STATUTORY WARRANTY

A motor vehicle is covered by the terms of a statutory warranty under the *Motor Vehicle Dealers Act 1973* because the cash price (inc. GST) paid is \$4 000 or more and the vehicle is not more than 12 years old and has travelled not more than 180 000 km. The length of time the vehicle is covered under warranty is determined by the age of the vehicle and kilometres it has travelled at the time of sale. Where a vehicle is —

- not more than 10 years old and has travelled not more than 150 000 km at the time of sale — warranty is for 3 months or 5 000 km, whichever happens first; or
- between 10 and 12 years old or has travelled between 150 000 and 180 000 km at the time of sale — warranty is for 1 month or 1 500 km, whichever happens first.

A motorcycle is covered by the terms of a statutory warranty because the cash price (inc. GST) paid is \$3 500 or more and the motorcycle is not more than 8 years old and has travelled not more than 80 000 km. The warranty is for 3 months or 5 000 km, whichever happens first.

The warranty means that the selling dealer must repair or make good all defects which make or are likely to make the vehicle unroadworthy or unserviceable. The repair should make the vehicle roadworthy and in a reasonable condition having regard to its age.

ITEMS COVERED BY THE STATUTORY WARRANTY

This vehicle is covered by the terms of the statutory warranty under section 34 of the *Motor Vehicle Dealers Act 1973*. This means the dealer must repair or make good all defects which make or are likely to make the vehicle unroadworthy or unserviceable. For more information on warranty defects, refer to the vehicle diagram on the reverse side of the 'Vehicle Particulars' Form 4.

ITEMS NOT COVERED BY THE STATUTORY WARRANTY

The defects which are not required to be repaired by the dealer are those stated on the front of this form, provided—

- this form was filled out and displayed on the vehicle before you negotiated to purchase it;
- an accurate and detailed description of the defect, and an accurate estimate of the repair cost has been stated; and
- you are given a signed copy of this notice before, or at the time of, sale.

Remember, it will be your responsibility to repair the defects listed on the front of this notice.

DESCRIPTION OF DEFECTS

The 'Details of Defect' should set out (with reasonable particularity) a description of the nature of the defect. For example, it would not be considered reasonable for a dealer to state "engine" as the defect and estimate \$800 as the cost of repairs. What should be stated is the particular defect with the engine, such as "excessive exhaust smoke - piston rings require replacement" together with the estimated cost of repairs.

UNDERESTIMATED REPAIR COSTS

If the amount estimated by the dealer as the fair cost of repairing or making good the defect is underestimated, then you may claim the difference between the fair cost of repair and the amount stated by the dealer on this form as the cost of repair.

STATUTORY WARRANTY

This vehicle is not covered by the terms of the statutory warranty under Part III Division 4 of the *Motor Vehicle Dealers Act 1973*. This is because —

- the cash price (inc. GST) paid in the case of a motor cycle is less than \$3 500 or in the case of any other vehicle is less than \$4 000; or
- in the case of a motor cycle it is more than 8 years old or has been driven more than 80 000 km or in the case of any other vehicle it is more than 12 years old or has been driven more than 180 000 km; or
- the vehicle was sold at auction on behalf of a member of the public; or
- the vehicle is excluded from the statutory warranty under the *Motor Vehicle Dealers Act 1973*.

The following vehicles are excluded —

1. A caravan built to be towed by a motor vehicle.
2. A motor cycle —
 - (a) built for off-road use; and
 - (b) not built to carry any passengers.
3. A motor vehicle —
 - (a) built to be used primarily to carry goods or materials used in any trade, business or industry; and
 - (b) having only one row of seats.
4. A motor vehicle —
 - (a) built to be used primarily to carry people; and
 - (b) that seats more than 9 adults (including the driver).
5. A multi-wheeled open motor vehicle the driver of which sits astride the vehicle or part of the vehicle in a manner similar to that customary for the driver of a motor cycle.

WARRANTIES IMPLIED UNDER FAIR TRADING AND TRADE PRACTICES LAWS

The *Fair Trading Act 1987* and *Trade Practices Act 1974* (C'th) require the dealer selling this vehicle to ensure that the vehicle matches any description given and that it is of "merchantable quality." This means that it must be fit for the purpose for which a vehicle of that nature is normally used. The amount of money you have paid for the vehicle is taken into account when determining merchantable quality.

