- (2) Subsection (1) does not affect the operation of sections 55, 56 and 58.
- (3) The *Interpretation Act 1984* section 37 applies in respect of subsection (1) as if a planning scheme were an enactment and the subsection repealed the scheme insofar as it applies to the land and development of the land.
- (4) Subsection (3) operates subject to any provision in the approved redevelopment scheme that relates to nonconforming uses.

- (5) This section does not apply in relation to a development that was lawfully being carried out in the redevelopment area immediately before the scheme start day.

- (2) An amendment published under subsection (1) has effect, by force of this subsection and without further action, on the day on which the redevelopment scheme ceases to apply to the land.

58. Certain planning schemes affecting redevelopment area not to operate until redevelopment scheme ceases to apply

- (1) Subject to subsection (2) and without limiting section 57, this Division does not prevent a planning scheme, or amendment to a planning scheme, that, but for section 51, would apply to land in a redevelopment area being made after a scheme start day so as to commence when the redevelopment scheme ceases to apply to the land.
- (2) A planning scheme, or an amendment to a planning scheme, made after a scheme start day, insofar as it purports to apply to land in a redevelopment area, has no effect while the redevelopment scheme has effect.
