### **Division 1 — Assessments**

#### **13. Assessments**

- (1) An assessment is a determination —

  - (b) that no tax is payable; or
  - (c) that a person is liable to pay tax or is exempt from liability to pay tax; or
  - (d) that an instrument, event or transaction is liable to tax or is exempt from tax.
- (2) An assessment may be made in relation to any one or more, or all, of the components of the tax payable by a taxpayer.
- (3) The receipt by the Commissioner of an amount as payment of tax does not constitute an assessment of tax liability.

*[Section 13 amended by No. 10 of 2013 s. 11.]*

#### **14. Self-assessments**

A self-assessment is —

- (a) an assessment made by the taxpayer in a return under a taxation Act; or
- (b) an assessment made by a responsible party in a return or otherwise in accordance with a special tax return arrangement.

#### **15. Official assessments**

- (1) An official assessment is an assessment made by the Commissioner.

- (2) The Commissioner must make an official assessment of the tax payable by a person —
  - (a) if the person is or is likely to be liable to pay tax, but is not required to make a self-assessment; or
  - (b) when a taxation Act specifically requires the Commissioner to do so.
- (3) The Commissioner may make an official assessment on his or her own initiative, and may do so even if the taxpayer is required to make, or has made, a self-assessment.
- (4) The Commissioner may make an official assessment in any other circumstances at the taxpayer's request.

**16A. Interim assessments**

- (1) The Commissioner may make an assessment (an *interim assessment*) of a portion of the tax payable by a person when a taxation Act specifically authorises the Commissioner to do so.
- (2) The Commissioner can make only one interim assessment of the tax payable.
- (3) The interim assessment must be followed by a complete assessment, which the Commissioner must make when the Commissioner —
  - (a) has sufficient information to make such an assessment;
  - or
  - (b) makes a compromise agreement.
- (4) An interim assessment does not bind the Commissioner in relation to an assessment made following the interim assessment.
- (5) The complete assessment following the interim assessment supersedes the interim assessment but does not affect any liability for —
  - (a) penalty tax arising out of the interim assessment; or

(b) interest payable under a tax payment arrangement.

(6) The complete assessment following the interim assessment is not a reassessment of the interim assessment.

(7) The Commissioner is not prevented from making or enforcing an interim assessment by —

(a) the Commissioner having already made an assessment that is not a complete assessment, that is, an assessment that a person is liable to pay tax or that an instrument, event or transaction is liable to tax; or

(b) a person making an objection or taking review proceedings in relation to an assessment referred to in paragraph (a).

(8) No action can be brought in any court or tribunal to compel the Commissioner to make an interim assessment.

[Section 16A inserted by No. 10 of 2013 s. 12.]

## **16. Reassessments**

(1) The Commissioner must make a reassessment —

(a) if specifically required to do so under a taxation Act; or

(b) if specifically required to do so under a direction given in the course of review proceedings; or

(2) Subject to subsection (5), the Commissioner may also make a reassessment —

(a) on his or her own initiative, if it appears that a previous assessment is or may be incorrect for any reason; or

(b) on the application of the taxpayer.

(3A) Despite subsections (1) and (2), the Commissioner cannot make a reassessment in relation to an interim assessment unless specifically required to do so by section 39(1) or a direction given in the course of review proceedings.

(3B) A reference in this Act to an assessment following an interim assessment does not include a reference to a reassessment of an interim assessment.

- (3) A reassessment may be made whether or not any amount of tax has been paid on the previous assessment.
- (4) A reassessment may consolidate 2 or more separate assessments into a single assessment.
- (5) If an assessment is based on a particular interpretation of the applicable law or a particular practice of the Commissioner that was generally applied to assessments of that kind when the assessment was made, then the Commissioner cannot make a reassessment based on the ground that the interpretation or practice is or was erroneous.

*[Section 16 amended by No. 55 of 2004 s. 1165; [No. 10 of 2013 s. 13.](#)]*

**17. Time limits on reassessments**

- (1) A taxpayer is not entitled to apply for a reassessment more than 5 years after the original assessment was made.

  - (a) the Commissioner has been directed, in the course of review proceedings, to make the reassessment; or
  - (b) there are reasonable grounds for suspecting that there has been an evasion of tax, or that the previous assessment was made on the basis of false or misleading information.

- (3) The Commissioner may make a reassessment of the amount of pay-roll tax payable on an original assessment that was made in or in relation to any of the 5 financial years that precede the financial year in which the reassessment is made.
- (4) However, in any other circumstances the Commissioner may only make a reassessment within 5 years after the date of the original assessment or on an application made within 5 years after the date of the original assessment.

*[Section 17 amended by No. 55 of 2004 s. 1166.]*

## **18. Effect of reassessment**

- (1) A reassessment [of an interim assessment or an original assessment](#) supersedes the ~~original~~ assessment and any earlier reassessment.
- (2) A reassessment may increase or decrease the amount originally assessed.
- (3) If tax payable on —
  - (a) an instrument; or
  - (b) a transaction or event that an instrument effects or records,

is reassessed, and the instrument or a duplicate or copy of it is produced to the Commissioner, the Commissioner may endorse it to indicate the amount of tax (if any) payable under the reassessment and the amount of tax paid (if any), (but the reassessment takes effect irrespective of it being so endorsed).

- (4) A reassessment does not invalidate proceedings for the recovery of tax, but the amount to be recovered is to be amended to take account of the reassessment.
- (5) If an objection to an assessment is lodged but a reassessment is made before the objection is determined, the objection may be continued against the reassessment to the extent that it is liable

to the same objection or to an objection that is the same, or similar, in substance.

