Division 2 — Proceedings

[Heading inserted by No. 55 of 2004 s. 235.]

30. Disciplinary powers

- (1) There is proper cause for disciplinary action in respect of a registered person if —
 - (a) the registration was obtained by fraud or misrepresentation;

- (b) before or after registration, the person was or has been convicted of an offence which renders that person unfit to practise as a dentist or to be employed as a dental therapist, dental hygienist or school dental therapist;
 - (c) as the result of a finding of any authority lawfully exercising outside the State powers similar to those conferred on the State Administrative Tribunal by this Act, that person has been at any time, and should continue to be, disqualified from carrying on practice as a dentist or from employment as a dental therapist, dental hygienist or school dental therapist;
 - (d) the person is addicted to alcohol or any deleterious drug or suffers from any mental or physical disorder to a degree that renders that person unfit to practise as a dentist or be employed as a dental therapist, dental hygienist or school dental therapist; or
 - (e) that person is guilty of misconduct in a professional respect by reason of carelessness, incompetence, impropriety, infamous conduct, or a breach of the provisions of this Act.
- (1aa) The Board may allege to the State Administrative Tribunal that there is proper cause for disciplinary action, as mentioned in subsection (1), in respect of a person who is or was a registered person.
- (1ab) If in a proceeding commenced by an allegation under this section in respect of a registered person, the State Administrative Tribunal is of the opinion that proper cause exists for disciplinary action the Tribunal may order that the name of the person be struck off the Register.
- (1a) Subject to subsection (1b), if the Tribunal is satisfied in relation to a person whose name has been withdrawn from or struck off the Register, that, had the name of that person not been so withdrawn from or struck off the Register the Tribunal would

have been empowered to impose a penalty on that person under subsection (1ab) or (3), the Tribunal may —

- (a) censure that person; or
 - (b) order that person to be fined such amount, not exceeding \$2 000, as the Tribunal thinks fit.
- (1b) Nothing in subsection (1a) shall be construed as enabling the Tribunal to impose more than one penalty on a person in respect of the same act or omission.
- (2) Any person may make to the Board an allegation that a person who is or was a registered person is guilty of misconduct in a professional respect, and the Board may after affording that person an opportunity of giving an explanation to the Board either in person or in writing refer the allegation to the State Administrative Tribunal.
- (2a) Instead of making an allegation to the Tribunal under subsection (1aa) or referring an allegation to the Tribunal under subsection (2), if the Board —
- (a) is of the opinion that a proceeding before the Tribunal is not warranted by the nature of the allegations;
 - (b) has afforded to the person concerned the opportunity of giving an explanation to the Board either in person or in writing and is not satisfied by any explanation offered; and
 - (c) has afforded to the person concerned the option of the matter proceeding before the Tribunal and that option has not been taken up,

the Board may deal with the matter as described in subsection (3)(a), (b), (c), or (d) except that it cannot order that a person be fined more than \$2 500 and it cannot make an order under subsection (3)(a) or (c) in respect of a person who is no longer a registered person.

- (2b) The Board may, in addition to or instead of imposing 1 or more penalties under provisions referred to in subsection (2a), order the person concerned to pay all or any of the costs and expenses of or incidental to the proceedings.
- (2c) The amount of any penalty, costs, or expenses that the Board orders under subsection (2a) or (2b) that a person pay is recoverable by the Board in any court of competent jurisdiction as a debt due to the Board.
- (3) Instead of causing the name of any person to be struck off the Register in accordance with subsection (1), where the State Administrative Tribunal considers that the matter does not in the public interest require that the registered person concerned should be disqualified from practice or employment as such, the Tribunal may —
- (a) order that the particulars entered in the Register in relation to that person be amended;
 - (b) censure that person;
 - (c) order that person to give an undertaking, either with or without security, for such period as is specified in the order —
 - (i) in the case of a dentist to comply with such conditions as may be specified in the order in relation to that person's practice; or
 - (ii) in the case of a dental therapist, dental hygienist or school dental therapist, to work under supervision, or to complete a specified course of instruction or study;
 - (d) order that person to be fined such an amount, not exceeding \$2 000, as is specified in the order;
 - (e) if the person is a dentist, order that that person is suspended from practice generally, or from the performance of any specified operation, service or act of

dentistry for a period not exceeding 12 months as specified in the order; or

- (f) if the person is a dental therapist, dental hygienist or school dental therapist, order that that person is suspended from employment as such generally, or from the performance of any act of dentistry of a kind specified in Schedule 2 for a period not exceeding 12 months as specified in the order.

30A. Breach of undertaking

Where the Board, after due inquiry, is satisfied that a registered person who has given an undertaking pursuant to section 30 has at any time during the currency of the undertaking been in breach of that undertaking, or failed to comply with any condition imposed, the Board may, in addition to or in lieu of proceeding against that person in accordance with the undertaking, refer the matter to the State Administrative Tribunal and the Tribunal may impose on that person such further penalty under section 30 in respect of the matter as a consequence of which the undertaking was required to be given as the Tribunal thinks fit, and may also impose any such penalty in relation to the conduct or omission giving rise to the breach or the failure to comply with the conditions imposed.

[Section 30A inserted by No. 108 of 1972 s. 20; amended by No. 10 of 1998 s. 27(2); No. 55 of 2004 s. 237.]
