sample means a sample package containing a poison intended for therapeutic use included in Schedule 2, 3 or 4.

Division 2 — Labels

[Heading inserted in Gazette 12 Aug 2003 p. 3664.]

21. Labels on medicines or preparations

- (1) Notwithstanding regulation 19, a medicine or preparation containing any poison dispensed or supplied in the course of the professional practice of —
- (a) a pharmaceutical chemist, medical practitioner, nurse practitioner, registered nurse at a remote area nursing post, or dentist, for human internal use shall comply with that regulation if it is labelled in the English language with —
 - (i) the words “Keep out of reach of children”;

- (ii) the name and strength or amount of each poison in the preparation, or the trade name and strength of the preparation (unless the trade name also uniquely identifies the strength, in which case only the trade name need be given);
 - (iii) the name of the patient;
 - (iv) a date of dispensing or supply, and a number identifying the prescription or supply which corresponds to —
 - (I) the entry in the Prescription Book referred to in regulation 36(3)(c), in the case of a pharmaceutical chemist; or
 - (II) the patient's records, in the case of a medical practitioner, nurse practitioner, registered nurse at a remote area nursing post, or dentist;
 - (v) the name and address of the pharmacy, or medical or dental surgery, or area designated under section 23(2)(e) of the Act, or remote area nursing post, from which it is supplied;
 - (vi) the instructions given on the prescription, if dispensed by a pharmaceutical chemist, or directions for use, if supplied by a medical practitioner, nurse practitioner, registered nurse at a remote area nursing post, pharmaceutical chemist or dentist; and
 - (vii) the total quantity contained;
- (b) a pharmaceutical chemist, medical practitioner, nurse practitioner, registered nurse at a remote area nursing post or dentist, for human external use shall comply with that regulation if it is labelled in accordance with paragraph (a), together with the words "Not to be taken";

- (c) a pharmaceutical chemist or veterinary surgeon, for use on any animal shall comply with that regulation if it is labelled in the English language with —
 - (i) the words “Keep out of reach of children”;
 - (ii) the name and strength or amount of each poison in the preparation, or the trade name and strength of the preparation (unless the trade name also uniquely identifies the strength, in which case only the trade name need be given);
 - (iii) the owner’s surname and the species of animal;
 - (iv) instructions for the use of that medicine or preparation;
 - (v) a date of dispensing, and a number identifying the prescription or supply which corresponds to —
 - (I) the entry in the Prescription Book referred to in regulation 36(3)(c), in the case of a pharmaceutical chemist; or
 - (II) the patient’s records, in the case of a veterinary surgeon;
 - (vi) the name and address of the pharmacy, or veterinary practice, from which it is supplied;
 - (vii) the words “For veterinary use only” or “For animal treatment only”, together with the words “For external use only” if the medicine or preparation is not prepared for internal use; and
 - (viii) the total quantity contained.
- (2) Subregulations (1)(a) and (b) do not apply to a medicine or preparation (containing a poison) labelled in accordance with regulation 19, if it is supplied by a medical practitioner for the purposes of therapeutic treatment of a patient over a period of not more than 3 days.

[Regulation 21 inserted in Gazette 7 Aug 1992 p. 3865-6; amended in Gazette 24 Jun 1994 p. 2865-6; 19 Mar 1996 p. 1220; amended by Act No. 9 of 2003 s. 43.]

21A. Appendix K container must have appropriate label

- (1) A person, whether a pharmaceutical chemist or otherwise, shall not sell, supply, distribute or dispense a poison for internal human use set out in Appendix K of the SUSDP unless the container immediately containing the poison bears, or has securely affixed to it a label bearing either of the following statements —

“This medicine may cause drowsiness. If affected do not drive a motor vehicle or operate machinery. Avoid alcohol.”; or

“This medicine may cause drowsiness and may increase the effects of alcohol. If affected do not drive a motor vehicle or operate machinery.”.

- (2) Subregulation (1) shall not apply to —
- (a) a person licensed pursuant to section 24(1)(a) of the Act; and
 - (b) the supply by a medical practitioner of any poison or substance containing a poison for the purposes of therapeutic treatment to a patient while that patient is hospitalised.
- (3) A statement set out in subregulation (1) shall be in letters not less than 1.5 mm in height and in a colour which provides a distinct contrast to the background colour of the container or label on which the statement appears.

- (4) In this regulation —

height means the height of capital letters or lower case letters having an ascender or a descender.

Part 4A — Electronic prescribing systems

[Heading inserted in Gazette 7 Nov 2008 p. 4806.]

32A. Terms used in this Part

- (1) In this Part and Appendix K —

access code, of an individual, means a password or other means by which the individual gains access to a system of electronic prescribing;

inappropriate use, in relation to a system of electronic prescribing, includes using the system in a way that is not in accordance with the procedures that control access to and use of the system;

system identifier, of an individual, means the code by which the identity of the individual is recorded by a system of electronic prescribing.

- (2) For the purposes of this Part, an entry is made in a system of electronic prescribing if —

- (a) a prescription is issued, amended or cancelled via the system; or
- (b) a poison is dispensed in accordance with a prescription issued via the system; or
- (c) information is otherwise entered into or retrieved from the system in relation to —
 - (i) issuing, amending or cancelling a prescription via the system; or
 - (ii) dispensing a poison in accordance with a prescription issued via the system.

[Regulation 32A inserted in Gazette 7 Nov 2008 p. 4806.]

32B. Approval of electronic prescribing systems

- (1) The CEO may approve a system of electronic prescribing if satisfied that the system —

- (a) is sufficiently secure; and
 - (b) is designed so that, to the extent practicable —
 - (i) for any particular poison — only persons authorised to prescribe that poison can use the system to prescribe the poison; and
 - (ii) for any particular poison — only a pharmaceutical chemist authorised to dispense the poison, or an assistant under the direct personal supervision of the pharmaceutical chemist, can use the system to dispense the poison; and
 - (iii) a poison dispensed in accordance with a prescription issued via the system is dispensed for the person for whom it was prescribed; and
 - (iv) a poison dispensed to a person in accordance with a prescription issued via the system is the poison prescribed for the person;and
 - (c) complies substantially with the criteria in Appendix K; and
 - (d) complies with any other criteria the CEO thinks relevant.
- (2) A reference in subregulation (1)(b) to a person authorised to prescribe or dispense a particular poison is a reference to a person authorised to do so under the Act.
- (3) Before being satisfied that a system of electronic prescribing is sufficiently secure, the CEO must be satisfied that, to the extent practicable —
- (a) personal information relating to prescribers, patients of prescribers and pharmaceutical chemists is protected; and
 - (b) access to and use of the system is controlled by appropriate procedures; and

r. 32C

- (c) only persons permitted to have access to the system according to those procedures can have access to the system; and
- (d) every occurrence of —
 - (i) a prescription being issued or amended via the system; and
 - (ii) a poison being dispensed in accordance with a prescription issued via the system,is recorded by the system in a way that cannot be amended or erased.
- (4) Subregulation (3) does not limit the matters that the CEO may take into account for the purposes of subregulation (1)(a).
- (5) The CEO may approve a component of a system of electronic prescribing if satisfied as to the matters in subregulation (1) in relation to the component, to the extent relevant to the component.

[Regulation 32B inserted in Gazette 7 Nov 2008 p. 4806-7.]

32C. System administrators

A system of electronic prescribing is not approved while there is no individual who is designated as the administrator of the system by the CEO.

[Regulation 32C inserted in Gazette 7 Nov 2008 p. 4808.]

32D. Offence provisions

- (1) A person must not access an approved electronic prescribing system unless the person —
 - (a) is permitted to have access to the system according to the procedures that control access to the system; and
 - (b) gained access according to those procedures.

Penalty: a fine of \$5 000.

- (2) A person who has an access code for an approved electronic prescribing system must not —

- (a) reveal the person's access code to another person; or
- (b) otherwise allow another person to have access to the system unless to do so is in accordance with the procedures that control access to the system.

Penalty: a fine of \$5 000.

- (3) A person must not make inappropriate use of an approved electronic prescribing system.

Penalty: a fine of \$5 000.

- (4) An administrator of an approved electronic prescribing system must, to the extent practicable, ensure that —

- (a) a person who is permitted to have access to the system in accordance with the procedures that control access to the system is not given more than one access code; and
- (b) each person who is responsible to the administrator for the operation and control of the system does not make inappropriate use of the system.

Penalty: a fine of \$5 000.

*[Regulation 32D inserted in Gazette 7 Nov 2008 p. 4808;
amended in Gazette 28 Jul 2009 p. 2979.]*

32E. Miscellaneous rules

- (1) In any proceedings under this Act or the *Misuse of Drugs Act 1981*, if it is proved that the system identifier of a person has been recorded in the system in respect of an entry, then, in the absence of evidence to the contrary, that person is to be taken to have made the entry.
- (2) Despite anything else in this Part, the administrator must, as soon as is practicable, comply with a written request by a person authorised under section 52A of the Act to make records of the system available to the person.