*[Section 18 amended by No. 12 of 2008 s. ~~35~~35; No. 10 of 2013 s. 14.]*

- (2) An assessment may not be withdrawn if any amount of tax has been paid on the assessment.
- (3) The Commissioner must give a written notice of withdrawal to the taxpayer.
- (4) If an assessment in respect of an event or transaction is withdrawn, the assessment is taken never to have been made and, subject to this Act, the Commissioner may make an assessment in respect of the event or transaction at any time after the first-mentioned assessment is withdrawn.

*[Section 18A inserted by No. 66 of 2003 s. 95(2).]*

**19. Assessments based on estimated or suspected liability**

- (1) If the Commissioner suspects on reasonable grounds that a tax liability exists, the Commissioner may make an assessment on the basis of that suspicion and the Commissioner's estimate of the amount of the liability.
- (2) If a tax liability exists, but the Commissioner is not satisfied with the adequacy or reliability of information available to make an assessment, the Commissioner may make an assessment on the basis of the Commissioner's estimate of the amount of the liability.

(3) The Commissioner cannot make an interim assessment under this section but can make an assessment following an interim assessment under this section.

[\[Section 19 amended by No. 10 of 2013 s. 15.\]](#)

**20A. Compromise assessments**

- (1) If the Commissioner considers it appropriate to do so to avoid undue delay or expense, to settle a dispute or for any other reason, the Commissioner may —
- (a) make a written agreement (a ***compromise agreement***) with a taxpayer in relation to the assessment of the taxpayer's tax liability; and
  - (b) make an assessment in accordance with the compromise agreement.

[\(2A\) The Commissioner cannot make an interim assessment in accordance with a compromise agreement but can make an assessment following an interim assessment in accordance with a compromise agreement.](#)

- (2) Despite section 16 the Commissioner must not make a reassessment of a compromise assessment unless —
- (a) the taxpayer has agreed; or
  - (b) the Commissioner is satisfied that the compromise assessment —
    - (i) was procured by fraud; or
    - (ii) was made in consequence of the taxpayer knowingly failing to disclose material information or providing information knowing that it was incorrect, incomplete or misleading.
- (3A) Without limiting subsection (1), a compromise agreement may include —
- (a) conditions agreed with the taxpayer providing for the payment (and allowing for the remission) of interest at the prescribed rate or at some other rate fixed by or under the arrangement with the agreement of the taxpayer; and

- (b) any other conditions the Commissioner considers appropriate.
- (3) Each of the following are final and not subject to objection or review under Part 4 or to any other form of appeal or review —
  - (a) a decision of the Commissioner under this section to make, or not make, a compromise agreement;
  - (b) a decision of the Commissioner under this section as to the terms of a compromise agreement;
  - (c) a compromise assessment.
- (4) No action can be brought in any court or tribunal to compel the Commissioner to make a compromise agreement.

*[Section 20A inserted by No. 31 of 2008 s. 29; amended by No. 17 of 2010 s. ~~23~~23; No. 10 of 2013 s. 16.]*

**20. Assessments when instrument misleading or unavailable**

- (1) If there are reasonable grounds for suspecting that an instrument lodged under a taxation Act is inaccurate or misleading, then for the purposes of making an assessment the Commissioner may —
  - (a) subject to subsection (4), create a memorandum of the instrument; and
  - (b) treat the memorandum as if it were the instrument.
- (2) If tax is or may be payable but an instrument has not been lodged as required under a taxation Act, then for the purposes of making an assessment, the Commissioner may —
  - (a) treat a copy of the instrument as if it were the instrument; or
  - (b) subject to subsection (4), create a memorandum of the instrument, and treat the memorandum as if it were the instrument.

- (3) A memorandum created under subsection (1)(a) or (2)(b) is taken to be the instrument and to have been lodged by the person required to lodge it under the taxation Act.
- (4) The Commissioner can only create a memorandum of an instrument under subsection (1)(a) or (2)(b) if the Commissioner has, so far as is practicable, made reasonable efforts to obtain sufficient information to make an accurate assessment.
- (5) The copy or memorandum may be endorsed to indicate the payment of tax.
- (6) The validity of an assessment and the liability to pay tax do not depend on the availability of an instrument or a copy of an instrument, or on the creation of a memorandum of an instrument.
- (7) This section does not limit the powers of the Commissioner under section 19.

*[Section 20 amended by No. 66 of 2003 s. 95(3); No. 12 of 2008 s. 36.]*

**21. Ascertaining value of property, consideration or benefit**

(2B) A taxpayer may, in a particular case, comply with a requirement under subsection (1)(a) by providing other evidence as to the value of the property, consideration or benefit satisfactory to the Commissioner.

- (2) A requirement must specify the date on or before which the taxpayer is required to comply with it.

## **22. Commissioner's power to have valuation made**

- (1) For the purposes of a taxation Act, the Commissioner may —
- (a) have a valuation made of any property, consideration or benefit; or
  - (b) adopt any available valuation of the property, consideration or benefit that the Commissioner considers appropriate.
- (2) The Commissioner may have a valuation made, or adopt a valuation, regardless of whether —
- (a) the Commissioner has required the taxpayer to provide information under section 21 about the value of the property, consideration or benefit; or
  - (b) the taxpayer has complied with such a requirement.

**23A. Recovery of valuation costs**

- (1) The Commissioner may recover from a taxpayer the costs of obtaining a valuation under section 22(1)(a) if —
- (a) the taxpayer does not comply with a requirement under section 21(1)(a); or
  - (b) the Commissioner is not satisfied with a valuation provided by the taxpayer (whether or not in compliance with a requirement under section 21(1)(a)) and the value on which the taxpayer's liability is assessed exceeds the designated valuation provided by the taxpayer by 15% or more.
- (2) However, if the validity or correctness of the assessment referred to in subsection (1)(b) is challenged by the taxpayer, the Commissioner can only recover the costs of obtaining the valuation if —
- (a) the value on which the final assessment of the taxpayer's liability is based exceeds the designated valuation provided by the taxpayer by 15% or more; and
  - (b) the value on which the taxpayer's liability is assessed referred to in subsection (1)(b) does not vary from the value on which the final assessment of the taxpayer's liability is based by 15% or more.
- (3) In this section and section 27A(3), a reference to the designated valuation provided by the taxpayer is a reference to —

  - (c) a valuation accepted as the designated valuation by the Commissioner under subsection (7).

