² Repealed by the *Road Traffic Act 1974* s. 4.

³ The *Miscellaneous Regulations (Validation) Act 1985* applied to these regulations. It deems the regulations not to have ceased to have effect as a result of the failure to comply with section 42(1) of the *Interpretation Act 1984*, subject to their being laid before the Legislative Assembly. The *Interpretation Act 1984* s. 42(2) then applied as if the words “or if any regulations are not laid before both Houses of Parliament in accordance with subsection (1)” had been omitted.

⁴ The *Road Traffic (Drivers' Licences) Amendment Regulations (No. 2) 1997* r. 3(c) and (d) disallowance published in *Gazette* 2 September 1997 p. 5001 has no effect as the relevant provision was subsequently amended prior to disallowance.

⁵ The amendment to the Second Schedule does not have effect because the item that the *Road Traffic (Drivers' Licences) Amendment Regulations 1999* would have amended was deleted in *Gazette* 1 Dec 2000 p. 6762.

⁶ The *Road Traffic (Drivers' Licences) Amendment Regulations (No. 3) 2001* r. 7 reads as follows:

“

7. Transitional

Regulation 4E of the *Road Traffic (Drivers' Licences) Regulations 1975* does not apply to a person who holds a learner's permit issued before the day on which these regulations come into operation.

”.

⁷ The *Road Traffic (Drivers' Licences) Amendment Regulations (No. 4) 2001* r. 22 (as amended by the *Road Traffic (Drivers' Licences) Amendment Regulations (No. 2) 2002* published in *Gazette* 3 May 2002 p. 2311), which gives effect to Sch. 1 and 2, read as follows:

“

- 22. Transitional and saving**
Schedules 1 and 2 have effect.

”

Schedules 1 and 2 read as follows:

“

Schedule 1 — Transitional and saving

[r. 22]

1. Interpretation

In this Schedule —

“**commencement day**” means the day on which these regulations come into operation;

“**continuing driver's licence**” means a driver's licence granted before the commencement day that would have continued after the beginning of that day had these regulations not come into operation;

“**continuing learner's permit**” means a learner's permit granted before the commencement day that would have continued after the beginning of that day had these regulations not come into operation;

“**learner's permit**” means a permit under section 48C of the Act.

2. Transition of drivers' licences

- (1) A continuing driver's licence that, immediately before the commencement day, was appropriate to a motor vehicle of a class specified in Schedule 2 column 1 continues as if these regulations had not come into operation, but as a driver's licence —
- (a) for a motor vehicle of a class specified in column 2 opposite the class specified in column 1;
 - (b) subject to any condition or limitation specified in column 3 opposite the class specified in column 2 (in addition to any condition or limitation to which the licence may have been subject before the commencement day); and
 - (c) endorsed with any class of authorisation specified in column 4 opposite the class specified in column 2.

- (2) If the driving authorised by a continuing driver's licence is, as a result of subclause (1), more restricted than it would have been if these regulations had not come into operation, the licence also authorises driving that the licence authorised before the commencement day, but that authorisation is limited to the transitional period.
- (3) The transitional period for a driver's licence is the period during the 18 months commencing on the commencement day while the licence, or the licence as renewed, continues in force.

3. Applications to vary continuing driver's licences

- (1) A person whose driver's licence authorises additional driving under clause 2(2) may, at any time while the additional driving is authorised, apply to the Director General for the licence to be varied as necessary to authorise the additional driving without the limitation referred to in clause 2(2).
- (2) An application under subclause (1) is to be —
 - (a) in a form approved by the Director General; and
 - (b) accompanied by such proof of the applicant's driving experience as the Director General may require, verified by statutory declaration.
- (3) On an application under subclause (1), the Director General is to grant the variation if the Director General is satisfied that the applicant has demonstrated his or her ability to control a motor vehicle to which the variation applies and satisfied any requirements prescribed in relation to a licence for the vehicle.
- (4) The Director General may, in satisfaction of the requirement that the applicant demonstrate an ability to control the motor vehicle, accept evidence other than that obtained from a driving test.

4. Transition of learner's permits

- (1) A continuing learner's permit that, immediately before the commencement day, was appropriate to a motor vehicle of a class specified in Schedule 2 column 1 continues as if these regulations had not come into operation, but as a learner's permit —
 - (a) for a motor vehicle of a class specified in column 2 opposite the class specified in column 1; and
 - (b) subject to any condition or limitation specified in column 3 opposite the class specified in column 2 (in addition to any condition or limitation to which the permit may have been subject before the commencement day).

- (2) Regulation 4B of, and Schedule 4 to, the *Road Traffic (Drivers' Licences) Regulations 1975* do not apply to the holder of a continuing learner's permit.

[Schedule 1 amended in Gazette 3 May 2002 p. 2311.]
