(2) Section 11(1) of the Act does not apply to a reference in a provision of an instrument made under an Act that provides for the commencement of such an instrument.

(2a) Subregulation (3) does not apply to any regulations, rules or by-laws, other than ~~those listed in subregulation (1a)~~ [the Rules of the Supreme Court 1971](#).

(3) Unless the contrary intention appears or the context otherwise requires, section 11(1) of the Act applies to the following references in instruments made under Acts as if the words “to be a reference” in that subsection were substituted for the words “to include a reference” —

- (a) a reference in a provision that gives a meaning to a term or phrase by reference to a provision, or group of provisions, of the old Corporations Law;
- (b) a reference in a provision that operates by reference to a status of a person under the old Corporations Law but only if the context of the reference indicates that a current status is being referred to;
- (c) a reference in a provision that provides that a person has a certain status as if the old Corporations Law applied to the person, or another person in relation to whom the first person has that status, but only if the context of the reference indicates that a current status is being referred to;
- (d) a reference in a provision that applies a provision, or a group of provisions, of the old Corporations Law as a law of the State.

- (4) The kinds of references referred to in each of the paragraphs in subregulation (3) are not to be regarded as necessarily mutually exclusive.

[Regulation 4 amended ~~in~~: Gazette 28 Sep 2001 p. 5352 and 5355; 7 Dec 2001 p. 6187; 8 Oct 2002 p. 5096; 1 Aug 2003 p. 3295; [31 Dec 2009 p. 5401-2.](#)]

 - (b) the *Corporations (Consequential Amendments) Act 2001*;
 - (c) the *Corporations (Consequential Amendments) Act (No. 2) 2003*.
- (2) Section 11(5) of the Act does not apply to a new reference in a provision of an Act or an instrument made under an Act if, immediately before the relevant time, the provision did not expressly refer (or was not taken to be or include) a reference to a corresponding provision of the national scheme law of this jurisdiction.

Note—[for this subregulation](#):

Immediately before the relevant time (when the *Corporations Act 2001* of the Commonwealth comes into operation), certain references to the *Companies Act 1961* and other corporation laws in force in the State before the co-operative scheme laws did not include references to the national scheme law. Some of these references were replaced in the *Corporations (Consequential Amendments) Act 2001* and the *Corporations (Consequential Amendments) Act (No. 2) 2003* by references to the new corporations legislation and the new ASIC legislation.

- (3) Unless the contrary intention appears or the context of the reference otherwise requires, any new reference in a provision to which subregulation (2) applies is taken to include a reference to a previous State corporations law (or provision of such a law) to which it referred immediately before the relevant time in

r. 5

relation to events, circumstances or things that happened or
arose before the relevant time.