(4) If a taxpayer provides a valuation (whether or not in compliance with a requirement under section 21(1)(a)), the Commissioner may ask the taxpayer whether the taxpayer wishes to nominate that valuation for the purposes of this section.

(5) The nomination must be in writing.

(6) Subsection (1)(b) does not apply if the Commissioner has not sought a nomination from the taxpayer in relation to the valuation.

(7) The Commissioner may accept a valuation, provided by the taxpayer after the taxpayer has nominated a valuation or after the Commissioner has sought a valuation, as the designated valuation for the purposes of this section but only if satisfied that it is reasonable to do so in all the circumstances.

(8) In subsection (2), the final assessment of the taxpayer's liability is the assessment applicable after the objection and any subsequent review proceedings are discontinued or otherwise finally determined.

(9) A reference in this section to a valuation does not include a reference to a valuation obtained because of or in the course of an objection or review proceedings.

(10) For the purpose of this section, if a valuation gives a range of values and a preferred value is not provided in or with it, the valuation is taken to fix a value at the median point in the range.

[Section 23A inserted by No. 10 of 2013 s. 30.]

**28. Limitation on amount of penalty tax**

If the total amount of penalty tax assessed as payable by a taxpayer in relation to a primary liability exceeds, or would but for this section exceed, the amount of the primary liability, the amount of penalty tax payable is reduced to the amount equal to the amount of the primary liability.

**29. Remitting penalty tax**

- (1) The Commissioner may remit penalty tax wholly or in part.
- (2) Penalty tax may be remitted before or after an assessment of the penalty tax is made.
- (3) If penalty tax is paid and later remitted, the amount remitted is to be refunded or credited against the taxpayer's present or future tax liabilities.

**30. Guidelines for remitting penalty tax**

- (1) The Commissioner must publish the policy followed by the Commissioner when deciding whether or not to remit penalty tax under section 29.
- (2) The Commissioner must, at the request of a taxpayer, make a copy of the guidelines available to the taxpayer.

## **Part 4 — Objections and review proceedings**

*[Heading amended by No. 55 of 2004 s. 1167.]*

### **Division 1 — Procedures and restrictions**

#### **31. Procedure for challenging assessments**

A taxpayer is not entitled to challenge the validity or correctness of an assessment, or of any other decision for which rights of objection or review are conferred by this Act, except —

- (a) in proceedings by way of objection or in review proceedings; or
- (b) in any other manner specifically provided in a taxation Act.

*[Section 31 amended by No. 55 of 2004 s. 1168.]*

#### **32. Objections to land valuations**

The validity or correctness of a valuation under the *Valuation of Land Act 1978* may only be challenged in proceedings under Part IV of that Act, and not by way of objection against an assessment under this Act based on the valuation.

*[Section 32 amended by No. 55 of 2004 s. 1169.]*

#### **33. Continuing obligation to pay assessed tax**

- (1) An obligation to pay tax is not suspended or deferred by an objection or case stated or by review proceedings.
- (2) An order cannot be made in review proceedings if it would have the effect of suspending or deferring an obligation to pay tax before those proceedings are finally determined.

*[Section 33 inserted by No. 55 of 2004 s. 1170.]*

## Division 2 — Objections

  - (d) a decision made on a pre-section 270 decision request made under the *Duties Act 2008* section 269, unless the Commissioner has already decided under the *Duties Act 2008* section 270(1) to disregard the scheme that was the subject of the request.
- (2) However, an objection cannot be made against —
- (a) the determination of an objection;
  - (b) an assessment of an amount of duty and penalty tax that is assessed under a taxation Act and specified in a traffic infringement notice issued under the *Road Traffic Act 1974* section 102, unless the amount has been paid;
  - (ca) [an interim assessment within 3 years after the date on which the assessment notice for the interim assessment is issued;](#)
  - (c) a directly reviewable decision;
  - (d) a decision in respect of which a taxation Act specifically provides other procedures for objection or appeal;
  - (e) a decision which, under section 20A(3), is not subject to objection under this Part.

(3A) An objection against an interim assessment can only be made against the validity or correctness of the interim assessment as at the date on which the assessment notice for the interim assessment was issued.

(3B) A taxpayer ceases to be entitled to object to an interim assessment if the assessment following the interim assessment is made before an objection against the interim assessment is lodged.

- (3) If a reassessment is made and the time for lodging an objection to the previous assessment has expired, an objection may only be made against an increase in liability.
- (4) Where a decision of the Commissioner is by any of the taxation Acts declared to be directly reviewable a taxpayer may, within 60 days of being notified of the decision, apply to the State Administrative Tribunal for a review of the decision.

*[Section 34 amended by No. 55 of 2004 s. 1171; No. 12 of 2008 s. 39; No. 31 of 2008 s. 24 and 30; No. 10 of 2013 s. 19 and 34.]*

- (c) be lodged in accordance with section 115.

