Notes for Form 1:

1. All entry fees, recurrent charges, exit fees, and security bonds for rentals, are inclusive of GST if applicable.
2. A **premium** is a payment by an incoming resident to the administering body to confer a resident's right to occupy a residential premise in the retirement village. The *Retirement Villages Act 1992* section 3(1) defines the term premium more fully.
3. Note that recurrent charges are ongoing costs that may increase annually.
4. The term **recurrent charge** under the *Retirement Villages Act 1992* section 3(1) means any amount (including rent) payable by a resident to the administering body of a retirement village on a recurrent basis. The recurrent charges referred to above do not include a reserve fund charge which is listed as a separate charge.
5. A reserve fund may also be referred to as a sinking fund. Residents may be required to pay ongoing reserve fund charges for maintenance work, as referred to in item 6A, as well as an amount calculated as part of the Deferred Management Fee (DMF), as referred to in item 7D.
6. This item identifies those amounts that the resident is directly responsible for paying to a third party that is independent of the administering body. That is, they are amounts paid in addition to any recurrent charge contributions for operating expenses. For example, if the administering body pays the council rates and water rates and recovers the expenses incurred through recurrent charge contributions towards operating

**Form 1**

expenses then the tick boxes for “council rates” and “water rates” would not be ticked in item 6B.

7. For example retirement villages operated by a not-for-profit operator may not be subject to council rates.
8. For example charges for rubbish collection or an emergency service levy that apply independently of council rates.
9. The dollar amounts provided in the Tables in items 6E and 6F are historical amounts and are not a predictor of increases or decreases in recurrent charges that may apply in the future.
10. **Financial year** means the period of 12 months ending on 30 June (*Interpretation Act 1984* section 5).
11. **Financial year** means the period of 12 months ending on 30 June (*Interpretation Act 1984* section 5).
12. **Exit fees** may also be referred to as Deferred Management Fees (DMF), Deferred Fees or Deferred Facilities Fees.
13. Under the *Retirement Villages Act 1992* section 23(1) **permanently vacated**, in relation to a former resident and residential premises in a retirement village, means that —
  - (a) if required by the residence contract — the administering body has been given notice of the former resident’s intention to vacate the residential premises; and
  - (b) the goods and belongings of the former resident have been removed from the residential premises; and
  - (c) the former resident has ceased to reside in the residential premises; and
  - (d) the right to exclusively occupy the residential premises has been given up by the former resident (or, if the former resident is deceased, by the estate of the former resident) by returning the keys to the residential premises to the administering body.
14. **Evidence of death**, in relation to a deceased former resident of a retirement village, means —
  - (a) evidence of the grant of probate or letters of administration; or
  - (b) other evidence that the administering body of the retirement village accepts as evidence of the former resident’s death (*Retirement Villages Regulations 1992* regulation 9(1)).
15. **Refurbishment work** means maintenance, repair, replacement or renovation work carried out in respect of residential premises to return the residential premises to a reasonable condition (*Fair Trading (Retirement Villages Interim Code) Regulations 2020* Schedule 1 clause 22).
16. This section will be required to be completed as of 1 July 2016.

17. Provided under the *Fair Trading (Retirement Villages Interim Code) Regulations 2020* Schedule 1 clause 19(1)(a) or, for the financial year ending on 30 June 2019, provided under the *Fair Trading (Retirement Villages Interim Code) Regulations (No. 2) 2019* Schedule 1 clause 19(1)(a) or the *Fair Trading (Retirement Villages Interim Code) Regulations 2019* Schedule 1 clause 19(1)(a).
18. This section will be required to be completed as of 1 July 2016.
19. The total balance of the reserve fund(s) to be stated refers to the accounts available in the last financial year, as referred to in the *Fair Trading (Retirement Villages Interim Code) Regulations 2020* Schedule 1 clause 19(1)(b).
20. Communal amenities may be varied by resident consent via a special resolution of residents (*Retirement Villages Regulations 1992* regulation 7C Table item 4).
21. Communal services may be varied by resident consent via a special resolution of residents (*Retirement Villages Regulations 1992* regulation 7E Table item 3).

Notes for Form 1A:

1. It is recommended that the residents, at least one month prior to the end of the term, ask the administering body what is proposed at the end of the fixed term.
2. Note that recurrent charges are ongoing costs that may increase annually.
3. The term **recurrent charge**, under the *Retirement Villages Act 1992* section 3(1), means any amount (including rent) payable by a resident to the administering body of a retirement village on a recurrent basis. The recurrent charges referred to above do not include a reserve fund charge which is listed as a separate charge.
4. A reserve fund may also be referred to as a sinking fund. Residents may be required to pay ongoing reserve fund charges for maintenance work, as referred to in item 5A.

**Form 1A**

---

5. For example “short-term rental payment” where this amount is payable separately to other recurrent charges.
6. This item identifies those amounts that the resident is directly responsible for paying to a third party that is independent of the administering body. That is, they are amounts paid in addition to any recurrent charge contributions for operating expenses. For example, if the administering body pays the council rates and water rates and recovers the expenses incurred through recurrent charge contributions towards operating expenses then the tick boxes for “council rates” and “water rates” would not be ticked in item 5B.
7. For example retirement villages operated by a not-for-profit operator may not be subject to council rates.
8. For example charges for rubbish collection or an emergency service levy that apply independently of council rates.
9. This section will be required to be completed as of 1 July 2016.
10. Provided under the *Fair Trading (Retirement Villages Interim Code) Regulations 2020* Schedule 1 clause 19(1)(a) or, for the financial year ending on 30 June 2019, provided under the *Fair Trading (Retirement Villages Interim Code) Regulations (No. 2) 2019* Schedule 1 clause 19(1)(a) or the *Fair Trading (Retirement Villages Interim Code) Regulations 2019* Schedule 1 clause 19(1)(a).
11. Total amount must be \$1 500 or less.
12. For example a security bond.
13. Communal amenities may be varied by resident consent via a special resolution of residents (*Retirement Villages Regulations 1992* regulation 7C Table item 4).
14. Communal services may be varied by resident consent via a special resolution of residents (*Retirement Villages Regulations 1992* regulation 7E Table item 3).
15. See note 13.
16. See note 13.