For example, even though a vehicle is not covered by the statutory warranty under the *Motor Vehicle Dealers Act 1973*, you are entitled to expect the dealer to repair any major defects that were present at the time of sale which prevent the vehicle from being used in

the normal way. This also applies to anything that makes the vehicle unsafe to drive (eg. faulty brakes, faulty steering or major structural rust).

The requirement of merchantable quality does not apply —

- to defects specifically drawn to your attention before the contract of sale is made; or
- if you examine the vehicle for defects before the contract is made, to defects that examination should have revealed.

VEHICLES BOUGHT AT AUCTION

Vehicles purchased at auction do not carry a “statutory warranty” if they are being auctioned on behalf of a member of the public.

STATUTORY WARRANTY

A motor vehicle is covered by the terms of a statutory warranty under the *Motor Vehicle Dealers Act 1973* if the cash price (inc. GST) paid is \$4 000 or more and the vehicle is not more than 12 years old and has travelled not more than 180 000 km. The length of time the vehicle is covered under warranty is determined by the age of the vehicle and kilometres it has travelled at the time of sale. Where a vehicle is —

- not more than 10 years old and has travelled not more than 150 000 km at the time of sale — warranty is for 3 months or 5 000 km, whichever happens first; or
- between 10 and 12 years old or has travelled between 150 000 and 180 000 km at the time of sale — warranty is for 1 month or 1 500 km, whichever happens first.

A motorcycle is covered by the terms of a statutory warranty if the cash price (inc. GST) paid is \$3 500 or more and the motorcycle is not more than 8 years old and has travelled not more than 80 000 km. The warranty is for 3 months or 5 000 km, whichever happens first.

The warranty means that the selling dealer must repair or make good all defects which make or are likely to make the vehicle unroadworthy or unserviceable. The repair should make the vehicle roadworthy and in a reasonable condition having regard to its age.

ITEMS COVERED BY THE STATUTORY WARRANTY

This vehicle is covered by the terms of the statutory warranty under section 34 of the Motor Vehicle Dealers Act 1973. This means the dealer must repair or make good all defects which make or are likely to make the vehicle unroadworthy or unserviceable. For more information on warranty defects, refer to the vehicle diagram on the reverse side of the “Vehicle Particulars and Warranty” Form 4.

ITEMS NOT COVERED BY THE STATUTORY WARRANTY

The defects which are not required to be repaired by the dealer are those stated on the front of this form, provided —

- this form was filled out and displayed on the vehicle before you negotiated to purchase it; and
- an accurate and detailed description of the defect, and an accurate estimate of the repair cost has been stated; and
- you are given a signed copy of this notice before, or at the time of, sale.

Remember, it will be your responsibility to repair the defects listed on the front of this notice.

DESCRIPTION OF DEFECTS

The “Details of Defect” should set out (with reasonable particularity) a description of the nature of the defect. For example, it would not be considered reasonable for a dealer to state “engine” as the defect and estimate \$800 as the cost of repairs. What should be stated is the particular defect with the engine, such as “excessive exhaust smoke — piston rings require replacement” together with the estimated cost of repairs.

WARRANTIES IMPLIED UNDER FAIR TRADING AND TRADE PRACTICES LAWS

The *Fair Trading Act 1987* and *Trade Practices Act 1974* (Cwlth) require the dealer selling this vehicle to ensure that the vehicle matches any description given and that it is of “merchantable quality.” This means that it must be fit for the purpose for which a vehicle of that nature is normally used. The amount of money you have paid for the vehicle is taken into account when determining merchantable quality.

For example, even though a vehicle is not covered by the statutory warranty under the *Motor Vehicle Dealers Act 1973*, you are entitled to expect the dealer to repair any major defects that were present at the time of sale which prevent the vehicle from being used in the normal way. This also applies to anything that makes the vehicle unsafe to drive (eg. faulty brakes, faulty steering or major structural rust).

The requirement of merchantable quality does not apply —

- to defects specifically drawn to your attention before the contract of sale is made; or
- if you examine the vehicle for defects before the contract is made, to defects that examination should have revealed.

VEHICLES BOUGHT AT AUCTION

Vehicles purchased at auction do not carry a “statutory warranty” if they are being auctioned on behalf of a member of the public.