**36. Time for lodging objection**

- (1) An objection to an official assessment must be lodged within 60 days after —
- (a) the assessment notice is issued; or

- (b) if the assessment is indicated by endorsement in accordance with section 23(2)(b) — the date on which the document was endorsed; or
  - (c) if a taxpayer has requested a statement of grounds in accordance with section 25(2)(a) within 30 days of the issue of the assessment — the date on which the Commissioner serves a statement of the grounds; or
  - (d) if the assessment is an interim assessment — the date on which the 3-year period referred to in section 34(2)(ca) ends.
- (2) An objection to a self-assessment must be lodged within 60 days after the due date for lodging the return related to the assessment.
- (3) An objection to another decision must be lodged within 60 days after the day on which the person affected by the decision was notified of the decision.
- (4) However, the Commissioner may, on application by the taxpayer, extend the time for lodging an objection.
- (5) An application for an extension of time —
- (a) must be made within 12 months after the date on which the objection was to have been lodged under subsection (1), (2) or (3), but may be made before or after that date; and
  - (b) must set out in detail the grounds on which the applicant asks for an extension of time.
- (6) If objection is taken to a decision about self-assessment of tax, the date of the decision is taken to be the date by which the first return affected by the decision is to be lodged by the taxpayer after the taxpayer receives notice of the decision.

*[Section 36 amended by No. 12 of 2008 s. ~~40~~40; No. 10 of 2013 s. 20.]*

**37.        Consideration of objections**

- (1) The Commissioner must consider and determine an objection, having regard to —
- (a) the grounds set out in the objection and any other relevant written material submitted by the taxpayer; and
  - (b) [if the objection is against an interim assessment — any other information relevant to considering the objection that was obtained by the Commissioner ~~that is~~ before the assessment notice for the interim assessment was issued; and](#)
  - (c) [if the objection is not against an interim assessment — any other information relevant to considering the objection, whether ~~the information was~~ obtained by the Commissioner before or after the objection was lodged.](#)
- (2) The onus of establishing that an assessment or decision to which an objection relates is invalid or incorrect lies on the taxpayer.
- (3) If the objection relates to an assessment that was made under section 19(1) on the basis of suspected liability —
- (a) it is not necessary for the taxpayer to establish that there were no reasonable grounds for the suspicion; and
  - (b) the objection is to be allowed if the taxpayer establishes, on the balance of probabilities, that the taxpayer is not liable to the tax (or penalty tax) assessed.
- [\(4A\) The Commissioner is not required to consider, or to continue considering, an objection against an interim assessment once the assessment following the interim assessment is made.](#)
- [\(4B\) A decision on an objection against an interim assessment and any findings made for the purposes of the decision do not bind the Commissioner in the consideration of an objection against an assessment following the interim assessment.](#)
- (4) On determining an objection, the Commissioner must serve on the taxpayer a notice setting out —

- (a) the decision on the objection; and
- (b) if the objection is disallowed in whole or part — the reasons for the decision.

[\[Section 37 amended by No. 10 of 2013 s. 21.\]](#)

**38. Time limit for determining objections**

- (1) The Commissioner must determine an objection within the decision period calculated under subsection (2).
- (2) The decision period is the initial period of 90 days beginning on the day the objection is lodged with the Commissioner, plus the number of days equal to the number of days the Commissioner needs (whether the needed days fall during or after the initial 90-day period) —
  - (a) to obtain from the taxpayer information that the Commissioner reasonably requires to determine the objection; or
  - (b) to consider any information provided by the taxpayer after the objection was lodged; or
  - (c) to obtain any advice and assistance from an external agency that the Commissioner reasonably requires to determine the objection.
- (3) The Commissioner must notify the taxpayer, before the end of the initial 90-day period, of any periods by which the decision period has been extended up to the time of notification and, if further delays extending the decision period occur after the initial notification, must keep the taxpayer reasonably informed about the extent and the reasons for the further delays.
- (4) If the Commissioner fails to determine an objection within 120 days of the day that the objection was lodged with the Commissioner, the taxpayer may, by written notice to the Commissioner, require the Commissioner to apply to the State Administrative Tribunal for directions as to any or all of the matters referred to in this section, including but not limited to —

- (a) the length of the decision period;
  - (b) the time for a taxpayer to comply with a request for information;
  - (c) the information to be provided by the taxpayer;

*[Section 38 amended by No. 55 of 2004 s. 1172; No. 12 of 2005 s. 9.]*

**39. Reassessment on determination of objection**

- (1) If an objection is allowed wholly or in part, the Commissioner must make a reassessment accordingly.

- (a) any amount paid by the taxpayer for the lodging of a memorial under section 76, 77 or 77A, if the Commissioner has lodged a withdrawal of the memorial as a result of the reassessment;
  - (b) interest during the reassessment period, calculated at the prescribed rate, on the amount to be refunded or credited, including any amount referred to in paragraph (a).

    - (i) the date on which the amount to be refunded or credited to the taxpayer, as a result of the reassessment, was paid by the taxpayer; or
    - (ii) the date on which the assessment or decision objected to was made;
- and

~~—(2) deleted—~~

*[Section 40 amended by No. 55 of 2004 s. 1174; [No. 10 of 2013 s. 22.](#)]*

**43.     Proceedings before State Administrative Tribunal**

- (1)     When the State Administrative Tribunal is dealing with a matter brought before it under this Act other than a matter to which subsection (2) or (2aa) applies, the State Administrative Tribunal is to be constituted by, or include —

- (2)     When the State Administrative Tribunal is dealing with a matter brought before it under this Act that relates to an assessment or decision under or for the purposes of the *Duties Act 2008*, the *Pay-roll Tax Assessment Act 2002*, or the *Stamp Act 1921*, the State Administrative Tribunal is to be constituted by its President, or a Deputy President of it, sitting alone unless subsection (2aa) applies.
- (2aa)   A proceeding brought before the State Administrative Tribunal under this Act is included in the operation of section 93 of the *State Administrative Tribunal Act 2004* if it is —

- (b) a proceeding for the review of a directly reviewable decision; or
- (c) a proceeding for the review of a decision of the Commissioner under section 47 in connection with extending time for payment of tax or approving payment of tax in instalments,

but the effect of a no appeals election made under that section in relation to the proceeding is modified as described in subsection (2ab).

