<u>6.</u>	Legislative framework
(1)	This Act provides for a form of subdivision of land referred to as subdivision by a strata titles scheme, and sets out requirements for that form of subdivision.
(2)	Relevant planning approvals must be obtained for the subdivision of land by a strata titles scheme under this Act or the <i>Planning and Development Act 2005</i> .
(3)	A strata titles scheme is to be incorporated in the Register, and certificates of title for lots in the scheme are to be created for strata titles, under the <i>Transfer of Land Act 1893</i> .
(4)	Consequently, this Act must be read together with the <i>Planning</i> and Development Act 2005 and the <i>Transfer of Land Act 1893</i> to gain a proper understanding of the legislative framework for the subdivision of land by a strata titles scheme.
(5)	This Act also contains provisions about the governance and operation of strata titles schemes and about strata managers.

	[Section 41 inserted: No. 30 of 2018 s. 83.]				
<u>42.</u>	Staged subdivision by-laws				
(1)	Staged subdivision by-laws of a strata titles scheme are by-laws				
	that apply as if they were an agreement by the strata company				
	with a person about subdivision of the strata titles scheme in				
	stages.				
	Note for this subsection:				
	Under section 36, compliance with a stage of subdivision as set out in staged subdivision by-laws removes the need for resolutions and				
	consents for registration of an amendment of the strata titles scheme to give effect to the subdivision.				
(2)	Staged subdivision by-laws must—				
	(a) describe in detail —				
	(i) the stages of subdivision that are agreed; and				
	(ii) any amendments to the scheme plan and				
	schedule of unit entitlements that will be made on completion of each stage of subdivision;				
	and				
	(b) identify the lots or common property affected by each stage of subdivision; and				
	(c) comply with requirements set out in the regulations.				
(3)	Staged subdivision by-laws cannot apply to subdivision comprised of the removal, from the parcel, of land comprised of				
	<u>common property or the addition, to the parcel, of land from</u>				
	outside the parcel.				

(4)	Staged subdivision by-laws do not bind the Planning Commission or a local government to give a planning approval		
	for an agreed stage of subdivision.		
(5)	Staged subdivision by-laws do not bind the scheme developer of		
()	a stage of subdivision to undertake the subdivision.		
( <b>6</b> )			
(6)	Staged subdivision by-laws can only be made, amended or repealed if —		
	(a) for a leasehold scheme, the owner of the leasehold		
	scheme —		
	(i) has been given notice in the approved form of the		
	by-laws; and		
	(ii) has given written consent to the by-laws;		
	and		
	(b) in any case, the holder of each designated interest over		
	the whole or a part of the parcel —		
	(i) has been given notice in the approved form of the		
	by-laws; and		
	(ii) either —		
	(I) has given written consent to the application; or		
	(II) has not, at the end of 60 days after being		
	given notice, made a written objection		
	to the proposed by-laws.		
(7)	The Tribunal may, on the application of an applicant for		
	registration of staged subdivision by-laws or an amendment of		
	staged subdivision by-laws, order that an objection to the by-laws of a person with a designated interest be disregarded on		
	the grounds that the objection is unreasonable.		
(8)	In considering whether an objection is unreasonable, the		
	<u>Tribunal may consider —</u>

<u>43.</u>	Exclusive use by-laws		
(1)	Exclusive use by-laws of a strata titles scheme are scheme		
	by-laws that confer exclusive use and enjoyment of, or special		
	privileges over, the common property in the strata titles scheme		
	or specified common property in the strata titles scheme (the		
	<i>special common property</i> ) on the occupiers, for the time being, of a specified lot or lots in the strata titles scheme (the <i>special</i>		
	lots).		
(2)	Exclusive use by-laws may include the following —		
	(a) terms and conditions on which the occupiers of special		
	lots may use the special common property;		
	(b) particulars relating to access to the special common		
	property and the provision and keeping of any key		
	necessary;		
	(c) particulars of the hours during which the special		
	common property may be used;		
	(d) provisions relating to the condition, maintenance, repair, renewal or replacement of the special common property;		
	(e) provisions relating to insurance of the special common property to be maintained by the owners of special lots;		
	(f) matters relating to the determination of amounts payable to the strata company by the owners of special lots and		
	the imposition and collection of the amounts.		
(3)	Subject to the terms of exclusive use by-laws, the obligations		
	that would, apart from this subsection, fall on the strata

company under section 91(1)(c) in relation to the special common property fall instead on the owners of the special lots.

