Part VI — Water supply The protection of underground water

Division 1—Supply and distribution of water

[Heading inserted by No. 19 25 of 2010 2012 s. 47(3).]

Land subject to water supply charge entitled to supply.]

The owner or occupier of land in respect of which a water supply charge has been made for a period is entitled, as far as practicable and subject to this Act and the Water Agencies (Powers) Act 1984, to have water supplied to the land in that period by the Corporation.

[Section 36 inserted][Division 1: s. 40A deleted by No. 24 of 1987 s. 21; amended by No. 73 of 1995 s. 109 and 111.]

37. Supply to s. 36 land, Corporation to comply with request for

Upon such terms as it thinks fit and are agreed upon, on receiving from the owner or occupier of any land referred to in section 36 a written request for a supply of water, the Corporation shall, as soon as conveniently may be, provide, lay down to the boundary of the land, and fix the communication pipe and fittings necessary for complying with such request.

[Section 37 amended by No. 39 of 1963 s. 43; No. 83 of 1976 s. 13; No. 100 of 1982 s. 12; No. 25 of 1985 s. 59; No. 24 of 1987 s. 22; No. 73 of 1995 s. 109.1

Supply to other land

- The owner or occupier of land not being land referred to in section 36 may, in writing, request the Corporation to supply water.
- In such case the Corporation may, if it thinks fit and upon such terms as it thinks fit and as are agreed upon, comply with the request, and provide, lay down, and fix all necessary pipes and fittings for supplying water to such land.

39. Meters, installation and use of and charges for

- (1) The Corporation may cause a meter to be attached to any pipe on any land supplied with water under this Act.
- When a meter is so attached, the owner or occupier shall not receive a supply of water except by means of the meter, unless the Corporation consents to its removal, or to a supply of water to a part of the land otherwise than by means of the meter.
- (3) The Corporation may charge the prescribed rent for the use of the meter, and the by-laws may prescribe a charge for fixing, removing, or replacing it and its fittings whenever in the opinion of the Corporation necessary, except that, in respect of each separately assessed piece of land on which there is at least one private residence, one meter of the prescribed size shall be free of any such rent or other such charge.

Section 39 amended by No. 39 of 1963 s. 45; No. 25 of 1985 s. 59; No. 24 of 1987 s. 24; No. 73 of 1995 s. 100 and 109.1

Meter's record is prima facie evidence of water supplied

- (1) Whenever a meter is used
- (a) the quantity of water shown by the index or register shall be taken prima facie to be the quantity of water which has actually passed through the meter and has been supplied; and
- a certificate purporting to be signed by an officer of the Corporation stating the quantity so shown shall, in any proceeding in which the quantity of water is in question, be prima facie evidence of the quantity of water supplied.
- In case of dispute a test shall be made by the Corporation, the cost of which shall be borne by the party found to be in error.

turning or cutting off or reducing the available rate of flow of the water supply to land or in respect of restoring the water supply to land, such reduction shall be deemed to have been lawfully effected and such money shall be deemed to have been lawfully demanded and received.

42. Groups of houses, supply to

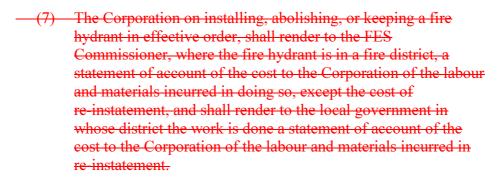

The Corporation may supply a group of dwelling-houses by means of a stand-pipe or other prescribed fittings, and the Corporation shall be entitled to receive and recover water supply charges from the owners thereof in the same manner as if the supply had been distributed in each of the dwelling houses in the ordinary manner.

<u>[Section 42 amended by No. 39 of 1963 s. 48; No. 25 of 1985 s. 59; No. 24 of 1987 s. 27; No. 73 of 1995 s. 109.]</u>

43. Supply to land outside Area

- (1) The owner or occupier of land not situated within the Area may request the Corporation to supply water to such land.
- (2) In each case the Corporation may comply with such request on such terms as it may think fit, and, if it complies, may construct all necessary works for supplying water to such land.
- (3) Any land to which the Corporation supplies water under this section, and the owner or occupier of such land, shall thenceforth be subject to the provisions of this Act, as modified by such terms as aforesaid, in the same manner as if such lands were situated within the Area.
- (4) The nature, size and description of the works, pipes, and fittings for supplying the land with water shall be entirely in the discretion of the Corporation.

- (8) The Corporation on installing, abolishing or keeping a fire hydrant in effective order, shall render to the local government, where the fire hydrant is in the district of the local government but elsewhere than in a fire district, a statement of the cost to the Corporation of the labour and materials in doing so, including that of re-instatement.
- (9) In the event of non-payment of the amount shown in a statement of account rendered pursuant to the provisions of subsections (7) and (8) it shall be recoverable from the State or the local government, according to whether the statement is rendered to the FES Commissioner or the local government, at the suit of the Corporation in a court of competent jurisdiction as a debt due.
- (10) The property in fire hydrants, whether installed before, on, or after the proclaimed day, shall—
 - (a) if the fire hydrant is in a fire district, whether constituted wholly or partly before, on, or after the proclaimed day, vest in the Minister responsible for the administration of the *Fire and Emergency Services Act 1998* as owner;
- (b) if the fire hydrant is in the district of a local government but elsewhere than in a fire district, vest in the local government as owner.