- (2ab) The no appeals election does not prevent the Commissioner from making an appeal under the *State Administrative Tribunal Act 2004* Part 5, without leave, against the decision in the proceeding on a question of law if the Minister —
  - (a) certifies in writing that the question is significant for the protection of the revenue of the State; and
  - (b) agrees to indemnify each other party to the proceeding in respect of any cost involved in the appeal,

but a decision made by the Supreme Court in dealing with the appeal does not affect the decision in the proceeding from which the appeal arose and the matter cannot be sent back to the State Administrative Tribunal for reconsideration.

- (2a) For the purposes of subsections (1) and (2) —
  - (a) a person appointed as a supplementary President of the State Administrative Tribunal under section 139 of the *State Administrative Tribunal Act 2004* is not to be regarded as its President unless the person is a judge, acting judge or auxiliary judge of the Supreme Court; and

- (3) If the final reassessment of the taxpayer's liability indicates that tax has been overpaid, the taxpayer is entitled to a refund or credit of the overpaid amount and the following amounts —
- (a) any amount paid by the taxpayer for the lodging of a memorial under section 76, 77 or 77A, if the Commissioner has lodged a withdrawal of the memorial as a result of the final reassessment;

- (4A) In subsection (3)(b) —
- reassessment period***, in relation to the payment of interest on an amount, means the period —
- (a) beginning on whichever is the later of —
    - (i) the date on which the overpaid amount was paid by the taxpayer; or
    - (ii) the date on which the assessment or decision the subject of the Commissioner's decision to which the review proceedings relate, was made;
- and
- (b) ending on the date, on or after the date the Commissioner made the final reassessment, on which the Commissioner approves the refunding or crediting of the amount.
- (4) For the purposes of subsection (3) —

- (a) the final reassessment of a taxpayer's liability is the last assessment to have been made as directed in the course of review proceedings at the time that the case is discontinued or otherwise finally determined; and
- (b) a refund or credit of an amount referred to in that subsection need not be made until rights to take review proceedings (including any right that may exist to seek special leave to appeal to the High Court) have been exhausted or have expired, and no further reassessment can be made.

(5) The State Administrative Tribunal may, on its own initiative or the application of a party, dismiss a proceeding relating to an objection against an interim assessment once the assessment following the interim assessment is made.

**43A. Appeal from decision of State Administrative Tribunal**

- (1) An appeal from a decision of the State Administrative Tribunal can be brought on a question of law, of fact, or mixed law and fact, without having first obtained leave to appeal.
- (2) The appeal has to be instituted in accordance with the rules of the Supreme Court and within the period of 28 days after —
  - (a) the day on which the Tribunal's decision is made; or
  - (b) if the Tribunal gives oral reasons for the decision and the appellant then requests it to give written reasons under section 78 of the *State Administrative Tribunal Act 2004*, the day on which the written reasons are given to the appellant.

## **Part 5 — Payment and refund of tax**

### **Division 1 — Payment**

**45. When tax is due for payment**

- (1) Subject to this section, tax is due for payment on the date fixed by or worked out in accordance with the relevant taxation Act.
- (2) If the relevant taxation Act does not make provision for the date of payment, the tax is due for payment on the date specified in the assessment notice.

*[Section 45 amended by No. 12 of 2004 s. 10.]*

**46. Allocation of payment**

When the Commissioner receives a payment from a taxpayer, the payment is to be allocated as follows —

- (a) if it is clear from the circumstances in which the payment is made how the payment is to be allocated — the payment is to be allocated accordingly; and
- (b) in any other case — the payment is to be allocated to the taxpayer's tax liabilities as decided by the Commissioner.

**47. Arrangements for instalments and extensions of time**

- (1) The Commissioner may approve an arrangement (with or without amendment) —
  - (a) extending the time for paying tax; or
  - (b) providing for the payment of tax in specified instalments.
- (2) An application for approval of a proposed tax payment arrangement must set out the reasons that the taxpayer wants more time to pay the tax.

- (3) A tax payment arrangement may include —

- (7) Despite cancellation of a tax payment arrangement, interest continues to accrue at the prescribed rate (or the other rate fixed by or under the arrangement) until the outstanding tax to which the arrangement formerly applied is paid.
- (8) A decision of the Commissioner under this section in connection with extending time for payment of tax or approving payment of tax in instalments is directly reviewable.

*[Section 47 amended by No. 55 of 2004 s. 1179.]*

**48. No action to compel approval of tax payment arrangement**

No action can be brought in a court to compel the Commissioner to approve a tax payment arrangement.

**Division 2 — Special tax return arrangements**

**50. Content of special tax return arrangement**

- (1) A special tax return arrangement —
  - (a) may require the lodging of returns, and the self-assessment and payment of tax, in accordance with the arrangement; and

- (c) may exempt the taxpayer or taxpayers covered by the arrangement from compliance with specified administrative requirements of a taxation Act; and
  - (d) may provide for the endorsement or certification of instruments to indicate the amount of tax paid or payable under the special tax return arrangement, or to indicate that tax is not payable; and
  - (e) may require the responsible party to keep specified records; and
  - (f) may authorise the responsible party to correct errors of a prescribed kind, or to alter a self-assessment in prescribed circumstances; and
  - (g) may authorise the responsible party to do things for the purpose of giving effect to any corrections or alterations made in accordance with the arrangement.
- (2) If an instrument that the responsible party is required to include in a tax return would be of no effect until registered under an enactment, then it is a condition of the arrangement that the responsible party is to include the instrument in a return before the instrument is lodged for registration.
- (3) If a condition of a special tax return arrangement is contravened, the responsible party commits an offence.  
Penalty: \$20 000.
- (4) A special tax return arrangement does not transfer the taxpayer's tax liability from the taxpayer to the responsible party.