[Heading deleted in Gazette 8 Feb 1985 p. 521.]

35A. Restrictions on retail sale of substances included in Schedule 3

- (1) The retail sale of a substance included in Schedule 3 shall only be by way of direct, personal sale by a pharmaceutical chemist or graduate trainee in pharmacy under the personal supervision of a pharmaceutical chemist.
- (1a) Before a substance included in Schedule 3 is delivered as part of a retail sale, the pharmaceutical chemist or graduate trainee shall take all reasonable steps to ensure that there is a therapeutic need for the substance.

- (1b) A pharmaceutical chemist shall not store in any part of the retail area of premises any of the substances referred to in Appendix J.
- (1c) A substance referred to in Appendix J shall only be sold or supplied by direct, personal sale by a pharmaceutical chemist or by a graduate trainee in pharmacy under the personal supervision of a pharmaceutical chemist and, in the case of pseudoephedrine, before it is delivered to the purchaser, the purchaser shall give photographic evidence of his or her identity to the pharmaceutical chemist or graduate trainee, unless the purchaser's identity is known to the pharmaceutical chemist or graduate trainee.
- (2) Before a substance referred to in Appendix J is delivered to a purchaser as part of a retail sale, the pharmaceutical chemist or graduate trainee making the sale shall —
 - (a) record in the prescription book referred to in regulation 36(3)(c) the following details —
 - (i) the date of sale;
 - (ii) the name and address of the purchaser;
 - (iii) if the person for whom the substance is intended is not the purchaser, the name and address of that other person;
 - (iv) the name and quantity of the substance supplied;and
 - (b) allocate to each sale a unique identification number or alpha-numerical code, and record that number or code in the register; and
 - (c) label the product containing the substance with —
 - (i) the name and address of the pharmacy; and
 - (ii) the number or code allocated under paragraph (b).
- (3) The prescription book referred to in this regulation shall be available for inspection upon request by an authorised officer.

- (4) The seller shall retain the records required to be made under this regulation for a period of at least 2 years.

35B. Storage of substances included in Schedule 3

A substance included in Schedule 3 shall not be stored in a pharmacy in any area or in any manner that allows physical access to that substance by any person other than a person who is a member of the staff of the pharmacy.

[Regulation 35B inserted in Gazette 29 Aug 1980 p. 3028; amended in Gazette 19 Mar 1996 p. 1221.]

35C. Advertising of substances included in Schedule 3

- (1) Subject to subregulations (2) and (3), a substance included in Schedule 3 shall not be advertised except in a bona fide professional or trade journal or other publication intended for circulation only within the medical, veterinary, dental or pharmaceutical professions or the wholesale and manufacturing drug trade.
- (2) A substance both included in Schedule 3 and listed in Appendix H of SUSDP may be advertised by its brand name or its approved name.
- (3) A substance included in Schedule 3 may be advertised if the substance is in a pregnancy testing kit.
- (4) In this regulation —
approved name, in relation to a poison, means the name for the poison that is listed in the Australian Register of Therapeutic Goods, other than a brand name of the poison;

Australian Register of Therapeutic Goods means the register of that name maintained under section 17 of the *Therapeutic Goods Act 1989* of the Commonwealth;

brand name, in relation to a poison, means a name given to the poison by a manufacturer of it and listed in the Australian Register of Therapeutic Goods, other than its approved name.

36. Supply of poisons included in Schedule 4

- (1) Subject to the Act and these regulations, a person shall not sell or supply a poison included in Schedule 4 to any person unless —
 - (a) he or she —
 - (i) is satisfied that the person to whom the poison is sold or supplied is authorised under regulation 40(1) to procure the poison; and

- (ii) receives from that person a written order in accordance with regulation 40(1a) or makes a record under regulation 41B;
 - (b) the person to whom the poison is sold or supplied is the person (or an agent of the person) in respect of whom a prescription for the poison was issued by a medical practitioner, nurse practitioner, dentist or veterinary surgeon prescribing the poison according to the requirements of these regulations;
 - (c) satisfied that the person to whom the poison is sold or supplied is under medical treatment with the poison and requires emergency treatment with the poison and does not sell or supply to that person more than —
 - (i) 3 days medication of the poison; or
 - (ii) where the poison is supplied in prepacked individual packs, one individual standard pack;or
 - (d) he or she is a registered nurse working at a remote area nursing post and he or she supplies a poison, not being a psychoactive poison —
 - (i) in accordance with regulation 36(1)(c)(i);
 - (ii) for the treatment of an acute medical condition in compliance with the written standing orders of a medical practitioner which have been approved in writing by the CEO; or
 - (iii) for the treatment of an acute medical condition in compliance with oral instructions of a medical practitioner for that particular patient.
- (1a) A person who has received a written order under subregulation (1)(a)(ii) shall keep that order for at least 2 years from the time he or she received it and produce it at any time during the 2 years from the time he or she received it when required to do so by the Executive Director.

- (2) A medical practitioner, nurse practitioner, pharmaceutical chemist, or veterinary surgeon or an assistant under the direct personal supervision of a medical practitioner, nurse practitioner, pharmaceutical chemist, or veterinary surgeon shall be the only person who shall dispense a poison included in Schedule 4.
- (3) The following conditions shall be observed by persons dispensing such prescriptions —
 - (a) the prescription shall not be dispensed more than the maximum number of times indicated by it, and on each occasion upon which it is dispensed the dispenser shall —
 - (i) in the case of a prescription that is not issued electronically — stamp or mark the prescription to show clearly the date upon which it is dispensed and the name and address of the pharmacy at which it is dispensed; and
 - (ii) in the case of a prescription that is issued electronically — indicate the date upon which it is dispensed and the name and address of the pharmacy at which it is dispensed using the means provided by the approved electronic prescribing system;
 - (b) the person who dispenses a prescription which does not clearly indicate the maximum number of times it is to be dispensed, or which has reached the last occasion upon which it may be dispensed according to the maximum indicated by it, shall —
 - (i) in the case of a prescription that is not issued electronically — write in ink, stamp or mark in legible letters across the prescription the word “cancelled”; and
 - (ii) in the case of a prescription that is issued electronically — cancel the prescription using

the means provided by the approved electronic prescribing system;

(c) (i) for the purposes of this paragraph —

- (I) handwritten records in a bound book with sequentially numbered pages;
- (II) computer records on disk or tape that can be displayed and from which printed copies of the records can be produced on demand;
- (III) microfilm, microfiche, or any other photographic systems in logical sequence and retrievable form;
- (IV) client record cards, which include the details set out in a prescription; or
- (V) alternative recording methods which have been specifically and individually approved in writing by the CEO for the purposes of this paragraph,

are deemed to be the Prescription Book;

(ii) before the poison is handed to the purchaser the following details from the prescription shall be entered into the Prescription Book —

the name and quantity of the poison, the direction for use (if applicable), the date of issue of the prescription, the name and address of the patient, the name and address, or the name and identifying initials, of the prescriber, the date of dispensing the prescription, and the entry shall be given an identifying letter or number or combination of letter and number;

(iii) in the event of the dispensing of a repeated prescription an annotation of this fact showing

the date of the repeat on the original entry in the Prescription Book shall be sufficient compliance with this regulation;

- (iv) the label on the bottle or package containing the poison shall be marked with the identifying letter or number of the prescription as appearing in the Prescription Book; and
 - (v) the Prescription Book shall be kept at the place at which the poison included in Schedule 4 was dispensed for at least 2 years and shall be produced on demand to any person authorised in that behalf under the Act or these regulations;
- (d) a prescription shall not be dispensed if it is —
- (i) cancelled; or
 - (ii) more than 12 months old;
- (e) a prescription which is illegible or defaced, or appears to have been altered or which appears to be for the purpose of enabling some unauthorised person to obtain a poison included in Schedule 4, or which does not appear to be genuine, shall not be dispensed;
- (f) a pharmaceutical chemist given a prescription referred to in paragraph (e) shall forthwith inform the CEO of the relevant circumstances and the reasons for his refusal to dispense the prescription, and, in the case of a prescription that was not issued electronically, retain it.
- (4) The following conditions shall be observed by persons supplying poisons included in Schedule 4 under subregulation (1)(d) —
- (a) the supply shall be recorded in the client record cards of the remote area nursing post and the record cards kept for a minimum of 2 years following the last entry in those records; and

36AA. Provision of “approved starter packs” by registered nurses

- (1) In this regulation —

approved health service means a health service (as defined in section 3(1) of the *Health Services (Conciliation and Review) Act 1995*, other than a health service provided by way of medical or epidemiological research) that —

- (a) operates outside the metropolitan region (as defined in section 6 of the *Metropolitan Region Town Planning Scheme Act 1959*); and
- (b) has been approved by the CEO for the purposes of this regulation;

approved name has the same meaning as in regulation 35C;

approved starter pack means a starter pack approved by the CEO for the purposes of this regulation;

brand name has the same meaning as in regulation 35C;

starter pack means a quantity of a poison included in Schedule 4, prepared by a pharmaceutical chemist and consisting of —

- (a) if the poison is supplied in prepacked individual packs, one individual standard pack;
- (b) if the poison is a liquid, the smallest pack of the poison available from the manufacturer; or

- (c) otherwise, not more than 3 days medication of the poison;

starter pack instruction means an instruction of the kind described in subregulation (2).