- (4) An amount payable by a person to a strata company under
   exclusive use by-laws must be paid (together with interest on any outstanding amount) and may be recovered by the strata
   company, as if the amount payable were an unpaid contribution levied on the person as a member of the strata company.
- (5) Exclusive use by-laws can only be made, amended or repealed if the owner of each lot that is or is proposed to be a special lot has given written consent to the by-laws.

## 44. Making of scheme by-laws

- (1) Subject to this Act, a strata company may, by resolution of the strata company, make governance by-laws or conduct by-laws for the strata titles scheme (including by-laws that amend or repeal the by-laws it is taken to have made on registration of the scheme).
- (2) The resolution to make by-laws must be
  - (a) for governance by-laws a resolution without dissent; and
  - (b) for conduct by-laws a special resolution.
- (3) The power to make by-laws includes power to amend or repeal by-laws in the same manner and on the same conditions as they are made.
- (4) If by-laws purport to be made in exercise of a particular power or powers, they are also taken to be made in exercise of all powers under which they can be made.
- (5) Scheme by-laws must be in the approved form.

	complies with by-laws that apply to the owner, occupier or

	Division 5 — Strata leases
	[Heading inserted: No. 30 of 2018 s. 83.]
<u>49.</u>	Relationship with other laws
(1)	When a strata lease is registered as a scheme document, the lease is taken to be a registered lease under the <i>Transfer of Land</i> <u>Act 1893.</u>
(2)	The following provisions do not apply to or in relation to a strata lease —
	(a) the <i>Transfer of Land Act 1893</i> Part IV Division 2;
	(b) the <i>Property Law Act 1969</i> sections 72, 73, 74, 75, 76, 79, 80, 81 and 83 and Part VII Division 2;
	(c) other provisions of those or other Acts specified in the regulations.
(3)	Subsection (2) does not affect the application of the <i>Transfer of</i> Land Act 1893 or the Property Law Act 1969 to a lease of a lot in a leasehold scheme.
	[Section 49 inserted: No. 30 of 2018 s. 83.]
<u>50.</u>	Term of strata lease
(1)	A strata lease for a lot in a leasehold scheme commences when the lot is created on the registration of the leasehold scheme or an amendment of the leasehold scheme to give effect to a subdivision and expires on the expiry day for the scheme.

A strata lease is of no effect to the extent that it purports to (2)extend beyond the expiry day for the scheme. (3)A strata lease is not subject to renewal, but its term is extended by postponement of the expiry day for the scheme. The fact that the expiry day may be postponed does not render a (4) strata lease invalid for being of uncertain duration or for any other reason. (5) A strata lease is not subject to forfeiture. (2)Subject to subsection (3), the consent of the owner of the leasehold scheme is not required by the owner of a lot in the scheme to deal with or dispose of the strata title for the lot. The regulations may specify circumstances in which the consent (3)of the owner of the leasehold scheme may be required despite subsection (2). (4)The owner of a leasehold scheme cannot re-enter a lot in the scheme except if that is authorised by order of the Tribunal or under the leasehold by-laws (for non-payment of an amount for postponement of the expiry day) or if the owner of the lot surrenders the strata lease. <u>52.</u>	Conte	ent and form of strata lease
(1)	A strata lease —	
	<u>(a)</u>	can only contain covenants or conditions allowed by the regulations; and
	(b)	if breach of a covenant or condition may lead to an order of the Tribunal for re-entry, the strata lease must identify the covenant or condition as a <i>fundamental covenant or</i> <i>condition</i> ; and
	(c)	cannot grant the owner of the leasehold scheme a right of re-entry of the lot for breach of a covenant or condition (express or implied); and
	(d)	must be in the approved form.

	<u>scheme —</u>
	(a) during any period commencing when an ordinary
	resolution has been passed by the strata company in
	support of an outline of another termination proposal

(4)	The strata company must, on completion of the requirements
	under subsection (3), give written notice of that fact to the
	proponent of the termination proposal.
(5)	Any modification of an outline of a termination proposal
	proposed by the proponent of the proposal must be submitted
	and served in the same manner as for the outline.