*[Section 50 amended by No. 12 of 2005 s. 10; No. 12 of 2008 s. 42.]*

**51. Improper endorsement or certification of an instrument**

A person who endorses or certifies an instrument so as to suggest or imply that the instrument has been properly endorsed or certified under a special tax return arrangement commits an

Penalty: \$20 000.

*[Section 51 inserted by No. 12 of 2008 s. 43.]*

**52. Lodging returns under special tax return arrangement**

Penalty: \$5 000.

**53. Amendment or cancellation of arrangement**

- (2) The Commissioner may, by notice served on the responsible party, cancel a special tax return arrangement.

**Division 3 — Refunds of tax**

**54. Refunds**

- (1) The Commissioner must refund tax to a taxpayer if —
- (a) as a result of a reassessment, it appears that an overpayment of tax has been made; or
  - (b) the Commissioner is satisfied on an application for a refund under this section that an overpayment of tax has been made; or
  - (c) in the circumstances of a particular case, the Commissioner is required by a taxation Act to make a refund of tax.

(2A) If the tax paid on an interim assessment exceeds the tax payable on the assessment following the interim assessment, the Commissioner must refund the taxpayer these amounts —

(a) the difference between the tax paid on the interim assessment and the tax payable on the assessment following the interim assessment;

(b) interest, calculated at the prescribed rate, on the amount referred to in paragraph (a) during the period —

(i) beginning on the date on which the amount referred to in paragraph (a) was paid by the taxpayer; and

(ii) ending on the date on which the Commissioner approves the refunding of that amount.

- (2) However, instead of repaying the amount to be refunded, the Commissioner may credit the amount of the refund against the taxpayer's existing and future tax liabilities (but the Commissioner must not credit an amount of \$50 or more against future liabilities if the taxpayer requests repayment).
- (3) An application for a refund may only be made —

- (a) on a ground on which refunds are authorised or required by a taxation Act; or
  - (b) on the ground that the amount paid by the taxpayer exceeds the amount of tax payable in accordance with the relevant assessment.
- (4) An application for a refund under this section must be made —
- (a) within a period fixed by a taxation Act for making the application; or
  - (b) if no period is fixed by a taxation Act — within 5 years of the date when the overpayment was made.

[\[Section 54 amended by No. 10 of 2013 s. 24.\]](#)

**55A. Unused credit**

- (1) If an amount credited against a taxpayer's future tax liabilities under section 54(2) is not debited against those liabilities within 2 years after the credit arose the Commissioner may —

  - (b) otherwise, pay the amount to the Treasurer to be dealt with as prescribed retained money in accordance with the *Unclaimed Money Act 1990* section 9(1)(r)(ii).
- (2) If a credit is written off under subsection (1)(a) —

- (3) If a credit is written off under subsection (1)(a) and within 5 years after the credit arose the taxpayer requests payment of the written off amount, the Commissioner must pay that amount to the taxpayer.

*[Section 55A inserted by No. 31 of 2008 s. 25.]*

  - [(c) deleted]*

  - (b) the tax is, in whole or part, refunded or credited to the taxpayer (whether under this Division or not),
- then the taxpayer is to reimburse the third party in accordance with subsection (3) or (4), as the case requires.
- (3) If the third party provided all the money with which the tax payment was made, or fully reimbursed the taxpayer for the payment, the taxpayer must reimburse the third party with an amount equal to the amount of the refund or credit.
- (4) If the third party contributed part only of the tax payment, or partially reimbursed the taxpayer for the payment, the taxpayer must reimburse the third party with an amount that bears the same proportion to the amount of the refund or credit as the amount of the refund or credit amount bears to the amount of the payment.
- (5) The taxpayer must —
- (a) make the reimbursement to the third party within 90 days after the refund was paid or credited to the taxpayer or within any longer period allowed by the Commissioner; or

- (b) if the reimbursement is not made within that period — repay the amount of the refund to the Commissioner or ask the Commissioner to cancel the credit in the taxpayer's favour within 7 days from the end of that period.

Penalty: \$20 000.

- (6) The Commissioner may recover any amount that should have been, but was not, repaid under subsection (5)(b) as if it were unpaid tax.
- (7) No action can be brought in a court to compel the Commissioner to take or refrain from taking proceedings for recovery of the amount refunded or credited to the taxpayer.

## **Part 6 — Recovery of tax**

### **Division 1 — Recovery generally**

**60. Recovery of unpaid tax**

- (1) Unpaid tax is a debt due to the State.
- (2) The Commissioner may recover unpaid tax on behalf of the State by action in any court of competent jurisdiction.

**61. Power of court to order payment of tax**

When a court convicts a person of an offence against a taxation Act, the court may (in addition to any penalty imposed for the offence) order the convicted person to pay tax outstanding at the time of the conviction.

**62. This Part applies to tax and also costs and interest**

In this Part, a reference to tax is to be read as including —

- (a) legal costs incurred by the Commissioner in relation to proceedings for the recovery of the tax; and
- (b) costs incurred for lodging a memorial under section 76, 77 or 77A; and
- (c) interest payable under a tax payment arrangement; and
- (d) prescribed costs.

*[Section 62 amended by No. 17 of 2010 s. 26.]*

**63. Recovery in cases of joint liability**

- (1) If 2 or more persons are jointly liable for tax, the whole of the tax may be recovered from any one or more of them but not so as to recover more than the whole of the tax.
- (2) This section does not affect the right of a taxpayer who pays tax to recover contributions from a person jointly liable for the tax.