- (2) A registered nurse at an approved health service may give an approved starter pack to a patient, other than an in-patient, at the health service if orally instructed to do so by a medical practitioner, who need not be present at the health service.
- (3) Before giving an approved starter pack to a patient a registered nurse must —
 - (a) ensure that the approved starter pack is labelled in accordance with subregulation (8); and
 - (b) record the details of the provision of the approved starter pack in accordance with subregulation (10).
- (4) A medical practitioner must not give a starter pack instruction unless satisfied that —
 - (a) the patient has an acute medical condition;
 - (b) there is no other medical practitioner at the health service who could reasonably attend to the patient in person; and
 - (c) the distance from the health service to the nearest pharmacy registered under the *Pharmacy Act 1964* that is open is more than 25 km.
- (5) For the purposes of subregulation (4), a medical practitioner may rely on information provided by the registered nurse as to the patient's condition, the availability of other medical practitioners and the location of the nearest open pharmacy.
- (6) Within 72 hours of giving a starter pack instruction a medical practitioner must give to the registered nurse, or another registered nurse at the health service, signed, written confirmation of the instruction including —
 - (a) the name of the medical practitioner;

- (b) the name of the registered nurse to whom the starter pack instruction was given;
 - (c) the name of the patient;
 - (d) the date and time when the instruction was given;
 - (e) details of the approved starter pack;
 - (f) any relevant directions for use that were to be given to the patient; and
 - (g) any other information that the medical practitioner considers relevant.
- (7) The person in charge of an approved health service must —
 - (a) keep all written confirmations given under subregulation (6) to registered nurses at the health service for at least 2 years; and
 - (b) produce them on demand to any person authorised under the Act to demand production of such records.
- (8) An approved starter pack must be labelled in English with —
 - (a) the words “Keep out of reach of children”;
 - (b) the name of the patient;
 - (c) the name and address of the health service;
 - (d) in relation to each poison in the approved starter pack —
 - (i) the approved name and strength or amount of the poison; or
 - (ii) if the brand name uniquely identifies the strength of the poison, that brand name;
 - (e) the total quantity of medication contained in the approved starter pack;
 - (f) the date on which the approved starter pack was given to the patient;
 - (g) any directions for use given by the medical practitioner;

- (h) the number referred to in subregulation (10)(f) identifying the relevant entry in the health service's Starter Pack Supply Book; and
 - (i) any relevant cautionary or advisory statements set out in Appendix K to the SUSDP.
- (9) The person in charge of an approved health service must —
 - (a) maintain a Starter Pack Supply Book for the health service consisting of —
 - (i) handwritten records in a bound book with sequentially numbered pages; or
 - (ii) records kept in another manner which has been specifically and individually approved in writing by the CEO for the purposes of this paragraph;
 - (b) keep the Starter Pack Supply Book for at least 2 years after the last entry is made in it; and
 - (c) produce the Starter Pack Supply Book on demand to any person authorised under the Act to demand production of such records.
- (10) Before giving an approved starter pack to a patient a registered nurse must record the following information in the health service's Starter Pack Supply Book —
 - (a) the name and address of the patient;
 - (b) in relation to each poison in the approved starter pack —
 - (i) the approved name and strength or amount of the poison; or
 - (ii) if the brand name uniquely identifies the strength of the poison, that brand name;
 - (c) the date and time at which the approved starter pack is to be given to the patient;
 - (d) the name of the medical practitioner;
 - (e) any directions for use given by the medical practitioner;
 - (f) a unique number identifying the entry in the Book; and

- (g) the registered nurse's name and signature.

36AAB. Provision of “psychiatric emergency packs” by certain registered nurses

- (1) In this regulation —

approved name has the meaning given in regulation 35C;

Community Emergency Response Team means a service, provided by a public hospital, that —

- (a) is provided in the metropolitan region; and
- (b) responds to psychiatric emergencies in the community; and
- (c) is designated by the CEO for the purposes of this definition;

metropolitan region has the meaning given in section 4 of the *Planning and Development Act 2005*;

psychiatric emergency pack means a pack, approved by the CEO for the purposes of this regulation and prepared by a pharmaceutical chemist, containing a quantity of a poison included in Schedule 4 that —

- (a) if the poison is supplied in prepacked individual packs — is one individual standard pack; or
- (b) if the poison is a liquid — is the smallest pack of the poison available from the manufacturer; or
- (c) otherwise — does not exceed 3 days worth of medication of the poison;

Rural Community Mental Health Team means a service, provided by a public hospital, that —

- (a) is provided outside the metropolitan region; and
- (b) responds to psychiatric emergencies in the community; and

- (c) is approved by the CEO for the purposes of this definition;

team medical practitioner means a medical practitioner who is a member of a Community Emergency Response Team or a Rural Community Mental Health Team;

team psychiatrist means a psychiatrist who is a member of a Community Emergency Response Team or a Rural Community Mental Health Team;

team registered nurse means a registered nurse who is a member of a Community Emergency Response Team or a Rural Community Mental Health Team.

- (2) A team registered nurse may give a psychiatric emergency pack to a patient, other than an in-patient, if instructed to do so by a team psychiatrist or a team medical practitioner, who need not be present with the nurse at the time of giving the instruction.
- (3) The instruction may be given orally.
- (4) The psychiatrist or medical practitioner must not give the instruction unless satisfied that the patient is in need of urgent psychiatric intervention and it is not practical for the patient to obtain the medication contained in the pack in any other way.
- (5) For the purposes of subregulation (4), the psychiatrist or medical practitioner may rely on the information given by the nurse about the patient's condition.
- (6) Before giving the psychiatric emergency pack to the patient the nurse must —
- (a) ensure that the pack has been labelled in accordance with subregulation (9); and
 - (b) record in the Emergency Pack Supply Book the information required by subregulation (11).
- (7) Within 72 hours of giving the instruction the psychiatrist or medical practitioner must give the nurse, or another team

member, signed, written confirmation of the instruction including —

- (a) the name of the psychiatrist or medical practitioner; and
 - (b) the name of the nurse to whom the instruction was given; and
 - (c) the name of the patient; and
 - (d) the date and time when the instruction was given; and
 - (e) details of the psychiatric emergency pack; and
 - (f) any directions for use that were to be given to the patient; and
 - (g) any other information that the psychiatrist or medical practitioner considers relevant.
- (8) A person in charge of a Community Emergency Response Team or a Rural Community Mental Health Team must —
 - (a) keep all written confirmations given under subregulation (7) for at least 2 years; and
 - (b) produce them on demand to any person authorised under the Act to demand production of such records.
- (9) A psychiatric emergency pack must be labelled in English with —
 - (a) the words “keep out of reach of children”; and
 - (b) the name of the patient; and
 - (c) the name and address of the Community Emergency Response Team or the Rural Community Mental Health Team; and
 - (d) in relation to the poison in the psychiatric emergency pack —
 - (i) the approved name and strength or amount of the poison; or
 - (ii) if the brand name uniquely identifies the strength of the poison — that brand name;

and

- (e) the total quantity of each medication contained in the psychiatric emergency pack; and
 - (f) the date on which the psychiatric emergency pack was given to the patient; and
 - (g) any directions for use given by the psychiatrist or medical practitioner; and
 - (h) the number referred to in subregulation (11)(f) identifying the relevant entry in the Emergency Pack Supply Book; and
 - (i) any relevant cautionary or advisory statements set out in Appendix K to the SUSDP.
- (10) A person in charge of a Community Emergency Response Team or a Rural Community Mental Health Team must —
- (a) maintain an Emergency Pack Supply Book for that Team consisting of handwritten records in a book with sequentially numbered pages; and
 - (b) keep the Emergency Pack Supply Book for at least 2 years after the last entry is made in it; and
 - (c) produce the Emergency Pack Supply Book on demand to any person authorised under the Act to demand production of such records.
- (11) The information to be recorded in the Emergency Pack Supply Book is —
- (a) the name and address of the patient; and
 - (b) in relation to the poison in the psychiatric emergency pack —
 - (i) the approved name and strength or amount of the poison; or
 - (ii) if the brand name uniquely identifies the strength of the poison — that brand name;

and

- (c) the date and time at which the psychiatric emergency pack is to be given to the patient; and
- (d) the name of the psychiatrist or medical practitioner who gave the instruction; and
- (e) any directions for use given by the psychiatrist or medical practitioner; and
- (f) a unique number identifying the entry in the Book; and
- (g) the nurse's name and signature.