### Strata Titles Act 1985

Part 12Termination of strata titles schemeDivision 3Termination proposals. 175

175. **Content of outline of termination proposal** An outline of a termination proposal must — (1)specify the name and address for service of the (a) proponent of the proposal; and **(b)** identify the strata titles scheme proposed to be terminated: and provide an explanation of the reasons for proposing (c) termination of the strata titles scheme, including (without limitation), if the difficulty of raising sufficient contributions for repair of scheme buildings or infrastructure on common property is a reason for the proposal, a statement of that reason; and (d) describe, in general terms, any proposals for contracts to be offered to owners of lots in the strata titles scheme; and describe, in general terms, what is proposed in terms of (e) subdivision and development of the land following termination of the strata titles scheme; and describe the planning approvals required for the (f) proposal described under paragraph (e) and the extent to which the proposal does not comply with a relevant planning scheme or interim development order in force under the Planning and Development Act 2005; and indicate, in general terms, the stages and timeframes for (g) progress of the proposal if it proceeds; and provide an explanation, in the approved form, of the (h) process for, and consequences of, termination of a strata titles scheme under this Division; and provide, in accordance with the regulations, details of (i) proposed arrangements for obtaining independent advice or representation referred to in section 190; and include any other information required by the (j) regulations.

(2)	This section does not limit the matters that can be included in an outline of a termination proposal.
(3)	An outline of a termination proposal must be in the approved form.
	[Section 175 inserted: No. 30 of 2018 s. 83.]
<u>176.</u>	Ordinary resolution and support of owner of leasehold scheme required to proceed further
(1)	A termination proposal can only proceed further if, within 3 months after an outline of the proposal has been submitted as required under section 174 —
	(a) for a freehold scheme — the strata company passes an ordinary resolution supporting consideration of a full proposal; and
	(b) for a leasehold scheme —
	<ul> <li>(i) the owner of the leasehold scheme gives written notice to the strata company supporting consideration of a full proposal; and</li> <li>(ii) the strata company passes an ordinary resolution supporting consideration of a full proposal.</li> </ul>
(2)	For a 2-lot scheme, an ordinary resolution is taken to be passed supporting consideration of a full proposal if the vote attached to 1 of the lots is cast in favour of the resolution (regardless of the unit entitlement of the lot). [Section 176 inserted: No. 30 of 2018 s. 83.]
<u>177.</u>	Approval of plan of subdivision
(1)	If the requirements of section 176 are met and a termination proposal can proceed further —
	(a) the proponent of the proposal can then make an application under the <i>Planning and Development</i> <i>Act 2005</i> Part 10 for approval of a plan of subdivision

for the proposal (that is, for the parcel to cease being subdivided by a strata titles scheme); and (b) the owner of the land is taken to have consented to the proponent making the application under the *Planning* and Development Act 2005. (2)The *Planning and Development Act 2005* applies to the application subject to the modification that a reference to subdivision is to be (a) read as including a reference to termination of a strata titles scheme; and (b) any other appropriate modifications. [Section 177 inserted: No. 30 of 2018 s. 83.] **178. Full proposal** If approval of a plan of subdivision is obtained as referred to in (1)section 177, the proponent of the proposal can then submit a full proposal for the termination of the strata titles scheme to the strata company for the scheme; and (a) if it is a leasehold scheme, the owner of the leasehold (b) scheme. However, a full proposal cannot be submitted to a strata (2)company or owner of a leasehold scheme if it is more than 12 months since the requirements of (a) section 176 were met for the proposal; or during any period for which the Tribunal has, on (b) application by the strata company or the owner of the leasehold scheme, prohibited termination proposals being so submitted. For a leasehold scheme, the proponent must give written notice (3)to the owner of the leasehold scheme of the date on which the proponent submitted the full proposal to the strata company.

A strata company to which a full proposal is submitted in (4) accordance with this section must, within 14 days after being given the proposal — (a) serve it on each person who is the owner, occupier, registered mortgagee or (i) caveator of a lot in the strata titles scheme; or a person whose interest in a lot in the strata titles (ii) scheme as a lessee, tenant or mortgagee is recorded in the roll kept by the strata company; or the occupier of common property in the strata (iii) titles scheme; and lodge with the Registrar of Titles notice of receipt of the (b) proposal in the approved form. Any modification of the full proposal proposed by the (5) proponent must be submitted and served in the same manner as for the full proposal. However, a modification cannot be submitted within 14 days (6)before voting on the termination proposal opens. [Section 178 inserted: No. 30 of 2018 s. 83.] **Reference of full proposal to independent advocate** 178A. (1) In this section *independent advocate* means a person to whom a full proposal is referred under subsection (2). A strata company to which a full proposal is submitted under (2) section 178 must refer the proposal for review and assessment to a person who is independent of the strata company and the proponent (a) of the termination proposal; and

