Wildlife Conservation (Reptiles and Amphibians) Regulations 2002

1. Citation

These regulations may be cited as the *Wildlife Conservation (Reptiles and Amphibians) Regulations 2002*.

2. Commencement

These regulations come into operation on the day after the day on which they are published in the *Gazette*.

3. Definitions

In these regulations —

approved means approved by the Executive Director;

category means a category of pet herpetofauna referred to in regulation 4(2);

pet herpetofauna means fauna declared under regulation 4(1) to be pet herpetofauna for the purposes of these regulations;

pet herpetofauna licence means a licence of a type prescribed by regulation 5;

specified means specified in a licence.

4. Declaration of fauna as pet herpetofauna

- (1) The Minister may, by notice in the *Gazette*, declare fauna of the class *Reptilia* or *Amphibia*, other than crocodiles and marine turtles, to be pet herpetofauna for the purposes of these regulations.

- (2) In a declaration under subregulation (1) the Minister is to categorise the fauna as category 1, 2, 3, 4 or 5 in accordance with subregulations (3) to (7).
- (3) Category 1 pet herpetofauna is fauna that the Minister considers —
 - (a) satisfies the criteria for category 2 set out in subsection (4); and
 - (b) is —
 - (i) so commonly kept as a pet; and
 - (ii) so readily available in the pet trade, that restrictions on the keeping of that fauna as a pet are not justified.
- (4) Category 2 pet herpetofauna is fauna that the Minister considers —
 - (a) is not dangerous;
 - (b) is not rare or endangered in the wild;
 - (c) has no special feeding or housing requirements;
 - (d) is resilient to handling; and
 - (e) is suitable to be kept by a person of any age with no prior experience in keeping pet herpetofauna.
- (5) Category 3 pet herpetofauna is fauna that the Minister considers —
 - (a) is not dangerous;
 - (b) is not rare or endangered in the wild;
 - (c) requires only easily prepared and readily available food and simple housing;
 - (d) is resilient to handling; and
 - (e) is suitable to be kept by a person over 18 years of age with no prior experience in keeping pet herpetofauna.
- (6) Category 4 pet herpetofauna is fauna that the Minister considers is not dangerous and —

- (a) is not commonly kept as a pet;
 - (b) is rare but not threatened or endangered in the wild;
 - (c) has specialised feeding or housing requirements;
 - (d) is not resilient to handling; or
 - (e) is otherwise suitable to be kept only by a person over 18 years of age with prior experience in keeping pet herpetofauna.
- (7) Category 5 pet herpetofauna is fauna that the Minister considers —
- (a) is dangerous;
 - (b) is threatened or endangered in the wild;
 - (c) has highly specialised feeding or housing requirements;
or
 - (d) is very difficult to keep in captivity.

5. Pet herpetofauna licences prescribed

- (1) The following types of licences are prescribed for the purposes of section 15 of the Act —
- (a) herpetofauna keeper's licence (category 2);
 - (b) herpetofauna keeper's licence (category 3);
 - (c) herpetofauna keeper's licence (category 4);
 - (d) herpetofauna keeper's licence (category 5);
 - (e) herpetofauna dealer's licence (category 3);
 - (f) herpetofauna dealer's licence (category 4);
 - (g) herpetofauna dealer's licence (category 5);
 - (h) herpetofauna taker's licence;
 - (i) herpetofauna farmer's licence;
 - (j) herpetofauna importer's licence;
 - (k) herpetofauna exporter's licence.

- (2) A herpetofauna keeper's licence authorises the licensee to keep, for non-commercial purposes, the categories of pet herpetofauna set out in the Table to this subregulation opposite the relevant type of licence, and to sell not more than the specified numbers of such animals.

Table of categories of pet herpetofauna that may be kept

Licence	Categories
Herpetofauna keeper's licence (category 2)	1 and 2
Herpetofauna keeper's licence (category 3)	1, 2 and 3
Herpetofauna keeper's licence (category 4)	1, 2, 3 and 4
Herpetofauna keeper's licence (category 5)	1, 2, 3, 4 and 5

- (3) A herpetofauna dealer's licence authorises the licensee to keep for commercial purposes and to sell pet herpetofauna in the categories set out in the Table to this subregulation opposite the relevant type of licence.