36A. Storage of substances included in Schedule 4

- (1) A pharmaceutical chemist to whom a substance included in Schedule 4 is supplied shall not store it, or expose or offer it for sale, in any portion of a pharmacy to which persons other than members of the staff of the pharmacy have access.
- (2) Subject to subregulation (3), a medical practitioner, dentist or veterinary surgeon to whom a substance included in Schedule 4 is supplied shall store it in a container, cupboard or room —
 - (a) at the medical practitioner's, dentist's or veterinary surgeon's usual place of practice;
 - (b) that is kept locked; and
 - (c) access to which is available only to the medical practitioner, dentist or veterinary surgeon and persons under his or her personal supervision.
- (3) A medical practitioner, dentist or veterinary surgeon may store substances included in Schedule 4 other than in accordance with subregulation (2) if —
 - (a) they are emergency supplies; and
 - (b) the medical practitioner, dentist or veterinary surgeon has them in his or her actual possession for the purpose of attending patients at places other than at his or her usual place of practice.

(4) In subregulation (3) —

emergency supplies means —

- (a) in the case of a medical practitioner — the substances described as “Emergency Drug (Doctor’s Bag) Supplies” in the document “Schedule of Pharmaceutical Benefits”, as published from time to time by the Commonwealth Government for the purposes of Part VII of the *National Health Act 1953* of the Commonwealth; or
- (b) in the case of a dentist or veterinary surgeon — the substances that are ordinarily carried by dentists or veterinary surgeons who are attending patients at places other than at their usual place of practice.

[Regulation 36A inserted in Gazette 19 Feb 1999 p. 555-6.]

36B. Record of supply or administration of substances included in Schedule 4

- (1) A medical practitioner, dentist or veterinary surgeon is to record in his or her client record cards every occasion on which he or she —
 - (a) supplies a substance included in Schedule 4 to a person; or
 - (b) administers a substance included in Schedule 4 to a person or animal.
- (2) A record required to be made under subregulation (1) is to include —
 - (a) the name, strength and quantity of the substance supplied or administered;
 - (b) the name and address of the person to whom the substance was supplied or administered, or of the owner of the animal to which the substance was administered; and

- (c) the date on which the substance was supplied or administered.
- (3) A record required to be made under regulation (1) must be —
 - (a) kept for at least 2 years from the date on which the substance was supplied or administered; and
 - (b) made available for inspection on request by an authorised officer (other than an environmental health officer).

 - (a) it shall include —
 - (i) the name and address of the prescriber; and
 - (ii) the name and address of the patient; and
 - (iii) the name and quantity of the substance; and
 - (iv) directions for use (if necessary); and
 - (v) the date on which it is issued; and
 - (vi) the maximum number of times it may be repeated, if any, and (where applicable) the intervals at which it may be repeated;
 - and
 - (b) it shall be issued in a manner provided for in subregulation (1A) or (1B); and
- [(ba) deleted]*
- (c) a prescription issued by a dentist shall be for dental purposes only and shall indicate that and a prescription issued by a veterinary surgeon shall be for veterinary use

only and shall include the words “For veterinary use only” or “For animal treatment only”;

- (d) if a prescription contains an unusual dose the prescriber shall indicate that such a dose is intended by —
 - (i) in the case of a prescription that is not issued electronically — underlining that part of the prescription and initialling the same in the margin; and
 - (ii) in the case of a prescription that is issued electronically — the means provided by the approved electronic prescribing system;
- (e) a prescription shall not bear the impression of a rubber stamp or other such contrivance in lieu of the written signature of the medical practitioner, nurse practitioner, dentist or veterinary surgeon by whom it has been written; and
- (f) a prescription shall not be written in cipher.

(1A) A prescription that is issued electronically shall be issued via an approved electronic prescribing system.

(1B) A prescription that is not issued electronically shall be either —

- (a) written in ink in the prescriber’s own handwriting; or
- (b) processed on a computer program that —
 - (i) complies with the criteria specified in Appendix L; or
 - (ii) is recommended by the Poisons Advisory Committee and approved in writing by the CEO.

The prescription shall be signed by the prescriber in his or her own handwriting.

- (2) With the written approval of the CEO a medical practitioner, nurse practitioner, dentist or veterinary surgeon may issue a typewritten prescription where the CEO is satisfied that by reason of physical infirmity the prescriber is unable to write

legibly in his or her own handwriting but in that case the prescriber shall sign the prescription with his or her usual signature.

44B. Form of registers

- (1) A register kept for the purposes of regulation 44(2) or 44A(4) may be maintained on paper, electronically or in another approved manner.
- (1a) If a register is maintained on paper, all entries required to be made in the register are to be made in ink.
- (2) If a register is maintained other than on paper the information in the register must be recorded or stored in such a way that it —
 - (a) will remain in the form in which it was originally recorded or stored; and
 - (b) is capable of being reproduced in written form on paper.
- (3) The register must be maintained in a form and manner approved by the CEO.
- (4) An authorised person must make all the person's registers available for inspection on request by persons authorised under the Act to inspect registers.
- (5) Subject to subregulation (6) a person must not alter, obliterate or delete an entry in a register.
- (6) An authorised person may correct an error in a register —

- (a) if the register is maintained on paper, by making a marginal or foot note and initialling and dating the note; or
- (b) otherwise, in a manner approved by the CEO.

[Regulation 44B inserted in Gazette 29 Feb 2000 p. 994; amended in Gazette 14 Sep 2001 p. 5076; 15 Dec 2006 p. 5630.]

44C. Control of access to electronic registers

- (1) In this regulation —

authorised person means the person who is required under regulation 44(2) or 44A(4) to maintain the register;

entry includes a note or alteration made in accordance with regulation 44B(6);

register means a register maintained electronically for the purposes of regulation 44(2) or 44A(4).

- (2) An authorised person must maintain the register in such a way that entries in the register cannot be deleted.
- (3) An authorised person must maintain the register in such a way that —
 - (a) entries in the register cannot be made by any person who does not use an access code issued by the authorised person;
 - (b) an access code cannot be used other than in combination with a password known only by the person to whom the access code was issued;
 - (c) whenever a person makes an entry in the register the access code of that person is automatically recorded in the register; and
 - (d) the record of the access code cannot be changed.
- (4) The authorised person must keep a record of the access codes issued for the purposes of this regulation and the persons to

whom they have been issued and must ensure that other persons do not have access to that record.

- (5) In any legal proceedings under this Act or the *Misuse of Drugs Act 1981*, if it is proved that the access code issued to a person has been recorded in the register in respect of an entry, then in the absence of evidence to the contrary that person is taken to have made the entry.

47. Records to be retained for 7 years and available on demand

- (1) All records, registers, prescription books, invoices and other documents relating to drugs of addiction, and transactions in regard thereto shall be kept by the person licensed or authorised to have drugs of addiction in his possession for not less than 7 years from the latest date on which such record, register, prescription book, invoice or other document was made or acted upon.
- (2) The records, registers, prescription books, invoices or other documents and stocks of drugs of addiction on hand shall be made available for inspection on demand by an authorised officer (other than an environmental health officer) and shall be accounted for, during the inspection, by the person licensed or authorised to have drugs of addiction in his possession.
- (3) In the event of a register being lost or destroyed the person to whom such register belongs shall upon becoming aware of the loss or destruction make and forward to the CEO a statutory declaration concerning that loss or destruction and shall immediately take stock of all drugs of addiction in his possession and enter particulars of those stocks in a new register in accordance with the requirements of these regulations.
- (4) A person authorised or licensed to procure and be in possession of a drug of addiction, on ceasing to be so authorised or licensed shall, if requested by the CEO, surrender any records, registers, prescription books, invoices or other documents and stocks of drugs of addiction that are in his possession to the CEO.
- (5) A person required by these regulations to make and keep records, registers, returns, prescription books, invoices and other documents relating to drugs of addiction shall not make any entry therein which is false or untrue in any particular.

- (6) The duplicate copy of the form or printout of the computerised recording system approved by the CEO for the purposes of regulation 52B is a record to be retained for the purposes of this regulation and, in the case of a transaction referred to in regulation 52(3)(h), it shall be kept at the place at which the poison was dispensed for at least one year from the date of the transaction.

[Regulation 47 amended in Gazette 23 Sep 1983 p. 3804; 29 Jun 1984 p. 1784; 31 Jan 1986 p. 332; 7 Aug 1987 p. 3083; 25 Jun 1993 p. 3085; 26 May 1994 p. 2201; 19 Mar 1996 p. 1229; 15 Dec 2006 p. 5630.]

specialist prescriber means an authorised prescriber who is designated by the CEO as a specialist prescriber under regulation 51C(2).