	(b) satisfies any requirements of the regulations regarding
	experience or qualifications.
(3)	The independent advocate must, in accordance with the
	regulations —
	(a) review the full proposal; and
	(b) provide the strata company with an independent assessment of the full proposal; and
	<ul> <li>(c) at a time and place arranged with the strata company, make a presentation of its assessment open to the persons mentioned in section 178(4)(a), conducted so as to take account of the needs of any of those persons who have sensory or mobility disabilities.</li> </ul>
(4)	The independent advocate must —
	(a) endeavour to identify any owners of lots for whom arrangements for fuller or more extensive advice or representation are to be made under regulations made under section 190(1)(b); and
	(b) advise those owners of their entitlements under regulations made under section 190; and
	(c) if requested by those owners, refer them to independent providers of the advice or representation which they are to obtain; and
	(d) if requested by those owners, assist them in obtaining benefits under the trust referred to in section 190(2).
(5)	In any proceedings before the Tribunal under Part 13 in which there is a dispute about whether an owner of a lot in the strata titles scheme is entitled to fuller or more extensive advice or representation under regulations made under section 190(1)(b) or is entitled to benefit under a trust referred to in section 190(2), the independent advocate may represent the owner in the proceedings.
(6)	The regulations may prescribe how a person's independence is to be determined for the purposes of subsection (2)(a).

(7)	The st	rata con	npany —	
	(a)			muneration of, and reimburse the
		expens	ses incuri	ed by, the independent advocate; and
	<u>(b)</u>			s under section 189 to cover the cost of

	(b) the highest and best use of the lot; and
	(c) the value attributable to the owner's interest in the

#### 180. Support of owner of leasehold scheme required

- A termination proposal for a leasehold scheme cannot proceed (1) further unless, within 3 months after the full proposal is submitted to the strata company, the owner of the leasehold scheme gives written notice to the strata company that the owner supports the termination proposal.
- A strata company must, as soon as reasonably practicable, give (2)written notice to the proponent of the termination proposal of the receipt of a notice under subsection (1).

[Section 180 inserted: No. 30 of 2018 s. 83.]

## **181.** Meetings and submissions

- (1)After receipt of a full proposal, 1 or more general meetings of the strata company must be convened to consider the termination proposal (unless it is a proposal that cannot proceed further).
- (2)The members of the strata company present at a meeting may, by ordinary resolution (for which notice is not required), require the proponent of the termination proposal to leave the meeting while the proposal is discussed or, if the proponent is not a member of the strata company, to be absent for the whole of the meeting.
- The persons on whom a full proposal for the termination of a (3) strata titles scheme must be served by the strata company for the scheme must be given a reasonable opportunity to make submissions to the proponent of the proposal and the strata company.
- (4) The council of the strata company may
  - discuss a termination proposal with the proponent; and (a)
- inform the owners of lots in the strata titles scheme of (b) those discussions and of any clarifications or additional information provided by the proponent; and

	(c) make recommendations to the owners of the lots in the
	strata titles scheme regarding the proposal.
(5)	The regulations may impose additional requirements about the
	process required for consideration of a termination proposal.
	[Section 181 inserted: No. 30 of 2018 s. 83.]
<u>182.</u>	Vote
(1)	A termination proposal must be put to the vote of the owners of
	the lots in the strata titles scheme (unless it is a proposal that
	cannot proceed further) and it can only proceed further if a
	termination resolution is passed.
	Note for this subsection:
	The terms of the termination proposal are as set out in the full proposal
	rather than the outline: see section 179(8).
(2)	A termination resolution is only effective if the voting period

(7)	A termination resolution is passed subject to the confirmation of the Tribunal if —
	(a) the strata titles scheme has 5 or more lots; and
	(b) the number of votes cast in favour of the termination proposal is at least 80% of the total number of lots in the scheme.
(8)	Section 126(a) does not apply to voting on a termination
	resolution.
(9)	A termination proposal must not be modified in a material
	particular by the proponent of the proposal after a termination
	resolution has been passed unless the modification is supported under the same voting arrangements as apply to the termination
	resolution.
(10)	
(10)	The independent person appointed to tally and count the votes must —
	(a) make a record of each vote identifying the lot for which
	it is cast and the date on which it was cast, and the tally
	of the votes; and
	(b) as soon as reasonably practicable, give written notice to
	the strata company of the number of votes cast in favour
	of and against the termination proposal and a statement of whether confirmation of the resolution by the
	Tribunal is required; and
	(c) if confirmation of the resolution by the Tribunal is
	required, provide the record made under paragraph (a) to