Table of categories of pet herpetofauna that may be sold

Licence	Categories
Herpetofauna dealer's licence (category 3)	1, 2 and 3
Herpetofauna dealer's licence (category 4)	1, 2, 3 and 4
Herpetofauna dealer's licence (category 5)	1, 2, 3, 4 and 5

- (4) A herpetofauna taker's licence authorises the licensee —
- (a) subject to any notice under section 14 of the Act, to take for sale or reward pet herpetofauna in the specified categories or of the specified species; and
 - (b) to keep for the purposes of sale, and to sell, pet herpetofauna so taken.
- (5) A herpetofauna farmer's licence authorises the licensee —
- (a) to carry on the business of conducting a farm for the purpose of breeding or raising pet herpetofauna in the specified categories or of the specified species; and

- (b) in the course of carrying on that business, to keep and sell such pet herpetofauna.
- (6) A herpetofauna importer's licence authorises the licensee to import, as one consignment, the specified number of the specified species of pet herpetofauna.
- (7) A herpetofauna exporter's licence authorises the licensee to export, as one consignment, the specified number of the specified species of pet herpetofauna.

6. Application for pet herpetofauna licence

- (1) An application for a pet herpetofauna licence —
 - (a) is to be made to the Executive Director, in writing in an approved form;
 - (b) is to be accompanied by —
 - (i) such references testifying to the experience and ability of the applicant; and
 - (ii) such other information,as the Executive Director requires; and
 - (c) is to be lodged together with the relevant fee set out in Schedule 1.
- (2) Before issuing a pet herpetofauna licence that would authorise a person to keep category 5 pet herpetofauna the Executive Director may require —
 - (a) the premises at which the applicant proposes to keep the pet herpetofauna;
 - (b) the equipment that the applicant proposes to use to keep the pet herpetofauna,to be inspected by a wildlife officer to determine whether they are suitable for keeping the pet herpetofauna for which the licence is sought.

r. 7

- (3) If an inspection is required under subregulation (2) the applicant is to pay an inspection fee of —
 - (a) \$150; plus
 - (b) \$10 for each animal in excess of 5 that the applicant seeks to be authorised to keep at the premises.

7. Restrictions on issue of pet herpetofauna licence

- (1) The Executive Director must not issue a pet herpetofauna licence unless satisfied that the operation of the licence will not adversely affect the conservation and protection of —
 - (a) the species of pet herpetofauna to which the licence relates;
 - (b) pet herpetofauna generally; or
 - (c) fauna and flora generally.
- (2) The Executive Director may refuse to issue a pet herpetofauna licence if the Executive Director considers that —
 - (a) the applicant has been convicted of an offence under the Act or has failed to comply with a condition imposed on a licence under the Act;
 - (b) the applicant is under the age determined by the Minister, by notice in the *Gazette*, as the age below which persons will not be authorised to keep the category of pet herpetofauna for which the licence is sought;
 - (c) the applicant does not have sufficient experience or ability to properly keep, sell, take, farm, import or export (as the case requires) the pet herpetofauna for which the licence is sought;
 - (d) in the case of a herpetofauna dealer's licence or herpetofauna taker's licence, the applicant is not able to identify all species of pet herpetofauna to which the licence relates;

- (e) the premises at which the applicant proposes to keep the pet herpetofauna are not appropriate;
- (f) the manner in which the applicant proposes to keep, sell, take, farm, import or export (as the case requires) pet herpetofauna is not appropriate;
- (g) in the case of a herpetofauna exporter's licence, the proposed consignee is not authorised under the law of the place to which the pet herpetofauna is to be exported to import the pet herpetofauna;
- (h) the operation of the licence may create a threat to the safety of any person or of the public generally;
- (i) the carrying on of the activity authorised by the licence would be contrary to a local law; or
- (j) for any other reason —
 - (i) the operation of the licence would not be in the public interest;
 - (ii) the applicant is not a suitable person to hold the licence; or
 - (iii) the licence should not be issued.

8. Conditions on pet herpetofauna licences

- (1) A pet herpetofauna licence is subject to the condition that the licensee comply with regulations 9 to 15.
- (2) Without limiting section 15(5) of the Act, the Executive Director may impose on a pet herpetofauna licence conditions relating to —
 - (a) the species of pet herpetofauna that the licensee may keep, sell, take, farm, import or export;