- (2) In this Subdivision, a reference to prescribing a drug of addiction or a pharmacotherapy is a reference to writing, issuing or authorising a prescription or document prescribing the use, sale or supply of the drug of addiction or pharmacotherapy.

[Regulation 51A inserted in Gazette 21 Apr 2009 p. 1359-60.]

51AA. Disclosure by drug addict to medical practitioner

A drug addict must, when seeking to obtain from a medical practitioner or dentist —

- (a) a drug of addiction; or
- (b) a prescription or document prescribing the use, sale or supply of a drug of addiction,

disclose to the medical practitioner or dentist the fact that he or she is a drug addict.

[Regulation 51AA inserted in Gazette 12 Oct 1984 p. 3267; amended in Gazette 11 Apr 1997 p. 1832; 21 Apr 2009 p. 1360.]

51B. Prescription and supply in accordance with this Subdivision — general provision

- (1) A person must not prescribe or supply a drug of addiction for the treatment of a person who is a drug addict unless the person is authorised to do so under this Subdivision.
- (2) A person who is authorised under this Subdivision to prescribe or supply a drug of addiction for the treatment of a drug addict must do so in accordance with the Policies Manual, except to the extent to which an authorisation, designation or appointment of the person under this Subdivision is inconsistent with the manual.

[Regulation 51B inserted in Gazette 21 Apr 2009 p. 1361.]

51BA. Prescribing drugs of addiction for drug addicts other than for the treatment of drug addiction

- (1) A medical practitioner or dentist may administer a drug of addiction for the treatment of a person who is a drug addict.
- (2) A medical practitioner or dentist may prescribe or supply a drug of addiction for the treatment of a person who is a drug addict if the medical practitioner or dentist —
 - (a) has been authorised by the CEO under this subregulation to do so for that drug addict; and
 - (b) does so in accordance with the authorisation.
- (3) Subregulations (1) and (2) do not authorise a medical practitioner or dentist to prescribe or supply a pharmacotherapy for the treatment of the drug addiction of a person who is a drug addict.

[Regulation 51BA inserted in Gazette 21 Apr 2009 p. 1361.]

51C. Designation of authorised prescribers and specialist prescribers

- (1) The CEO may designate a medical practitioner as an authorised prescriber for the purposes of this Subdivision.
- (2) The CEO may designate an authorised prescriber as a specialist prescriber for the purposes of this Subdivision.

[Regulation 51C inserted in Gazette 21 Apr 2009 p. 1361.]

51CA. Appointment of medical practitioner as authorised prescriber for a drug addict

- (1) The CEO may appoint an authorised prescriber to be the authorised prescriber for a person who is a drug addict.
- (2) The appointment as the authorised prescriber for a person is for the period specified in the instrument of appointment.

- (3) The instrument of appointment must be given to the authorised prescriber.

[Regulation 51CA inserted in Gazette 21 Apr 2009 p. 1362.]

51CB. Appointment of co-prescriber for a drug addict

- (1) A specialist prescriber who is the authorised prescriber for a person who is a drug addict may appoint a medical practitioner (who need not be an authorised prescriber) to be a co-prescriber for the person.
- (2) The appointment as a co-prescriber —
- (a) is for the period specified in the instrument of appointment, which cannot be more than 12 months; and
 - (b) ceases on the earlier of —
 - (i) the end of the period of appointment; or
 - (ii) the specialist prescriber ceasing to be the authorised prescriber for the person.
- (3) The instrument of appointment must be given to the co-prescriber and a copy must be given to the CEO.

[Regulation 51CB inserted in Gazette 21 Apr 2009 p. 1362.]

51CC. Designations, authorisations and appointments — general rules

A designation, authorisation or appointment of a person under this Subdivision —

- (a) must be in writing; and

 - (b) is a member of the same medical practice as the authorised prescriber appointed for the person; and
 - (c) has access to the medical records of the practice relating to the person; and
 - (d) does so in accordance with the appointment of the authorised prescriber for the person.
- (3) A medical practitioner may prescribe a pharmacotherapy for the treatment of the drug addiction of a person who is a drug addict if the medical practitioner —
 - (a) is a co-prescriber for the person; and
 - (b) does so in accordance with —
 - (i) his or her appointment as a co-prescriber; and
 - (ii) the appointment of the authorised prescriber for the person.
- (4) A medical practitioner may prescribe a pharmacotherapy for the treatment of the drug addiction of a person who is a drug addict if the medical practitioner —

- (a) is a member of the same medical practice as a co-prescriber for the person; and
 - (b) is satisfied that the co-prescriber for the person is absent from the medical practice or is otherwise unable to prescribe a pharmacotherapy for the treatment of the drug addiction of the person; and
 - (c) has access to the medical records of the practice relating to the person; and
 - (d) does so in accordance with —
 - (i) the appointment of the co-prescriber for the person; and
 - (ii) the appointment of the authorised prescriber for the person.
- (5) A prescription for the supply of a pharmacotherapy —
- (a) under subregulation (3) — may not cover a period of more than 3 months; or
 - (b) under subregulation (4) — may not cover a period of more than one month.

[Regulation 51D inserted in Gazette 21 Apr 2009 p. 1362-3.]

51DA. Prescribing pharmacotherapies for the treatment of the drug addiction of a drug addict — in a hospital

- (1) A medical practitioner may prescribe a pharmacotherapy for the treatment of the drug addiction of a person who is a patient in a hospital and who is a drug addict if —
- (a) an authorised prescriber is appointed for the person; and
 - (b) the medical practitioner is satisfied that it is safe to prescribe a pharmacotherapy for the person; and
 - (c) the medical practitioner does so in accordance with the appointment of the authorised prescriber for the person.

- (2) Subregulation (1) does not authorise the medical practitioner to prescribe a pharmacotherapy unless it will be administered to the person while the person is a patient in the hospital.
- (3) For the purposes of this regulation, a person is a patient in a hospital while the person is admitted as a patient to the hospital.
- (4) A prescription for the supply of a pharmacotherapy under this regulation may not cover a period of more than one month.

[Regulation 51DA inserted in Gazette 21 Apr 2009 p. 1364.]

51DB. Prescribing pharmacotherapies for the treatment of the drug addiction of a drug addict — in custody

- (1) A medical practitioner may prescribe a pharmacotherapy for the treatment of the drug addiction of a person who is in custody and who is a drug addict if —

Subdivision 2A — Supply and prescription of Schedule 8 poisons to persons other than drug addicts

[Heading inserted in Gazette 21 Apr 2009 p. 1366.]

51F. Treatment not to exceed 60 days unless authorised by CEO

- (1) A medical practitioner shall not write, issue or authorise a prescription or document prescribing the use, sale or supply of a poison included in Schedule 8, or supply a poison included in Schedule 8, for the treatment of a person, other than a drug addict, for a period in excess of 60 days, or for periods that in the aggregate over the preceding 12 months exceed 60 days, or for a course of treatment exceeding 60 days, unless he has first obtained written authorisation to do so from the CEO.
- (2) Where a medical practitioner has written, issued or authorised a prescription or document prescribing the use, sale or supply of a poison included in Schedule 8, for the treatment of a person other than a drug addict, or supplied a poison included in Schedule 8 for the treatment of a person, other than a drug addict, for a period of 60 days, or for periods that in the aggregate over the preceding 12 months exceed 60 days, or for a course of treatment exceeding 60 days, the medical practitioner shall not thereafter write, issue or authorise a prescription or document prescribing the use, sale or supply of a poison included in Schedule 8 in relation to that person or supply a poison included in Schedule 8 in relation to that person unless —

- (a) the medical practitioner has first obtained written authorisation under this regulation to do so from the CEO; or
 - (b) the CEO has issued an authorisation under this regulation to do so in relation to that person and the authorisation is current.
- (3) Notwithstanding any authorisation referred to in subregulation (1) or (2) a medical practitioner shall not write, issue or authorise a prescription or document prescribing the use, sale or supply of methadone or buprenorphine for the treatment of a person or supply methadone or buprenorphine for the treatment of a person except for a person suffering from intractable pain arising from a condition of health other than addiction to drugs.
- (4) In any authorisation issued for the purposes of subregulation (1) or (2) given with respect to a particular person the CEO may specify that any one or more of the conditions and restrictions set out below apply, namely —
 - (a) that the prescription be issued by or the treatment be administered by a specified medical practitioner;
 - (b) that only a specified poison included in Schedule 8 be prescribed or used for treatment;
 - (c) that the type of the poison included in Schedule 8 specified be of the type specified;
 - (d) that the amount to be prescribed or used for treatment shall not exceed the amount specified;
 - (e) that the amount to be prescribed or used on any one day shall not exceed the amount specified;
 - (f) that the concentration to be prescribed shall not exceed the concentration specified;
 - (g) that the intervals between the issue of prescriptions or the administration of the poison included in Schedule 8 shall be such as are specified;

- (h) that the prescription be supplied at the pharmacy specified;
 - (i) that the amount dispensed on a single prescription not exceed such amount as is specified;
 - (j) that the amount that may be supplied on any one day shall not exceed such amount as is specified.
- (5) An authorisation issued for the purposes of subregulation (1) or (2) is valid for such period as is specified unless revoked by the CEO before the expiration of that period.
- (6) A medical practitioner shall not write, issue or authorise a prescription or document prescribing the use, sale or supply of a poison included in Schedule 8 or supply a poison included in Schedule 8 otherwise than in accordance with such conditions and restrictions as are specified.
- (7) A pharmaceutical chemist shall not sell or supply a poison included in Schedule 8 otherwise than in accordance with such conditions and restrictions as are specified pursuant to this regulation.
- (8) An authorisation issued prior to 1 October 1980 is valid until revoked by the CEO or until it expires whichever first occurs.