**64. Notice of administrator's appointment**

- (1) A person who is appointed as statutory administrator of a taxpayer's assets must, within 14 days of appointment, or within any longer time allowed by the Commissioner, serve on the Commissioner written notice of the appointment.

Penalty: \$5 000.

- (2) However, in prescribed circumstances a statutory administrator does not have to serve notice of the appointment.
- (3) For the purposes of this section, a person is a **statutory administrator of a taxpayer's assets** if the person is —
- (a) a liquidator of a corporate taxpayer; or
  - (b) a receiver or receiver and manager of the whole or a part of a taxpayer's property; or
  - (c) a taxpayer's trustee in bankruptcy; or
  - (d) a person who holds a prescribed position or prescribed powers in relation to a taxpayer or a taxpayer's affairs.

**65. Recovery from garnishee**

- (1) The Commissioner may serve a garnishee notice on a person (the **garnishee**) if the Commissioner believes on reasonable grounds that the garnishee —
- (a) holds or may receive money for or on account of a taxpayer; or
  - (b) is liable or may become liable to pay money to a taxpayer; or
  - (c) has authority to pay money to a taxpayer.
- (2) A garnishee notice is a notice —
- (a) requiring the garnishee to pay money in the garnishee's possession or control to which the taxpayer is or becomes entitled to the Commissioner up to the amount of a liability for tax stated in the notice; and

- (b) fixing a time for payment (which cannot be before the time the taxpayer becomes entitled to the money).
- (3) The Commissioner may serve a garnishee notice even though the taxpayer's entitlement to the money may be subject to unfulfilled conditions.
- (4) However, a garnishee notice served on the employer of a taxpayer can require the garnishee to pay to the Commissioner the wages payable by the garnishee to the taxpayer in respect of a period only to the extent of the amount by which the amount of the wages exceeds the amount of average earnings for that period calculated on the basis of statistics published in respect of the period by the government statistician.
- (5) The Commissioner must serve a copy of the garnishee notice on the taxpayer.
- (6) If the liability to which a garnishee notice relates is discharged wholly or partly before the time for payment under the notice and the discharge or partial discharge affects the amount to be recovered from the garnishee, the Commissioner must, by notice served on the garnishee and the taxpayer —
  - (a) inform them of that fact; and
  - (b) state whether and, if so, how the garnishee's obligation under the garnishee notice is affected by the discharge or partial discharge of the liability.
- (7) A garnishee who does not comply with a garnishee notice commits an offence.  
Penalty: \$20 000.
- (8) A garnishee who is under an obligation to pay money to the taxpayer is taken to have satisfied that obligation to the extent of the payment made under the garnishee notice.

**66. Recovery from partnerships**

If a tax liability is incurred by or on behalf of a partnership, the tax is recoverable jointly and severally from any one or more of the partners.

**67. Recovery from directors of body corporate**

- (1) This section applies where the Commissioner believes, on reasonable grounds, that —
  - (a) a body corporate has been trading while insolvent to the knowledge of a director;
  - (b) the Commissioner has issued an assessment notice, which assessment consists of or includes an amount in relation to pay-roll tax, to the body corporate, and the amount assessed in relation to pay-roll tax has not been paid by the due date.
- (2) The Commissioner may serve notice on the director informing the director that the director, along with any other directors of the body corporate on whom the Commissioner serves notice in similar terms, will become jointly and severally liable with the body corporate for the payment of the pay-roll tax unless before the expiry of 28 days from the date of the notice the body corporate remedies its default.
- (3) The Commissioner must serve a notice under subsection (2) by arranging for a copy of the notice to be given to each director personally.
- (4) However, if, after exercising due diligence, it appears to the Commissioner that it is not practicable to give a copy of the notice personally to a director, then the Commissioner may apply to the Supreme Court for an order for substituted service in accordance with section 117(2).
- (5) For the purpose of this section, a body corporate is taken to remedy a default if —
  - (a) the liability is paid; or

- (b) the Commissioner by notice to the body corporate offers the body corporate an opportunity to enter into a tax payment arrangement, and the body corporate enters into the tax payment arrangement on conditions satisfactory to the Commissioner; or
  - (c) the body corporate enters into voluntary administration under Part 5.3A of the *Corporations Act 2001* of the Commonwealth; or
  - (d) the body corporate goes into liquidation.
- (6) If the body corporate fails to remedy its default within the time specified in the notice to a director under this section, the directors become jointly and severally liable, with the body corporate, for the payment of the tax liability assessed against the body corporate.
- (7) If a body corporate remedies its default by entering into a tax payment arrangement but later contravenes a condition of the arrangement, the body corporate's default is taken to revive and the Commissioner may serve another notice on the directors under this section.
- (8) In proceedings for recovery of tax from a director under this section, it is a defence for the director to establish that —
  - (a) the director took all reasonable steps that were possible in the circumstances to get the body corporate to remedy its default; or
  - (b) the director was unable because of illness or for some other proper reason to take steps to get the body corporate to remedy its default.
- (9) In proceedings for recovery of tax from a director under this section, the onus of establishing that the director did not have the knowledge required by section 67(1)(a) is on the director.
- (10) If a director pays tax or tax is recovered from a director under this section, the director is entitled to be indemnified by the body corporate for the amount paid or recovered.

- (11) This section does not apply in relation to —
- (a) a director of a body corporate to which the *Statutory Corporations (Liability of Directors) Act 1996* applies; or

- (3) An application under subsection (1) or (2) may only be made within 21 days after the notice is so served.
- (4) An application is made in accordance with this section only if, within the time period specified in subsection (3) —
  - (a) an affidavit supporting the application is filed with the court; and
  - (b) a copy of the application, and a copy of the supporting affidavit, are served on the Commissioner.

