Western Australia

Environmental Protection Act 1986

Environmental Protection (NEPM-NPI) Regulations 1998

Made by the Governor in Executive Council on the recommendation of the Environmental Protection Authority.

1. Citation

These regulations may be cited as the *Environmental Protection* (*NEPM-NPI*) Regulations 1998.

2. InterpretationTerms used

(1) In these regulations —

ANZSIC 2006 code, for an activity or industry, means the classification code given to that activity or industry under the Australian and New Zealand Standard Industrial Classification 2006 produced by the Australian Bureau of Statistics;

NPI means the NEPM cited as the *National Environment Protection (National PollutionPollutant Inventory) Measure;*

occupier means an occupier, within the meaning of the NPI, to which these regulations apply.

r. 6

- (2) An occupier who
 - (a) fails to provide the information to the Chief Executive Officer within 3 months after the end of the reporting period to which the information relates; or
 - (b) provides information which is false or misleading in a material particular,

commits an offence. Penalty: \$5 000.

- (3) The State <u>shallmust</u> not release any information provided to it under subregulation (1)(<u>ca</u>), (c) <u>or (db)</u> unless —
 - (a) the occupier consents to its release; or
 - (b) the State is legally compelled to release it-; or
 - (c) it is specifically required by a data gathering program of another State, Territory or the Commonwealth.
- (4) If subregulation (3)(c) applies, the information can only be supplied to the State, Territory or Commonwealth data gathering program that requires it.

[Regulation 5 amended: Gazette 2 Mar 2012 p. 857-8.]

6. Emission estimation techniques

- (1) In estimating emission <u>data and mandatory transfer</u> data for the purposes of providing information under regulation 5, each occupier of a reporting facility must
 - (a) if an estimation technique is set out in the relevant industry <u>handbookreporting materials</u> for that type of reporting facility apply either —
 - (i) that estimation technique; or
 - (ii) another estimation technique approved by the Chief Executive Officer;

and

|-----|--------|--|
| | (b) | if no estimation technique is set out in the relevant industry <u>handbookreporting materials</u> which relates to a specific process carried out at the reporting facility or means of emission <u>or transfer</u> of <u>wastesubstances</u> from the reporting facility, apply an estimation technique approved by the Chief Executive Officer; and |
| | (c) | document the technique applied under paragraph (a)(ii) or (b). |
| (2) | An occ | cupier must — |
| | (a) | retain any data which may be required by the Chief Executive Officer to verify the emission data <u>or</u> <u>mandatory transfer data</u> for 3 years from the date on which a report was provided to the Chief Executive Officer; and |
| | (b) | provide the data to the Chief Executive Officer as required by the Chief Executive Officer. |
| | Penalt | y: \$5 000. |
| | [Regu | lation 6 amended: Gazette 2 Mar 2012 p. 859.] |

7. Information not admissible in other proceedings

Information provided by an occupier solely for the purposes of these regulations is not admissible in evidence in any proceedings against the occupier other than proceedings in respect of an offence against regulation 5(2)(b).