- (2) The CEO shall give the authorisation an identifying number (in this regulation called ***the HDWA Authorisation No.***).
- (3) In an authorisation given under subregulation (1), the CEO may specify that any one or more of the conditions and restrictions set out below apply, namely —
 - (a) that the prescription be issued by or the treatment be administered by the medical practitioner specified in the authorisation;
 - (b) that the amount of flunitrazepam to be prescribed or used for treatment shall not exceed the amount specified;
 - (c) that the amount of flunitrazepam to be prescribed or used on any one day shall not exceed the amount specified;
 - (d) that the concentration of flunitrazepam to be prescribed shall not exceed the concentration specified;
 - (e) that the intervals between the issue of prescriptions for flunitrazepam or the administration of flunitrazepam shall be such as are specified;

- (f) that the prescription be supplied at the pharmacy specified;
 - (g) that the amount of flunitrazepam dispensed on a single prescription not exceed such amount as is specified;
 - (h) that the amount of flunitrazepam that may be supplied on any one day shall not exceed such amount as is specified.
- (4) An authorisation issued for the purpose of subregulation (1) is valid for such period as is specified by the CEO unless revoked by the CEO, by notice in writing served on the practitioner, before the expiration of that period.
- (5) The CEO may at any time, by notice in writing served on the practitioner, amend the conditions and restrictions specified under subregulation (3).
- (6) A medical practitioner shall not supply flunitrazepam or issue, write or authorise a prescription for flunitrazepam contrary to any conditions and restrictions specified in the authorisation.
- (7) A medical practitioner who issues or writes a prescription for flunitrazepam shall write the HDWA Authorisation No. on the prescription after his or her signature using the following format —

“HDWA Authorisation No.”.
- (8) A pharmaceutical chemist shall not sell or supply flunitrazepam unless the HDWA Authorisation No. is written on the prescription for the flunitrazepam in accordance with subregulation (7).

Division 3 — Dispensing and delivery

[Heading inserted in Gazette 12 Aug 2003 p. 3664.]

52. Dispensing drugs of addiction

- (1) Subject to the Act and these regulations a drug of addiction shall be dispensed or supplied only in accordance with a prescription complying with the requirements of the regulations.
- (2) A medical practitioner, pharmaceutical chemist, or veterinary surgeon or an assistant under the direct personal supervision of a medical practitioner, pharmaceutical chemist, or veterinary surgeon shall be the only person who shall dispense a drug of addiction.
- (3) The following conditions shall be observed by a person who dispenses a drug of addiction under a prescription —
 - (a) the dispenser shall satisfy himself or herself —
 - (i) that the prescription is in accordance with the requirements of the Act;
 - (ii) that the person who issued the prescription is a medical practitioner, a dentist or a veterinary surgeon; and
 - (iii) in accordance with subregulation (3a), that the prescription was issued by the prescriber whose name appears on the prescription;
 - (b) the drug of addiction shall not be dispensed under the prescription more than the maximum number of times indicated by the prescription, or at intervals less than those indicated by the prescription;
 - (ba) on each occasion on which the drug of addiction is dispensed under the prescription the dispenser shall —
 - (i) in the case of a prescription that is not issued electronically — sign the prescription clearly in ink using his or her usual signature and clearly indicate the date on which the drug is dispensed; and
 - (ii) in the case of a prescription that is issued electronically — indicate that the drug of

- addiction was dispensed and the date on which it was dispensed using the means provided by the approved electronic prescribing system;
- (bb) on the first occasion on which the drug of addiction is dispensed under the prescription, the dispenser shall —
- (i) in the case of a prescription that is not issued electronically — stamp or otherwise mark the prescription clearly in ink with the name and address of the dispensary; and
 - (ii) in the case of a prescription that is issued electronically — provide, in relation to the prescription, the name and address of the dispensary using the means provided by the approved electronic prescribing system;
- (c) where the drug of addiction is prescribed by a veterinary surgeon, the dispenser shall not dispense the drug of addiction on more than one occasion under that prescription;
- (d) where the dispenser dispenses less than the prescribed amount of the drug of addiction on a particular occasion and dispenses or intends to dispense the remainder on another occasion or occasions, the dispenser shall on each occasion on which part of the prescribed amount is dispensed —
- (i) in the case of a prescription that is not issued electronically — note on the prescription clearly in ink the amount dispensed and the date on which it was dispensed; and
 - (ii) in the case of a prescription that is issued electronically — indicate, in relation to the prescription, the amount dispensed and the date on which it was dispensed using the means provided by the approved electronic prescribing system;

- (e) after dispensing the drug of addiction as directed by the prescription the dispenser shall —
 - (i) indicate, in relation to the prescription, the number of occasions remaining (if any) on which the drug of addiction is to be dispensed under the prescription; and
 - (ii) in the case of a prescription that is not issued electronically — retain, subject to subregulation (7), the prescription in safe custody at the dispensary;
- (f) in the case of a prescription that is not issued electronically — the dispenser shall write in ink, or stamp, the word “cancelled” across the prescription in legible letters if —
 - (i) the prescription does not clearly indicate the maximum number of occasions on which the drug of addiction is to be dispensed under the prescription;
 - (ii) the prescription does not clearly indicate the intervals at which the drug of addiction is to be dispensed under the prescription; or
 - (iii) the drug of addiction has already been dispensed on the maximum number of occasions on which it can lawfully be dispensed under the prescription;
- (fa) in the case of a prescription that is issued electronically — the dispenser shall indicate that the prescription is cancelled using the means provided by the approved electronic prescribing system if one or more of the conditions in paragraph (f) are met;
- (g) the dispenser shall enter, or cause to be entered, in the register maintained under regulation 44, a proper record of the transaction which record shall be made in such a way as to be easily understood;

- (h) before the drug of addiction is handed to the purchaser, the following particulars shall be recorded in accordance with regulation 52B —
- (i) the prescription number;
 - (ii) the name, address and date of birth of the patient or, in the case of a prescription for veterinary use, the name and address of the person having the care of the animal for which the drug of addiction is prescribed;
 - (iii) a description of the drug of addiction;
 - (iv) the quantity of the drug of addiction dispensed;
 - (v) directions for the use of the drug of addiction;
 - (vi) the date of the prescription;
 - (vii) the name and address of the prescriber;
 - (viii) in the case of a prescription that is not issued electronically — a note of the basis on which the dispenser is satisfied for the purposes of subregulation (3)(a)(iii) that the signature on the prescription is the signature of the prescriber whose name appears on the prescription;
- [(j) deleted]*
- (k) the label on the bottle or package containing the drug of addiction shall be marked with the prescription number referred to in paragraph (h); and
- [(l) deleted]*
- (m) subject to regulation 64, the drug of addiction so dispensed shall conform in quantity, description, composition, strength, form and every other material particular to the directions of the prescriber,

and in respect of a prescription prescribing a poison included in Schedule 8 issued under the *National Health Act 1953* or the *Repatriation Act 1920* of the Commonwealth a copy of such a

prescription is deemed to be a prescription for the purposes of this regulation.