**69. Proceedings on s. 68 application where genuine dispute as to assessment of pay-roll tax**

- (1) This section applies where, on an application under section 68, the court is satisfied that there is a genuine dispute between the body corporate and the Commissioner about —
  - (a) the validity; or
  - (b) the merits; or
  - (c) the amount,of the assessment to which the notice relates, so far as that assessment concerns pay-roll tax.

- (2) Where subsection 67(1) applies, the court must, by order —
- (a) set aside the notice or notices referred to in the application;
  - (b) order the Commissioner to withdraw any other notice served on any director of the body corporate under section 67 which relates to the assessment.

**70. On s. 68 application, court may set aside s. 67 notice etc.**

- (1) On application under section 68, the court may by order set aside the notice and order the Commissioner to withdraw any other notice if it is satisfied that —
- (a) because of a defect in the notice, substantial injustice will be caused unless the notice is set aside; or
  - (b) there is some other reason why the notice should be set aside.
- (2) Except as provided in subsection (1), the court must not set aside a notice merely because of a defect.

**71. Effect of order setting aside s. 67 notice**

A notice served on a director of a body corporate under section 67(2) has no effect while there is in force under section 69 or 70 an order setting aside any notice served on any director of that body corporate.

**72. Dismissal of s. 68 application**

Unless the court makes, on an application under section 68, an order under section 69 or 70, the court is to dismiss the application.

An order under section 69 or 70 may be made subject to conditions.

**74. Costs where applicant successful**

Where, on an application under section 68, the court sets aside the notice, it may order the Commissioner to pay the applicant's costs in relation to the application.

**75. Period for complying with s. 67 notice if s. 68 application made**

Notwithstanding anything contained in section 67, if an application is made in accordance with section 68 for an order setting aside a notice, the period for compliance with that notice and any other notice which has been served on any director of the body corporate to which the notice relates, shall be the period beginning on the day when the demand is served and ending 7 days after the application under section 68 is finally determined or otherwise disposed of.

- (7) If land tax is assessed in relation to land comprising a number of separate lots or parcels —
  - (a) the charge attaches to each separate lot or parcel; and

- (3) If transfer duty payable as a result of a reassessment to give effect to the *Duties Act 2008* section 145 is not paid by the due date, the Commissioner may lodge a memorial to create a charge on the land for the unpaid transfer duty.
- (4A) If the Commissioner lodges a memorial under the *First Home Owner Grant Act 2000* section 55(2A) to create a charge on a

relevant interest in land, then the Commissioner may also lodge a memorial under subsection (3) and for that purpose that subsection applies as if —

- (b) under the *Mining Act 1978* section 103EA(3) a memorial is registered against a later tenement within the meaning given in that section,

the registration of the memorial against the later tenement creates a charge on that later tenement for the unpaid tax secured by the charge referred to in paragraph (a).

*[Section 78 inserted by No. 31 of 2008 s. 7.]*

**79. Priority of charge**

- (1) A charge arising under this Division is the first charge on the land and has priority over all other mortgages, charges and encumbrances over the land.
- (2) However, if there is another statutory charge on the same land that ranks as a first charge under another Act, the relative priority of the charges is to be determined according to the order of registration.

*[Section 79 amended by No. 31 of 2008 s. 8.]*

**80. Certificate as to charge to secure unpaid land tax**

- (1) An owner of land or a person intending to purchase land may apply to the Commissioner for a certificate as to the matters in subsection (2).

- (a) states whether, on the date of the certificate, there is a charge on the land under section 76; and
- (b) if there is such a charge and it relates to land tax for which an assessment notice has been issued, states the amount of unpaid land tax secured by the charge as at that date; and

(c) if there is such a charge and it relates to land tax for which an assessment notice has not been issued, estimates the amount of land tax that will be assessed.

(3) If—

- (a) a certificate issued under subsection (2) states there is a charge on the land under section 76 and states the amount of unpaid land tax secured by the charge and does not estimate an amount of land tax that will be assessed; and
- (b) the amount of land tax payable in respect of the land increases or decreases,

then any new owner who under section 76(6) is jointly liable for unpaid land tax is liable for not more than the amount stated in the certificate.

(4) If a certificate issued under subsection (2) estimates the amount of land tax that will be assessed—

- (a) the certificate does not prevent the Commissioner from assessing an amount of land tax different to the estimate; and
- (b) the amount of land tax assessed, even if it is different to that estimated, is the amount in respect of which a charge on the land arises under section 76; and
- (c) the amount of land tax assessed, even if it is different to that estimated, is the amount for which any new owner is jointly liable under section 76(6).

(5) The prescribed fees are payable for the issue of a certificate under subsection (2).

*[Section 80 inserted by No. 29 of 2012 s. 43.]*

- (4) A taxpayer given a withdrawal of memorial may lodge it for registration against the land.
- (5) If a memorial is lodged under this Division, the Commissioner —
  - (a) may lodge a withdrawal of memorial at any time whether or not the relevant tax has been paid; and
  - (b) must lodge a withdrawal of memorial when the land is sold in accordance with an order made under section 85.

- (6) Subsection (5) does not prevent a person lodging, or the Registrar accepting, an instrument for registration.
- (7) If an instrument is accepted for registration but not registered because a memorial is in effect, when the memorial ceases to have effect the instrument has effect as if the memorial had not been registered.

*[Section 82 inserted by No. 31 of 2008 s. 9.]*

**83. Memorials affecting mining tenements, lodging etc.**

A memorial or withdrawal of memorial affecting a mining tenement is to be lodged and registered, and has effect, in accordance with the *Mining Act 1978* Part IVA.