- (3a) For the purposes of subregulation (3)(a)(iii), if the prescription is not issued electronically, the dispenser shall orally ask the prescriber whose name appears on the prescription to verify that the prescriber issued the prescription, unless the dispenser is satisfied that the signature on the prescription is the signature of the prescriber on the basis that the dispenser is familiar with the signature of the prescriber and recognises the signature on the prescription as the prescriber's signature.
- (4) A person shall not dispense a drug of addiction under a prescription —
 - (a) that is more than 6 months old; or
 - (b) that —
 - (i) in the case of a prescription that is not issued electronically — is marked “cancelled”; or
 - (ii) in the case of a prescription that is issued electronically — is cancelled using the means provided by the approved electronic prescribing system.
- (5) A person shall not dispense a drug of addiction under a prescription which is illegible or defaced or which appears to have been altered or to be for the purpose of enabling some unauthorised person to obtain a drug of addiction, or which does not appear to be genuine.
- (6) If a pharmaceutical chemist is presented with or accesses a prescription which he or she suspects of being false in any particular he or she shall —
 - (a) in the case of a prescription that is not issued electronically — retain possession of the prescription for such reasonable period of time as will enable him or her to satisfy the requirements of paragraph (b); and

- (b) in any case — make enquiries concerning the genuineness of the prescription, the identity of the person who issued it and the bona fides of the person wishing to have the drug dispensed under it.
- (6a) When a pharmaceutical chemist to whom a prescription is submitted for dispensing a drug of addiction is satisfied that the prescription is not in accordance with the requirements of the Act or regulations, he or she shall —
 - (a) in the case of a prescription that is not issued electronically —
 - (i) mark on the prescription “cancelled”, the address of the dispensary and, in his or her own handwriting, the date and his or her usual signature; and
 - (ii) forward the prescription to the CEO; and
 - (iii) inform the CEO of the relevant circumstances and the reasons for his or her refusal to dispense the drug of addiction under the prescription;
 - and
 - (b) in the case of a prescription that is issued electronically —
 - (i) cancel the prescription using the means provided by the approved electronic prescribing system; and
 - (ii) inform the CEO that the prescription has been cancelled, and of the reasons for his or her refusal to dispense the drug of addiction under the prescription.
- (7) The dispenser of a drug of addiction may transfer a prescription that is not issued electronically into the safe custody of another person if the transfer is approved by the CEO under subregulation (7a).

- (7a) The CEO may, on the oral application of the dispenser, give approval for the dispenser to transfer the prescription to another person by whom the drug can be dispensed in accordance with these regulations.
- (8) A pharmaceutical chemist shall deliver up any document, prescription, authorisation or record relating to the sale or supply of a poison included in Schedule 8 upon request made by an authorised officer (other than an environmental health officer).

53A. Dispensing certain poisons included in Schedule 8

- (1) A person shall not dispense a prescription for or supply upon a prescription any of the following poisons included in Schedule 8, namely —

Amphetamine
Buprenorphine
Dexamphetamine
Dextromoramide
Flunitrazepam
Hydromorphone
Methadone
Methylamphetamine
Methylphenidate
Morphine
Oxycodone
Pethidine
Phenmetrazine

or the salts of any of those substances and any preparation or admixture containing any of those substances, or the salts of any of those substances, unless —

- (a) he or she is familiar with the prescriber's handwriting;
or
 - (b) he or she has verified with the purported prescriber that the prescription was issued by him or her; or
 - (c) the prescription is issued electronically via an approved electronic prescribing system.
- (2) Where a person cannot comply with subregulation (1), for good cause, he or she may dispense the prescription for, or supply upon the prescription, a quantity of the poison included in Schedule 8 sufficient to enable treatment at the rate prescribed for no more than 2 days.

54. Delivery of poisons included in Schedule 8 on order

- (1) Subject to regulation 53 and to subregulation (3) a poison included in Schedule 8 shall not be delivered to a person except —
- (a) on the authority of a written order —
 - (i) legibly written in ink;
 - (ii) bearing on the face thereof —
 - (I) the date when it is written;
 - (II) the name and address of the person requiring it to be supplied;

- (III) the quantity and description of the poison included in Schedule 8 to be supplied;
 - and
 - (iii) signed by a person licensed or otherwise authorised to procure or be in possession of the poison included in Schedule 8;
 - or
 - (b) on the authority of an order placed by telephone or telex, but such an order shall be confirmed by the person requiring the poisons to be supplied, by the signing and dating of the dispatch note or invoice delivered with the goods and the dispatch note or invoice shall be returned to the supplier within 7 days of the delivery or the supplier shall notify the CEO of the default.
- (2) A poison included in Schedule 8 shall not be delivered to any person not licensed, or otherwise authorised to be in possession of the poison included in Schedule 8, who purports to be sent by or on behalf of the person so licensed or authorised, unless the first-mentioned person produced an authority in writing signed by the person so licensed or authorised to receive the poison included in Schedule 8 on his or her behalf, and unless the person supplying the poison included in Schedule 8 is satisfied that the authority is genuine.
- (3) This regulation does not apply to medicines dispensed in pursuance of the foregoing regulations.

56. Storing and securing drugs of addiction

- (1) A person who is —
- (a) authorised under regulation 42(1) or 42(4); or
 - (b) licensed under regulation 4,

and who is in possession of a drug or drugs of addiction in an amount that is less than or equal to the amount prescribed by regulation 56A, shall store the poison in a safe of a kind prescribed by clause 1 of Appendix M.

- (2) A person who is —

- (a) authorised under regulation 42(1); or
- (b) licensed under regulation 4,

and who is in possession of a drug or drugs of addiction in an amount that is greater than the amount prescribed by regulation 56A, shall store the poison in a safe of a kind prescribed by clause 1 of Appendix M with the additional security requirements prescribed by clause 2 of that Appendix.

(3) Subregulations (1) and (2) do not apply —

- (a) to a pharmaceutical chemist who is in possession of a drug or drugs of addiction in an amount that is less than or equal to the amount prescribed by regulation 56A for the purposes of his or her profession or employment who stores the poison in a safe —
 - (i) of a type that was prescribed by regulation 56A(2) or (3); and
 - (ii) that was in place and used by him or her, immediately before the commencement of the *Poisons Amendment Regulations (No. 2) 1993*¹;
- (aa) to a pharmaceutical chemist who is in possession of a drug or drugs of addiction in an amount that is greater than the amount prescribed by regulation 56A for the purposes of his or her profession or employment who stores the poison in a safe —
 - (i) of a type that was prescribed by regulation 56A(2) or (3); and
 - (ii) that was in place and used by him or her, immediately before the commencement of the *Poisons Amendment Regulations (No. 2) 1993*¹, if that safe complies with the additional security requirements prescribed by clause 2 of Appendix M;
- (b) to a person who has the written permission of the CEO to store a drug of addiction in a manner and with such security arrangements as are specified by the CEO and

who stores and secures the drug of addiction in such manner;

- (c) to a person to whom regulation 52(2) applies where that person is in possession of a drug of addiction that he or she has prepared for supply, in accordance with a prescription; or
 - (d) where a poison included in Schedule 8 in an amount that is no more than would reasonably be required for administration to a patient in an emergency is —
 - (i) transported by a medical practitioner, dentist or veterinary surgeon for the purpose of his or her profession or practice; or
 - (ii) otherwise in the possession of a medical practitioner, dentist or veterinary surgeon,if that medical practitioner, dentist or veterinary surgeon, takes reasonable precautions to protect the poison against theft or loss.
- (4) This regulation is subject to regulations 56E and 56G.

Part 7 — Miscellaneous provisions

[Heading inserted in Gazette 12 Aug 2003 p. 3665.]

59. Names of persons from whom licence or authority withdrawn to be published

A decision of the CEO cancelling, suspending or revoking an authorisation, licence or permit conferred or issued under the Act or these regulations or any other decision of the CEO may be published in the *Government Gazette*.

[Regulation 59 inserted in Gazette 29 Aug 1980 p. 3031; amended in Gazette 29 Jun 1984 p. 1784; 25 Jun 1993 p. 3085; 26 May 1994 p. 2201; 15 Dec 2006 p. 5630-1.]

[Heading deleted in Gazette 12 Aug 2003 p. 3663.]

[60-63. Deleted in Gazette 30 Dec 2004 p. 6943.]

64. Substitution of one brand of a drug for another

- (1) In this regulation —

approved name, in relation to a poison, means the name for the poison that is listed in the Australian Register of Therapeutic Goods, other than a brand of the poison;

Australian Register of Therapeutic Goods means the register of that name maintained under section 17 of the *Therapeutic Goods Act 1989* of the Commonwealth;

brand, in relation to a poison, means a name given to the poison by a manufacturer of it and listed in the Australian Register of Therapeutic Goods, other than its approved name.

- (2) If a prescription issued by a medical practitioner, nurse practitioner or a dentist prescribes a poison and describes the poison by its approved name, a person dispensing the prescription may dispense or supply any brand of the poison.

- (3) Except as provided by this regulation, if a prescription issued by a medical practitioner, nurse practitioner or a dentist prescribes a poison and describes the poison by reference to a brand of it, a person dispensing the prescription must not dispense or supply the poison other than in accordance with the description in the prescription.
- (4) If a prescription issued by a medical practitioner, nurse practitioner or a dentist prescribes a poison and describes the poison by reference to a brand of it, a person dispensing the prescription may dispense or supply any brand of the poison, unless the prescription shows a contrary intention.
- (5) If a prescription issued by a medical practitioner or nurse practitioner in respect of a patient in a public hospital prescribes a poison and describes the poison by reference to a brand of it, a person dispensing the prescription may dispense or supply any brand of the poison, whether or not the prescription indicates a contrary intention.
- (6) For the purposes of this regulation, a contrary intention is shown on a prescription if it bears the words “No substitution” or words with a similar effect.

65. Form of warrant (section 55A)

A warrant under section 55A of the Act is to be in the form of Form 15 in Appendix A.

[Regulation 65 inserted in Gazette 19 Mar 1996 p. 1234.]

Part 8 — Transitional provisions

[Heading inserted in Gazette 21 Apr 2009 p. 1366.]

Division 1 — Transitional provisions relating to the Poisons Amendment Regulations (No. 2) 2009

[Heading inserted in Gazette 21 Apr 2009 p. 1366.]

66. Terms used

In this Division —

commencement day means the day on which this Division comes into operation;

prescription means a prescription or document prescribing the use, sale or supply of a drug of addiction.

[Regulation 66 inserted in Gazette 21 Apr 2009 p. 1366.]

67. Authorisation to prescribe drugs of addiction

(1) This regulation applies to a person —

- (a) who was authorised under regulation 51B(1) (as in force before commencement day) in relation to a drug addict; and
- (b) whose authorisation (the **old authorisation**) was in force immediately before commencement day.

(2) The person becomes, on commencement day, a person authorised by the CEO under regulation 51BA(2) for that drug addict on the same terms and conditions as, and (subject to these regulations) for the remainder of the term of, the old authorisation.

[Regulation 67 inserted in Gazette 21 Apr 2009 p. 1366-7.]

68. Authorisation to prescribe pharmacotherapies

(1) This regulation applies to a person —

- (a) who was authorised under regulation 51C (as in force before commencement day) in relation to a drug addict; and
 - (b) whose authorisation (the *old authorisation*) was in force immediately before commencement day.
- (2) The person becomes, on commencement day, a person appointed by the CEO under regulation 51CA(1) to be the authorised prescriber for that drug addict on the same terms and conditions as, and (subject to these regulations) for the remainder of the term of, the old authorisation.

[Regulation 68 inserted in Gazette 21 Apr 2009 p. 1367.]

69. Prescriptions

Nothing in regulations 51B to 51EA as inserted by the *Poisons Amendment Regulations (No. 2) 2009* (the *new provisions*), prevents a prescription that was written, issued or authorised before commencement day from being dealt with under these regulations as if it had been written, issued or authorised under the new provisions.

[Regulation 69 inserted in Gazette 21 Apr 2009 p. 1367.]

70. Dispensing drugs of addiction from a pharmacy

Regulation 51B (as inserted by the *Poisons Amendment Regulations (No. 2) 2009*) does not apply to or in respect of a pharmacy until the end of the 12 months after commencement day.

[Regulation 70 inserted in Gazette 21 Apr 2009 p. 1367.]

Criteria for electronic prescribing systems

[Heading inserted in Gazette 7 Nov 2008 p. 4818.]

The electronic prescribing system must be designed so that —

- (a) the system records each person who was given an access code, when it was given and (where relevant) when it was cancelled and each person who has a current access code, in a way that cannot be amended or erased; and
- (b) for each entry made in the system —
 - (i) a unique, sequential number is given to that entry; and
 - (ii) the time and date is recorded; and
 - (iii) the system identifier of the person whose access code was used to make the entry is recorded;and
- (c) the system requires that persons with access to it change their access code in accordance with standard industry practice; and
- (d) appropriate backup arrangements are in place; and
- (e) the system records the details of the administrator or each person who is an administrator of the system, and retains those details for 7 years after the person ceases to be an administrator; and
- (f) the system can generate appropriate reports from its records, for example —
 - (i) of persons with, or who were given, an access code;
 - (ii) of access to the system, or entries made in the system, during a certain period;
 - (iii) of entries made in the system during a certain period, sorted according to drug type, strength or dose or according to patient;
 - (iv) of corrections to entries made during a certain period;

and

(g) the records of the system can be printed.

Appendix L

(Regulations 37 and 51)

Specified criteria for the generation of prescriptions by computer

[Heading inserted in Gazette 26 Jul 1991 p. 3855.]

1. The computer system shall be designed so that —
 - (a) the prescription can be generated by the prescriber only;
 - (b) the prescription is printed on a form which is pre-printed with the name and address and contact telephone number of the prescriber OR which is pre-printed with at least the address and contact telephone number of the practice and the system individually prints the name of the prescriber at the foot of the prescription when the prescription is being generated;
 - (c) either a statement is printed on each prescription form indicating the total number of items prescribed on that form, or the area on the prescription form below the prescriber's signature is scored, hatched or otherwise marked to prevent any other item being printed in that area;
 - (d) the directions for use must be determined and included on each occasion by the prescriber;
 - (e) the particulars of any prescription issued are included in the clinical or prescription record of the person or animal for whom the prescription was generated;
 - (f) a number which uniquely identifies each prescription form is printed on the form which is related to the clinical or prescription record of the person or animal for whom that prescription was generated;
 - (g) the clinical or prescription record of the person or animal for whom the prescription was issued is preserved for at least one year from the date on which the prescription was generated and can be accessed when required.

[Clause 1 inserted in Gazette 26 Jul 1991 p. 3855.]

2. For prescriptions of a poison included in Schedule 8 or 9, the words, "The prescriber must write these prescription details in his or her own

handwriting” shall be printed by the system immediately below the computer-printed details, and the system shall allow space on the prescription for these handwritten details.

- (i) weighing at least 500 kilograms, but if the weight is less than 1 tonne, then the safe shall be securely bolted through a concrete floor by a person who is licensed under the *Security Agents Act 1976*⁴ as a security agent or guard to install safes;
- (ii) lockable by means of either a key or a combination lock;
- (iii) having a steel plate door at least 12 millimetres thick, with at least 2 locking bolts that are at least 25 millimetres thick; and
- (iv) having the manufacturer's recommendation that items with a total value of at least \$30,000 stored in the safe be eligible for insurance cover;

or

(b) an under-floor safe as follows —

- (i) embedded in concrete by a person who is licensed under the *Security Agents Act 1976*⁴ as a security agent or guard to install safes;
- (ii) lockable by means of a combination lock;
- (iii) having a heavy cast, high tensile steel lid that is secured at least 25 millimetres below a steel top plate; and

- (iv) having the manufacturer's recommendation that items with a total value of at least \$30,000 stored in the safe be eligible for insurance cover.

[Clause 1 inserted in Gazette 25 Jun 1993 p. 3084; amended in Gazette 24 Jun 1994 p. 2870.]

2. Additional security requirements

- (1) A drug or drugs of addiction in an amount greater than the amount prescribed by regulation 56A shall be protected by a detection device complying with the Australian Standard having the designation AS 2201.3 and entitled "Intruder alarm systems Part 3: Detection devices for internal use" published by the Standards Association of Australia⁵ including any amendment thereto made before the commencement of the *Poisons Amendment Regulations (No. 2) 1993*¹.
- (2) The detection device shall be able to detect the presence of a person who interferes, or attempts to interfere, with —
 - (a) the safe in which the poison is, or poisons are, stored;
 - (b) the detection device; or
 - (c) the device's alarm control panel.
- (3) The detection device and its alarm control panel shall be —
 - (a) monitored by a dedicated direct line; and
 - (b) installed in compliance with the Australian Standard having the designation AS 2201.1-1986 and entitled "Intruder alarm systems Part 1: Systems installed in client's premises", and by a person who is licensed under the *Security Agents Act 1976*⁴ as a security agent or guard to install that kind of device and alarm control panel.

[Clause 2 inserted in Gazette 25 Jun 1993 p. 3085; amended in Gazette 24 Jun 1994 p. 2870; 19 Mar 1996 p. 1239.]

² Repealed by the *Mental Health Act 1981* which was repealed by the *Mental Health Act 1996*.

³ The *Poisons Amendment Regulations (No. 3) 2001* r. 4(2) reads as follows:

“

- (2) A licence issued under regulation 4 of the *Poisons Regulations 1965* and in force immediately before the day on which this regulation commences, continues in force on and after that day, as if it were a licence issued under regulation 3 of those regulations as amended by this regulation.

”.

⁴ Repealed by the *Security and Related Activities (Control) Act 1996*.

⁵ The Standards Association of Australia has changed its corporate status and its name. It is now Standards Australia International Limited (ACN 087 326 690). It also trades as Standards Australia

⁶ Renumbering of regulation 41 to regulation 40A effected by amendment in *Gazette* 19 March 1996 p. 1225.

⁷ Now known as the *Poisons Regulations 1965*; citation amended (see note to r. 1).

⁸ The *Nurses Amendment Act 2003* s. 50 reads as follows:

“

50. Existing power to amend regulations unaffected

Nothing in this Division prevents any of the *Poisons Regulations 1965* from being amended in accordance with the *Poisons Act 1964*.

”.
